"Why can't I go in? My daughter is inside!"

'Bei Jiawei's face was red with anger as he glared at the worker

"Do you know who I am?"

"Sorry

sir. You cannot enter."

'He Xinyen suppressed a smile at this sight as she wrapped her hand around Gu Yechen's arm who smiled at her intimate action.'

'Bei Jiawei looked over at the sound of He Xinyen's heels clicking against the ground. His eyes brightened at the sight of the two of them

"See! That is my daughter!"

'The worker looked over and bowed down

"Hello

President Gu."

'Gu Yechen looked over at Bei Jiawei with a stern expression

"Didn't Yenyen say we would be going down in a few minutes?"

'Bei Jiawei smiled awkwardly

"I... I wanted to come and get you."

"There is no need for that." Gu Yechen walked over to the worker and looked down at his nemesis.'
