'Today's filming didn't start until after lunchtime anyway
so she could afford to stay in a little longer.'

'Filming went from 1 P.M. all the way into nighttime.'

but you gotta do what you got to do.'

'She tilted her head slightly upward and looked at Gu Yechen's long eyelashes. She wondered if a
toothpick would be able to balance on them because they were so long.'

'She then moved in closer and took a deep breath. Gu Yechen really smelled extremely nice! It wasn't

whereas she had long forgotten what Su Zhiming smelled like by now.'

'Probably dog poop. . .'
