

REBORN TO LOVE

4 CONGENITAL DISEASE

In her past life, tomorrow was going to be when she lost her virginity!

He Xinyan dug her fingers into the blanket as she remembered what was supposed to happen tomorrow. Yang Yaqi!

Yang Yaqi had already betrayed her and was helping Li Yuyan now. In her past life, Yang Yaqi had "accidentally" spilled wine on her and took her over to the restroom to wash it off.

That was when Yang Yaqi knocked her out and took her to a room filled with old and disgusting men, rich leaders from powerful companies.

He Xinyan even shivered now when she thought back to the horrible memories.

Later on in her life, pictures and videos from this event were used as evidence when Li Yuyan framed her for "doing it" with a bunch of CEOs to become famous.

This wasn't going to happen again! She had to leave this manager, or else her entire life will be ruined in her hands.

However, as a newbie, He Xinyan had no choice in who managed her. Unless she breached the contract and left the company, there was no other way for her to leave.

In the darkness of the room, He Xinyan's expression lightened when she remembered something.

Why can't she breach the contract?

The sun had already set the next day when He Xinyan and Wu Minger left their dorm to attend the party.

Wu Minger had rented a car from a dealership, and she was very proud of it. When they arrived at the large hotel, He Xinyan got out of the car herself and Wu Minger drove the car away.

In her past life, He Xinyan never thought to scheme against others or be cautious of the people around her.

In the three years that she was in the industry, He Xinyan had never used any underhanded means to become famous, and even chose not to receive any help from her father when it would have been much easier for her if she did.

However, not being cunning didn't mean that she didn't know how to be cunning. Luck isn't enough in the entertainment industry or in the upper social class.

He Xinyan had all the necessary tricks and also had the crafty nature in her. When it came to scheming against each other, she had the talent and the skill.

It was just that she never used it. . . especially to the people she thought she could trust.

The sky blue evening gown wrapped around her upper body tightly, showing off her slim waist and beautiful shoulders.

From the waist area, the dress then opened out, reaching the ground. The color and the ripples in the dress when she walked resembled the morning sky.

He Xinyan lifted her head up and walked down the red carpet with the perfect smile. The grace and elegance came naturally to her, probably a trait she had acquired from her mom or grandfather.

Her face that looked perfect from all angles and her absolutely gorgeous body proportions and curves made her look charming and seductive. Nobody could take their eyes or cameras off of her as she slowly made her way into the large lobby.

"Xinyan!" Yang Yaqi called to He Xinyan. Yang Yaqi was He Xinyan's first manager, and also her last one.

Yang Yaqi saw that He Xinyan looked very pretty, so she brought her to all types of parties and gatherings. In her past life, He Xinyan thought that Yang Yaqi was trying to help her by doing this.

However, she was very wrong! The main reason was

that Yang Yaqi knew that He Xinyan's looks would be able to attract the liking of many company CEOs, so she brought He Xinyan everywhere as a tool.

Besides that, this was of course another scheme to help Li Yuyan. Since all of He Xinyan's energy was on coming to these gatherings, there was no other way for her to grow in the industry.

Plus, tonight was their opportunity! Li Yuyan and Yang Yaqi were going to take her purity away tonight. Of course, that wasn't going to happen again.

Li Yuyan had used He Xinyan's father's money to bribe her manager into scheming against her! And she was stupid enough to not figure this out the entire time in her last life.

"Why are you wearing this dress again?" Yang Yaqi asked with disgust on her face.

He Xinyan smiled sweetly, "This is the only dress I have. Since you told me to dress formally, I will have to wear this."

Yang Yaqi sighed, "You have the same parents as Yuyan, but why are you two so different."

He Xinyan smiled mockingly but didn't say anything.

"Whatever. Do you see that man over there? That's CEO Liu and he's a very generous investor. If you get to know him, you won't have to worry about not having opportunities later on."

He Xinyan looked over towards the man Yang Yaqi was pointing at and furrowed her eyebrows together. She instantly turned her head away from the old man and said, "Sister Yang, I don't think you know, but I have a very bad congenital disease."

"What congenital disease?"

"Since birth, I have had this disease. I seriously judge people, especially men, by their looks. There is no cure for this disease."

"So?"

"If I look at ugly people, I get scared and start trembling. If it's really bad, I might even puke and pass out." He Xinyan nodded her head as she said nonsense with a completely serious expression.

"Then look at that man over there, CEO Chen. He is even more rich and powerful than CEO Liu, and he is also a very interesting person."

He Xinyan scratched her head, "But he also doesn't match my beauty standards. . ."

Yang Yaqi was getting mad by now, "Stop with the nonsense!"

He Xinyan tilted her head to one side and frowned, "Sister Yang, if you want to introduce me to some powerful CEO, at least give me someone good-looking."

"If you want to survive in the industry then hurry up and go talk to them!"

He Xinyan smiled slyly, "Sister Yang, don't tell me that out of everyone here, you only know those two people."

Yang Yaqi's expression froze on her face, "Where did you get the courage to talk to me like that?! Do you want to do well or not?"

'I'm never going to do well under you,' He Xinyan thought but didn't say out loud.

"I was only joking. Look over there, sister Yang."
Xinyan pointed to a corner in the room, "You see that guy? Doesn't he look pretty handsome? Why don't you introduce me to him?"

Yang Yaqi rolled her eyes, "Don't even think about him."
