

Return of the Prodigious Son

Jin He Xi

Chapter 1 The 1st wealthy family

In front of the Magic Phantom KTV...

Zhou Tian had just parked the car when he saw his sister-in-law, Li Ruoshi.

This girl was young and beautiful.

Today, she wore light makeup, which made her look more delicate and lovely. ¹

"Ruoshi, hurry up and get in the car. Mom is waiting for you for dinner."

When he got out of the car and opened the door, one of his legs was not working well and he looked very laborious. ³

"Hey, isn't this the brother-in-law of Ruoshi, the lame man? You really deserve to meet him."

"His left foot on land is 160 centimeters, his right foot on land is

170 centimeters, and his average height is 165 centimeters. Heehee..."

"Don't laugh at him. It's not easy to be disabled..."

The several young girls who came out with Li Ruoshi were twittering happily.

Li Ruoshi was so angry that her face turned pale. Every time she met this worthless brother-in-law, she would definitely have trouble! ¹

Wasn't she laughed at by her companions?

"Get in quickly! Didn't I tell you to wait for me across the street?"

Li Ruoshi glared fiercely at Zhou Tian, then got in the car and sat in the back seat.

"I was afraid that it would be unsafe for you to cross the road, so I drove here..."

"Cut the crap! You've brought shame upon me."

"..."

Zhou Tian did not dare to say anything

else and drove away with Li Ruoshi.

He had married into the Li family for more than three years, but his status was not as high as a dog's. Thinking about it, he felt sad.

"Mom, I'm back. Hey, who is she?"

As soon as Li Ruoshi entered the house, she saw a girl about her age. ¹

"Who else could it be? Cripple's sister!"

Zhang Shuyun rolled her eyes at Zhou Tian.

She couldn't take a fancy to this son-in-law who had neither family nor background. ²

"Oh, I'm going back to my room."

Li Ruoshi glanced at Zhou Tian's sister, who was dressed in rustic clothes, and went back to her room. ²

"Sister, why are you here?"

Zhou Tian looked lovingly at Zhou Ling.

"I haven't saved enough tuition fees this semester..."

Zhou Ling rubbed the corner of her clothes and whispered with a red face.

"What's the difference?"

"More than 1,000 is left." 2

"You just need to make a phone call. Why did you come here by yourself..."

While speaking, Zhou Tian stole a glance at Zhang Shuyun. He was afraid that the tigress would get mad at his sister.

Unsurprisingly, Zhang Shuyun's face had turned ugly.

"It's time to ask for food. Don't you feel ashamed?" 1

Zhang Shuyun put her hands on her hips and stared at Zhou Ling.

"Auntie, I will pay the money back to my brother. Please don't be angry."

"What? What are you going to give him? Are you going to sell yourself?"

Zhang Shuyun showed her contempt and smiled coldly.

"Mom, don't say such harsh words. You don't have to pay for it. I have money." 1

Zhou Tian was angry. He could bear to insult him, but he really couldn't control himself when she insulted his sister like this. 1

"You have money? Haha, it's a big joke. You live off my family and live off my money. Where do you get the money from?" 2

"I..."

"Who do you think you are? Did you earn a penny outside of doing laundry and cooking?"

"That damn husband of mine is really stupid to ask you to come in. You should be hard-working. What's the matter with you and you're crippled first!" 2

"It's enough to raise a good-for-nothing like you. Do you still want to raise a good-for-nothing from your family?"

"What a pity that my daughter is a fresh flower. Why did she plant a piece o

f cow dung like you?"

Being scolded by his mother-in-law, Zhou Tian's face was burning and he couldn't say a word. ³

Not long after he married into the Li family, something happened to his left leg. He limped, which made everyone laugh at him.

"Brother, I'll think of a way to pay the tuition fee. I'm leaving now."

Eyes red, she opened the door and left.

"Sister!"

Zhou Tian was so anxious that he didn't know what to do and hurried to chase after her.

Due to the disability of his legs and feet, he fell down the moment he stepped out of the door and hit his forehead hard.

"What a useless thing. Hehe, no wonder your sister came here to borrow money from you, a pair of trash."

Zhang Shuyun folded her arms and

stood at the door, taunting him.

"Who are you talking about?"

Zhou Tian couldn't stand it anymore. He got up and roared.

Zhang Shuyun was shocked. It had been more than three years, but Zhou Tian had always been docile. It was scary that he suddenly became fierce.

But soon she calmed down. "Hey, you want to rebel? If you don't want to stay here, get out of here and make room for good people!"

Zhou Tian bit his lip and left. What was the point of living like a dog?

He was worried about his sister and quickly went downstairs to the street.

He didn't see his sister at all.

Sorrow and sadness welled up in his heart. He sat in a corner where no one was.

His nails dug into the soil and blood flowed out, but he did not feel any pain at all.

Where could he go now that he was thrown out by her mother-in-law? ①

"I'm afraid that life is a problem for a person who has no education, no ability, and is lame."

When he thought of his beautiful wife, Li Ruoxue, Zhou Tian was really reluctant to leave her.

Although Li Ruoxue didn't like him, she didn't let him touch her for more than three years. ①

Despite his grievances, he still had to pay for his sister's tuition fees.

But the few hundred pieces of private savings he had saved were not enough... ①

Sighing, Zhou Tian took out his phone and dialed a number that had been hidden in his heart for ten years. ①

After the call was connected, Zhou Tian only reported his name and location before hanging up.

Two hours later...

A commercial helicopter hovered and

landed. An old man in luxurious clothes ran into an alley with two followers.

"Young Master, it's really Young Master!"

The old man stood respectfully in front of Zhou Tian, so excited that he burst into tears.

The two followers were so shocked that they did not even dare to breathe.

Who would have thought that the poor-looking young man in front of him was actually the young master of the first wealthy family, who had disappeared for ten years!

"Housekeeper Qiu."

"Young Master, your half-brother died of a sudden illness. Your stepmother has no position in the Zhou family, and she won't threaten your safety. Old Master told me to find you. You are the only heir of the Zhou family..." ③

Before housekeeper Qiu could finish, Zhou Tian waved his hand, signaling him not to continue. ①

When he was young, his stepmother wanted to harm him and he had no choice but to escape from the capital. This escape took ten years!

If Zhou Ling's father had not adopted him, he would have been frozen to death.

What was his biological father doing then?

Maybe he was still holding his stepmother and spoiling his brother!

He had to repay his adoptive father's kindness.

Zhou Ling, who had been living under the eaves for several years, had already been regarded as his biological sister.

As for his biological father and the wealthy and powerful Zhou family, Zhou Tian could not eliminate the estrangement in his heart.

"Can you lend me 2,000 yuan? I'm in urgent need."

Zhou Tian thought for a while and

asked the housekeeper Qiu calmly.

Plop!

The housekeeper Qiu was nervous and knelt down in front of Zhou Tian. ¹

"Young master, are you slapping me in the face? You are the only bloodline of the master in the world. It's no problem for you to earn 200 billion yuan!"

"There is fifty million yuan on this card. Old Master had specially ordered me to bring it over so that it will be a sprig on your way home..."

As he spoke, the housekeeper Qiu handed over a black card.

Without hesitation, Zhou Tian took the card and kept it in his pocket.

"Go back and tell my father, don't disturb me. I have a wife here and have my own life."

After saying that, Zhou Tian turned around and hobbled away.

The housekeeper Qiu was so nervous that he could not help shivering. "

Young master, who is so precious, actually... lame?"

"Young Master isn't willing to go back, so I can't explain to the lord." One of the attendants was very worried.

The housekeeper Qiu looked at the back of the departing Zhou Tian and let out a sigh of relief. "It's good to know where the young master is..."

...

After calming down for a while, Zhou Tian went to the city hospital alone.

His leg was not an incurable disease, but he had no money to treat it.

A minor operation could solve the problem of the vein vessel. Now that he had money, these were not problems at all.

After coming out of the hospital, Zhou Tian felt much better.

If one didn't look carefully, they wouldn't be able to tell that he was lame. He would be like a normal person in a few days.

A long-lost smile appeared on Zhou Tian's face. When he thought of his sister, Zhou Ling, he was very worried.

Zhou Ling worked as a waiter in Lijiang seafood restaurant for the entire summer vacation, so he took a taxi and found the restaurant.

As soon as he entered the lobby of the restaurant, he saw a young woman in a business suit with heavy makeup. This woman stood in front of Zhou Ling, looking arrogant.

"Zhou Ling, where did you go just now?"

Peng Na pointed at Zhou Ling's nose and questioned her. She was the restaurant's leader and she had always disliked Zhou Ling.

"Sister Peng, school is starting soon, so I just went to borrow tuition from my brother..."

Zhou Ling was obviously very afraid of Peng Na, so she answered in a low voice.

"Did you ask for leave with me? Are you

going out at will?"

"Sister Peng, I haven't found you, and I can't get through to you."

"You poor wretch. You can't even pay the tuition fees. You still need to borrow money. You really failed to live like this. How dare you go out without telling me? Do you take me seriously?"

Peng Na scolded Zhou Ling, but she felt very happy in her heart.

"Who asked you to be beautiful? All the men have been seduced by you. Hmph, you're the one I'm going to punish."

Seeing Zhou Ling being scolded like this, Zhou Tian quickly walked over. "Watch your mouth. Why are you bullying her?" ³

Peng Na looked at Zhou Tian for a while and saw that he was wearing street stalls. She burst out laughing.

Would such a poor man still want to save a damsel in distress?

"Haha, I like bullying her. Do you have a problem with that?"

Chapter 2 What they said doesn't count

Zhou Ling's eyes were full of tears. She felt so wronged in her heart.

She admitted that she was very poor, but how could she be bullied when she was poor? ²

"Brother, why are you here?"

Zhou Ling forced a smile and came to Zhou Tian. ¹

Looking at her sensible sister, Zhou Tian felt quite upset. ¹

He knew that his sister was working on a holiday to earn tuition fees, but he didn't expect her situation to be like this. ³

"I'm worried about you, so I came here to see you. By the way, I'll give you tuition fees."

Zhou Tian gently smiled at Zhou Ling.

Peng Na, who was beside them, saw

this and felt even more contempt for Zhou Tian.

No wonder he was dressed in such a shabby way. After all, he was Zhou Ling's brother.

"Our restaurant is a high-end restaurant, and not everyone can enter. If you are not here to spend money, you can leave immediately."

Peng Na said as she looked at Zhou Tian with a strange expression.

Zhou Tian glanced at Peng Na. "How do you know that I'm not here to spend money?"

"Haha, why don't you look at yourself in the mirror? You're dressed like a beggar. Can you afford to spend money here?"

Peng Na pursed her lips in disdain and sneered.

Can't afford it?

Zhou Tian found it amusing. There were too many idiots nowadays who judged people based on their

appearance.

"Brother, don't argue with her. You can go now. I'll come to see you when I get off work."

Zhou Ling was afraid that the matter would be blown out of proportion, so she pushed Zhou Tian out.

Zhou Tian looked at his sister's anxious look. He didn't want to embarrass his sister, so he planned to leave first and discuss it after she got off work.

Unexpectedly, Peng Na spoke at this time. "Zhou Ling, you don't have to wait anymore. You can get off work now."

Zhou Ling was stunned. "Sister Peng, it's not the time to get off work yet."

"You don't have to wait until after work. From now on, you don't have to work anymore. You're fired." ①

Peng Na snorted.

Hearing this, Zhou Ling was dumbfounded. It was not easy to find a job. The school would open in a few

days, and she could still make some money these days.

"I think you're just a small leader. What right do you have to expel my sister?"

Zhou Tian asked Peng Na.

"Idiot, do you know who my boyfriend is? If I said to fire your sister, she can't do it here. Do you understand?"

Peng Na was very pleased with herself at the mention of her boyfriend.

"Baby, what are you arguing about? Who is he?"

At this moment, a middle-aged man with a big belly came over.

The man was dressed in a suit and looked fair and clean. He came over and wrapped his arms around Peng Na.

Peng Na immediately became gentle and looked at Sun Cheng with a face full of admiration. "Brother Sun, this bumpkin is Zhou Ling's brother. Hurry up and expel Zhou Ling. I'm getting annoyed when I see her."

"Oh?"

Sun Cheng squinted his eyes, looked at Zhou Tian, and snorted.

Sun Cheng, who could be the manager of the lobby of this restaurant, had seen all kinds of people, so when he saw Zhou Tian's clothes, he despised him from the bottom of his heart. 1

"Didn't Zhou Ling work very hard? Why did you fire her?" 1

Sun Cheng glanced greedily at Zhou Ling. He had long wanted to have Zhou Ling, but he had never had the chance.

Peng Na was unhappy to hear that. "There's not that much of a reason. I just don't like her to show off in front of me."

Sun Cheng didn't say anything. It was a bit unreasonable to fire Zhou Ling with this reason.

Moreover, he hadn't got Zhou Ling yet. Sun Cheng was a little reluctant. 3

Seeing Sun Cheng remain silent, Peng N

a flared up. "Hmph, did you take a fancy to her? As expected, a man doesn't have any good stuff. He likes the new and dislikes the old!"

"No, no, no, haha. Sweetheart, don't be angry! She is nothing. I will fire her now."

Sun Cheng laughed and then said to Zhou Ling, "Go to the Finance Department to get your salary. You can go home."

"Today's salary will be deducted, who let you go out and didn't work, hmph."

Peng Na happily said to Zhou Ling.

Zhou Ling lowered her head and said nothing. She was very sad. 1

Just as she was about to head for the Finance Department, Zhou Tian held her back.

"Sister, don't be sad. What they said doesn't count."

Zhou Ling raised her head in surprise. She found that her brother seemed to be different now.

As for the difference, she could not tell.

After Sun Cheng heard what Zhou Tian said, he couldn't help sneering and said, "What I said doesn't count. Do you have the final say?"

"Haha, you fool is so funny. My brother Sun is the lobby manager, and you think that he doesn't count."

Peng Na laughed so hard that she rocked back and forth. She looked at Zhou Tian as if she was looking at a fool.

"It's okay, brother. You go first. I'll go after I get my salary."

Zhou Ling whispered to Zhou Tian. When she saw Sun Cheng and Peng Na laughing at her brother like this, she felt very distressed.

"They should go."

Zhou Tian said calmly. He took Zhou Ling's arm and didn't let her move.

"All right, all right. Get out of here. You're not welcome here."

Sun Cheng waved his hand at Zhou Tian

impatiently. ①

Zhou Tian ignored Sun Cheng and asked Zhou Ling, "Sister, do you have your boss's phone number?"

"Yes."

Zhou Ling nodded, but she didn't know what Zhou Tian was going to do.

"What, you want to complain to our boss? It's useless. Our boss won't have time to pay attention to trash like you."

Peng Na mocked Zhou Tian.

"Sister, call your boss and tell him to come over now. I want to buy this seafood restaurant."

Zhou Tian said in a deep voice.

"Huh?"

Zhou Ling was stunned, but she still dialed the boss's number. ③

Sun Cheng and Peng Na were both stunned for a moment, but soon they burst out laughing.

"Haha, one more crazy."

"Brother Sun, I'm going to die. I'm going to be teased to death by this fool."

Zhou Tian pretended not to hear and brought Zhou Ling to the restaurant.

In less than a minute, the boss went downstairs. ①

"My surname is Xu. Are you going to buy my restaurant?"

Boss Xu asked Zhou Tian politely.

"Boss, just ignore him. He is mentally ill."

"Yes, boss. Look at how poor he is."

Sun Cheng and Peng Na stood by the side and reminded Boss Xu with an ingratiating look.

After all, Boss Xu had seen much of the world, and he did not underestimate Zhou Tian.

"Sir, my hotel business is very good, so you have to pay at least five million to sell it to you." ①

Boss Xu tested Zhou Tian. ①

In fact, it was only worth three million yuan, but the business in the hotel was really good, so Boss Xu deliberately raised the price a lot.

"Okay, go and prepare the contract. Give me an account, and I'll transfer five million dollars to you now."

Zhou Tian said blandly.

"Okay... okay, sir!"

Boss Xu was so excited that Zhou Tian didn't even bargain the price. He sold it for five million yuan, which was absolutely a sky-high price. ①

He brought Zhou Tian to the Finance Department and soon, five million was already there...

When he returned to the hotel lobby again, Boss Xu still felt like he was dreaming.

He actually sold it for nearly twice the price. It was a huge profit!

Looking at the sloppy clothes of Zhou Tian, Boss Xu sighed in his heart, "Are

rich people nowadays so low-key?"

Sun Cheng and Peng Na were extremely flustered. At first, they thought Zhou Tian was putting on an act, but they never thought that Zhou Tian was serious.

"It's all because I was blind. Now I've made a blunder!" ①

"Sir, I'll pack up and leave. This restaurant is yours."

Satisfied, Boss Xu shook hands with Zhou Tian enthusiastically and then went upstairs to pack up. ①

"Boss..."

Sun Cheng and Peng Na trembled as they came to the front of Zhou Tian and almost knelt down. ①

How could they not be nervous? Zhou Tian was now their new boss.

The two people who were arrogant just now were as obedient as grandchildren in front of Zhou Tian.

"You two can leave now." ③

Zhou Tian smiled coldly and looked at Sun Cheng and Peng Na.

When the two heard this, they felt as if they had been struck by lightning. They never expected such a result.

He had spent five million to buy the restaurant just to fire them. Was he going to be so rich and willful?

"Boss, please show mercy. I still have a wife and a child to raise. I also have housing mortgage. I can't lose my job..."

"Sun Cheng didn't care about his face anymore. He knelt at his feet and begged.

"Boss, please keep me here. I'm willing to do whatever you want me to do." Peng Na shook Zhou Tian's arm, wanting to use the honey trap.

"Shut up! If it weren't for you, I wouldn't have made the boss angry!"

"Sun Cheng, what did you say about me?"

"

"..."

The two of them started fighting in the lobby of the hotel.

Zhou Tian frowned and asked the security guards to drive them out.

"Sister, this restaurant will be yours in the future. You can come and take care of it when you are free."

Zhou Tian looked at his sister gently and said.

Zhou Ling had not recovered from the shock. She murmured, "Brother, why do you have so much money?"

"You'll understand later. I'll go first."

Zhou Tian smiled and then left.

After stopping a taxi, he rushed home.

As soon as they arrived downstairs, they saw a brand-new BMW 7 Series parked there.

Zhou Tian didn't care, but when he thought of his ferocious mother-in-law, he shook his head and went upstairs.

As soon as they entered the room, they saw Zhang Shuyun with a smile on her face. She put a plate of washed fruit in front of a young man.

"Xiaofei, Ruoxue will be off work soon. You can sit for a while. I will chat with you."

Zhang Shuyun greeted Qian Xiaofei affectionately.

Qian Xiaofei, the son of the Qian Group in Beichuan City, had just returned from studying abroad.

He was also one of Li Ruoxue's many pursuers. He had been pursuing her since high school, but he had not been able to reach his goal. 2

This time Qian Xiaofei still had a crush on Li Ruoxue.

What you can't get is always the best.

He also heard that Li Ruoxue had married a lame husband.

In addition to jealousy and unwillingness, he also felt that he had a

chance to steal someone else's woman.

"Okay, aunt, hey, this is..."

Qian Xiaofei was taken aback when he saw Zhou Tian walking in.

"Hmph, he's that lame husband of Ruoxue."

Zhang Shuyun glared at Zhou Tian angrily. "Didn't you say you'd get out of here? How dare you come back?"

"Haha, he is Ruoxue's husband. I can imagine what kind of life she has been living these years."

Qian Xiaofei smiled playfully. Seeing Zhou Tian dressed so old-fashioned, he despised him in his heart.

How could such a poor guy deserve to have Li Ruoxue?

Zhou Tian did not speak. He glanced at Qian Xiaofei calmly before walking back to his room. ¹

"Why don't you greet the guests? You are so uneducated! Hey, why can you walk so fast?"

Zhang Shuyun was extremely surprised. She wondered why this cripple had suddenly recovered.

"Mom, I'm back."

Just then, the door opened and a beautiful woman with long legs walked into the living room. She had a sweet face and a graceful figure.

As soon as the woman entered the door, Zhou Tian's eyes softened and he stopped.

When Qian Xiaofei saw this woman, his soul nearly left his body. He stood up in a gentlemanly manner and walked up to her with flowers in his hands.

Chapter 3 You're Proud, aren't You? 1

"Ruoxue, you're finally back. I've been waiting for you for half a day."

Qian Xiaofei tried his best to suppress the agitation in his heart and presented the roses in a decent manner. 1

It was Li Ruoxue who came back from work, but she didn't expect that the fly would come.

When she was in high school, she had been harassed by Qian Xiaofei. At this time, Qian Xiaofei came to visit her, which made Li Ruoxue feel as if she was haunted.

Glancing at Zhou Tian, Li Ruoxue couldn't help but feel sad.

As long as her man could be a little more promising, Qian Xiaofei would not be so arrogant. 2

"Yes."

Li Ruoxue just nodded, but did not receive the flowers.

"Hehe, Xiaofei, there's something wrong with her work recently, so she's in a bad mood." 2

Zhang Shuyun, who was standing by the side, saw that something was wrong and hurried over to mediate the dispute.

"Really? You can tell me if you have any questions. I'm not bragging. There is nothing I can't solve in Beichuan City."

Qian Xiaofei was very confident and patted his chest to promise.

His father was rich, powerful, and had a wide network of connections. He was very popular in Beichuan City.

As for Li Ruoxue not accepting his roses, it was nothing. He had plenty of patience.

Zhang Shuyun laughed after hearing that. "Yes, yes, I believe it! You don't like some good-for-nothings who can only stare at each other when they encounter big or small problems." 1

Zhang Shuyun glanced at Zhou Tian

with disdain.

Zhou Tian remained silent. His mother-in-law had looked down on him for a long time and he had gotten used to it.

Li Ruoxue felt uncomfortable seeing her mother belittle Zhou Tian in front of outsiders.

Even if he was crippled, he was still her nominal husband.

"Mom, I'm tired. I'm going to go back to my room to rest."

As she said that, Li Ruoxue glanced at Zhou Tian and motioned him to enter the room and stop embarrassing himself here.

"Xiaofei, don't take it to heart. Recently, her boss has been finding faults with her, so..."

"Mom!"

Before Zhang Shuyun finished her words, Li Ruoxue stopped her.

"Oh, it turns out to be such a small thing. I'll ask the boss of Ruoxue to

have dinner later so that he won't find faults with Ruoxue in the future."

Qian Xiaofei smiled faintly.

"Great, Xiaofei. Thank you in advance."

Zhang Shuyun beamed with joy and was convinced by Qian Xiaofei's words.

"It's just a piece of cake. Auntie, you're too polite."

"Let's go downstairs."

Li Ruoxue tugged at the corner of Zhou Tian's clothes.

Zhou Tian was taken aback.

He had been married for three years, but his wife didn't even bother to talk to him. Did the sun rise from the west today?

But soon he understood that Li Ruoxue hated Qian Xiaofei and just wanted to find a chance to go out.

"Okay."

Zhou Tian smiled gently at Li Ruoxue.

"What's so good about? Go out by

yourself. Don't come back before dark. I'll stay at home with the guests."

Zhang Shuyun glared at Zhou Tian. ①

"Auntie, Ruoxue's husband's leg is cured. Why don't I find him a job? He's a man and doesn't earn a penny. It's outrageous for him to rely on his wife to work hard outside."

Qian Xiaofei said.

Li Ruoxue was very surprised to hear that. Zhou Tian's leg was cured?

"Xiaofei, you're right. You can't let my daughter raise him for nothing."

Zhang Shuyun kept nodding and agreed with Qian Xiaofei's words.

"Okay, then. Huanyu International Human Resource Manager is my good friend. Why don't we take him there now?"

Qian Xiaofei asked Zhang Shuyun tentatively.

He already had a plan to humiliate Zhou Tian in front of Li Ruoxue and Zhang

Shuyun.

He wanted to let Li Ruoxue know how coward the husband she chose was.

It was wise to throw herself into his arms!

"Okay, Xiaofei. I'll go to get changed."

Zhang Shuyun was very satisfied with it and nodded repeatedly.

"Mom, I can find my own job. I don't need his help."

Zhou Tian said.

Zhang Shuyun immediately pulled a long face. "The Oldest Child of the Qian Family is kind enough to help you find a job, but you don't appreciate it?"

"I can find it myself."

"What the hell can you find? Come with me now, or you will never come back to this home."

Zhang Shuyun glared at Zhou Tian angrily.

Zhou Tian looked helplessly at his wife

beside him.

Li Ruoxue did not say anything, as she acquiesced to her mother's proposal.

She also hoped that Zhou Tian could work like other people's husbands, so as not to be laughed at for being a cripple.

"Mom, are you going to Huanyu International? I also want to broaden my horizon. That is a star company in our city!"

At this time, Li Ruoshi came out of the room and said happily.

Zhou Tian had no choice. Her mother-in-law could do whatever she wanted. He would really be kicked out if he continued to be stubborn.

The family of four boarded Qian Xiaofei's BMW and headed for Huanyu International.

Zhang Shuyun was envious of the spacious and comfortable luxury car.

She even wanted to drive Zhou Tian out of her home and find a rich son-in-law like Qian Xiaofei.

Ten minutes later, in Huanyu International.

As soon as they entered the company, a hot beauty paid attention to Zhou Tian.

After carefully looking at Zhou Tian several times, the beautiful woman's expression changed. She ran into the chairman's office with the documents in her arms.

"Chairman! The young man you asked me to keep an eye on has come to our company!"

This beauty was the assistant of Chairman Miao Pengju, Liu Yue'er.

When she saw Zhou Tian, she was both surprised and delighted. She quickly reported it to Miao Pengju.

"Really?!"

Miao Pengju rose to his feet in excitement.

He was nominally the chairman of Huanyu International, but he was just a pawn of the Zhou family.

In fact, this company belonged to the Zhou family.

When Zhou Tian met with the housekeeper Qiu, one of his followers secretly took a photo of Zhou Tian using his mobile phone.

Just a moment ago, the housekeeper Qiu uploaded a photo of Zhou Tian to Miao Pengju.

He ordered Miao Pengju to take good care of this handsome young master.

How could Miao Pengju stand it? The young master was here. This was his best chance to show off!

"Where is he?"

"It's in the personnel department." ¹

"Quick!"

Miao Pengju waved his hand and rushed out with Liu Yue'er.

...

In the Human Resource Manager's office.

"Jiang Wei, this is my good friend's husband. Can you arrange a job for him?"

Qian Xiaofei crossed his legs and pointed to Zhou Tian behind him, asking the personnel manager, Jiang Wei.

Facing the Oldest Child of the Qian Family, Jiang Wei did not dare to neglect him. "Young Master Qian, you know how many people are trying to squeeze their way into Huanyu. There is really no position now." 1

"Didn't you say you need a cleaner?"

Qian Xiaofei smiled and winked at Jiang Wei.

Jiang Wei was a clever man and immediately understood Qian Xiaofei's intention.

The Oldest Child of the Qian Family wanted to kowtow to the husband of this beautiful woman. Was he going to use hoes to poach her?

She was indeed the most beautiful

woman in the world... 1

After glancing at Li Ruoxue, Jiang Wei felt an imbalance in his heart.

"It's unreasonable to marry such a beautiful wife!"

"Haha, I do need a cleaner, but he needs to sweep the toilet. Is your friend's husband, qualified?"

Jiang Wei looked mockingly at Zhou Tian.

Hearing this, Li Ruoxue frowned slightly and her face was burning.

However, Zhou Tian's indifferent expression chilled her heart.

She hated her man for being so useless.

They are going to send you to clean the toilet, why are you still indifferent?

Is the cleaner the work of a man? They are clearly humiliating you!

Are you a man or not?

"Aunt, what do you think? It's very difficult to enter Huanyu International.

"

Qian Xiaofei asked Zhang Shuyun with a very awkward expression.

Zhang Shuyun didn't think it ok either, but she still said, "He doesn't have much ability. It's good for him to earn some money. It's better than staying at home and making the neighbors laugh at him."

"Hey, to be a cleaner, can you do it? Can't you clean up at home?"

Zhang Shuyun asked Zhou Tian impatiently.

"Your son-in-law is a cleaner. You have a lot of face, don't you?"

Zhou Tian said.

"You..."

Zhang Shuyun was stunned and was speechless for a moment.

"Some people are just thick-skinned. Anyway, he has a wife to support him. Of course, he won't make any progress."

Qian Xiaofei leaned back in his chair

and said, "You're just selfish. You don't care about your wife. If I were you, I would do anything to ease Ruoxue's burden."

"Yeah, don't be so ambitious. In Huanyu International, even if you are a cleaner, you still have a promising future. As for the treatment, for the sake of the First Young Master Qian, you can get an extra 500 yuan. How about the monthly salary of 3,000 yuan?"
" 1

Jiang Wei looked at Zhou Tian with a sneer. "You have to thank the First Young Master Qian and your wife. Otherwise, you can't even sweep the toilet..."

"Jiang Wei! How dare you!" 1

At this moment, a deep voice of a middle-aged man was heard.

Then, the half-closed door was kicked open.

Chapter 4 Apologize to This man ①

"Chairman, why, why are you here..."

Seeing the furious Miao Pengju at the door, Jiang Wei was shocked and quickly stood up. ①

"The Huanyu International is your home. I can't come, can I?"

Miao Pengju raised his face and glared at Jiang Wei.

"No, no, no. Chairman, listen to me. That's not what I meant..."

Jiang Wei was so scared that his face turned pale. He didn't understand why the chairman was so angry. ①

What do you mean? This gentleman is here to apply, right? What was your attitude toward work just now?

Miao Pengju raised his voice and questioned Jiang Wei, then approached Zhou Tian.

This was the young master of the Zhou

family!

My God, are you here to experience the life of the bottom class? You look too ordinary in clothes...

Miao Pengju raised his eyebrows in wonderment.

"I'm sorry, Chairman. My bad attitude was bad just now..."

Jiang Wei wiped away his cold sweat and did not even dare to breathe.

Miao Pengju really wanted to beat Jiang Wei up. You idiot! Don't hurt me if you want to die! ¹

If Young Master gets angry, I'll have to pack my things and go home to feed my children!

Miao Pengju finally heaved a sigh of relief when he saw Zhou Tian's indifferent expression.

He wanted to bow to Zhou Tian, but the housekeeper Qiu had already told him that the young master didn't want to be disturbed, so he couldn't reveal his identity. ²

"Sir, my subordinate is immature.
Please don't take it to heart."

Miao Pengju raised his face and smiled like a steamed bun. He bent down and said to Zhou Tian.

All of a sudden, everyone present was dumbfounded.

Who is Miao Pengju?

He was the chairman of Huanyu International Company. How could he bow in front of Zhou Tian... 1

Zhou Tian was also stunned. He didn't know why Miao Pengju would do him such a favor.

Miao Pengju panicked when he saw that Zhou Tian hadn't spoken.

"Come here and apologize to this gentleman!"

Miao Pengju pointed at Jiang Wei and shouted.

What?

"Apologize to this guy?"

Jiang Wei was extremely reluctant. After all, he was a manager. How could an important person like him apologize to this hung-back guy? ①

"Chairman, this is not necessary."

Jiang Wei said nervously.

"Cut the crap! If you don't want to fight with this manager, just say it!"

Miao Pengju was completely furious.

Jiang Wei immediately wilted and hurried to Zhou Tian. ①

"Sir, I'm sorry. I spoke to you the wrong way just now." ①

Zhou Tian was too lazy to look at Jiang Wei. He fixed his eyes on Miao Pengju, wondering what Miao Pengju was up to.

Miao Pengju's heart skipped a beat when he saw Zhou Tian staring at him.

It seemed that the young master did not accept the apology!

Young Master, what do you mean by looking at me?

I understand. Young Master wants me to do whatever I want to do!

"Jiang Wei, you're fired."

Miao Pengju waved at Jiang Wei, indicating that he could get the hell out of here.

Jiang Wei almost collapsed to the ground, completely dumbfounded.

The staff treatment in Huanyu International was the best in the city. Losing this job was a big blow to Jiang Wei.

Miao Pengju had always been a man of his word. Jiang Wei knew that it was useless even to ask his grandparents for help.

Qian Xiaofei, which god did you bring here? You made me lose my job.

Jiang Wei was overwhelmed with regret. He cursed Qian Xiaofei in his heart and left the office.

Qian Xiaofei was also a little dumbfounded. He wanted to insult

Zhou Tian in front of Li Ruoxue and Zhang Shuyun, but Zhou Tian succeeded in acting cool and even framed Jiang Wei.

"Uncle Miao, I don't think you're going to dismiss Jiang Wei because of such a trivial matter."

Qian Xiaofei looked calm on the surface, but he was very weak in his heart.

Even his father could not defeat Miao Pengju, let alone him.

"Qian Xiaofei, do I still need you to teach me how to do things?"

Miao Pengju sneered, completely disregarding Qian Xiaofei.

"I..."

Qian Xiaofei was unhappy, but he did not dare to be presumptuous in front of Miao Pengju.

"Sir, you see... Are you satisfied with this?"

Miao Pengju smiled and asked Zhou

Tian respectfully.

"Yes."

Zhou Tian's face was calm. He just grunted assent.

But for Miao Pengju, it was undoubtedly a reassurance. As long as the young master didn't blame him.

Zhang Shuyun was stunned. She couldn't understand why a big shot like Miao Pengju would think so highly of her useless son-in-law.

Li Ruoxue was also surprised and looked at Zhou Tian with her beautiful eyes.

Li Ruoshi was even more confused. "How could he, such a loser brother-in-law, have such great honor?"

"It's good that you are satisfied, it's good that you are satisfied, hehe..."

Miao Pengju raised his hand and rubbed it excitedly.

"Sir, what job do you want to apply for?"

"

At this moment, Liu Yue'er twisted her waist and walked to Zhou Tian, asking softly. ①

This woman was very good at seizing opportunities. She knew that Zhou Tian was a top rich second generation. If Zhou Tian fell in love with her, she would be rich.

"Haha, as long as I don't sweep the toilet."

Zhou Tian smiled faintly.

"What are you talking about? You're so dignified that it's not too much to be a manager."

Liu Yue'er looked at Zhou Tian with her seductive eyes and then asked Miao Pengju, "Is that true, chairman?"

"Yes, yes, the personnel manager is available. Would you like to be a manager for the time being?"

Miao Pengju raised his hand and asked Zhou Tian nervously. He always believed that Zhou Tian was just bored and came to apply for a job.

"My God, Manager?"

Zhang Shuyun couldn't help getting excited and looked at Chairman Miao in disbelief.

One must know that her daughter, Li Ruoxue, was only at the manager level.

Miao Pengju saw the situation and misunderstood. He thought Zhang Shuyun was not satisfied and quickly said, "It's a waste of talent to let this gentleman be the manager. Would you like to be the general manager?"

"General Manager!?"

This time, it was Zhang Shuyun and her two daughters who exclaimed in unison.

Miao Pengju was sweating profusely, but the young master didn't say anything. What should he do?

"How about I quit my job and let this gentleman be the chairman?"

Miao Pengju looked bitter and discussed it with Zhang Shuyun.

Zhang Shuyun's eyes widened. "

Chairman, did you take the wrong medicine..."

"Sister, what you said is true."

Miao Pengju grinned wryly.

Zhang Shuyun almost fell down after hearing that. She really doubted that Miao Pengju might be crazy.

"Well, you know such a big chairman! Have you colluded with him and flattered yourself?"

Zhang Shuyun turned around and asked Zhou Tian with a sneer.

"Mom, I really don't know him."

Zhou Tian shook his head.

"Okay, okay, you also learned to lie. I'll interrogate you when we get home."

Zhang Shuyun snorted.

"Hey, it's too much nonsense to be the chairman. You should have no problem getting a general manager, hee hee."

At this time, Li Ruoshi whispered to Zhou Tian.

"Don't talk nonsense. I'm just kidding."

Zhou Tian said to Li Ruoshi.

Li Ruoxue didn't say anything. She had a lot of questions to ask Zhou Tian.

"Sir, what do you think..."

Miao Pengju stood there anxiously, sweating. He was waiting for instructions from Zhou Tian.

Zhou Tian saw it and understood what was going on.

It was highly likely that Miao Pengju had already known his identity, otherwise, he would not have done that.

"I'll think about it when I get home."

Zhou Tian said to Miao Pengju flatly.

"Well, I'll wait here for you at any time. This is my business card. Call me if you need anything."

Miao Pengju took out a business card and respectfully handed it to Zhou Tian.

"And mine."

Liu Yue'er also took out her business card and stuffed it into Zhou Tian's hand.

"Don't forget to call me."

Liu Yue'er said to Zhou Tian in a mocking voice.

"Let's go home."

Li Ruoxue glared at Liu Yue'er and dragged Zhou Tian out.

Miao Pengju took Liu Yue'er to the outside of the company and watched from a distance.

From beginning to end, Miao Pengju did not even look at Qian Xiaofei.

Qian Xiaofei was so angry that his teeth were itchy. He felt embarrassed.

He wondered what was wrong with Miao Pengju today and why he held Zhou Tian so high!

"Auntie, Ruoxue, get in the car quickly. I'll take you back."

Qian Xiaofei squeezed out a smile and

said courteously.

"No, thanks. Let's take a taxi home."

Li Ruoxue said coldly, and then reached out to stop a taxi.

"Ruoxue, if your boss wants to make things difficult for you again, just tell me, I can handle it."

Qian Xiaofei said to Li Ruoxue.

Li Ruoxue pretended not to hear and got in the car with Zhou Tian.

As the taxi drove away, Qian Xiaofei spat fiercely. "Bah! Bitch, don't pretend to be cold. I'll make you kneel on the ground and sing 'Conquest' in a few days!"

...

After arriving home, Zhou Tian was about to return to his room when Zhang Shuyun called out to him. ¹

"Zhou Tian, let me ask you, how did you get to know Huanyu International's Chairman?"

"Mom, I really don't know him."

"I don't believe it. If you don't know him, why should he expel Manager Jiang because of you?"

Zhang Shuyun stared at Zhou Tian as if interrogating a prisoner.

"Believe it or not."

Zhou Tian spread his hands and was too lazy to explain. He turned around and returned to his room. ¹

"What kind of attitude is that!"

Zhang Shuyun stamped her feet in anger.

"Mom, how could he know the chairman? He probably fired Manager Jiang just to maintain the image of the company."

Li Ruoshi snorted contemptuously.

"Then how can you explain that Chairman Miao let him be the general manager and give the position of chairman to him?"

Zhang Shuyun asked Li Ruoshi with confusion. ¹

"That's just his humor. He was just teasing this trash, hee hee."

Li Ruoshi said with a smile.

"Oh."

Zhang Shuyun nodded as if she had suddenly realized something.

"Ruoshi, he is your brother-in-law. Don't call him trash anymore."

Li Ruoxue said to Li Ruoshi.

"Ok."

Li Ruoshi looked indifferent, lying on the sofa and playing with her mobile phone.

Li Ruoxue sighed softly and entered her and Zhou Tian's room.

The bedroom was spacious, with a big bed in the middle and a small bed in the corner.

Zhou Tian was lying on the small bed. He had been married to Li Ruoxue for more than three years, and the big bed was his forbidden area.

"Zhou Tian, I find that I can't understand you more and more." ①

Li Ruoxue walked to Zhou Tian.

"Why can't you understand?"

Zhou Tian smiled nonchalantly and sat up.

"I can see that Miao Pengju is so humble in front of you. He is not pretending because his hands were shaking at that time!"

"Miao Pengju played an important role in Beichuan City. Why is he so afraid of you?"

"Your family is poor, and you don't have any ability. Why on earth is he doing this?"

Li Ruoxue was very confused and asked Zhou Tian.

"Ruoxue, it's the first time you've said so much to me in the past three years." ①

Zhou Tian looked at Li Ruoxue's beautiful face.

Li Ruoxue was stunned and inexplicably felt a little guilty.

She had rarely seen the man she disliked for three years like she did now.

The woman's intuition told her that this man still liked her very much.

And she had not fulfilled her duty as a wife for the past three years.

"I'll talk to you more in the future."

Li Ruoxue looked out of the window and whispered.

When Zhou Tian heard this, he could not help but be moved.

"Ruoxue, in fact, I am not poor at all, and I am not a good-for-nothing! Your husband is very rich, you don't have to be ashamed because of these..."

"What?"

Li Ruoxue was stunned.

But soon, a trace of annoyance appeared in her eyes.

"Zhou Tian, stop bragging in front of m

e, okay? This will only make me look down on you!"

Chapter 5 So Shameless 1

Boasting?

Zhou Tian's eyes flickered a few times before he swallowed his words.

His poor image had been deeply rooted. Even if he told the truth, no one would believe it.

Seeing that Zhou Tian stopped talking, Li Ruoxue firmly believed her judgment.

She simply ignored Zhou Tian and went back to her bed to rest.

A night of silence.

Early the next morning, Zhou Tian and Li Ruoxue went out together.

Every day when Li Ruoxue got off work, Zhou Tian would drive to and from school every day.

"Be careful."

At the entrance of the company, Li Ruoxue got out of the car and said something.

"Okay."

Zhou Tian answered.

Just as he was about to drive away, she saw a red Audi approaching and parking at the company's entrance.

A short-haired woman in her thirties got out of the car. She was dressed in a business suit and looked shrewd and capable.

"You are good, Li Ruoxue. You are better than me day by day, and you have a full-time driver!"

The short-haired woman sneered and said to Li Ruoxue in a strange tone.

Li Ruoxue couldn't help but have a headache. This short-haired woman was her immediate supervisor, vice president of marketing department Zhang Yali.

"Mrs. Zhang, my husband sent me here, not a driver."

Li Ruoxue said.

Zhang Yali felt uncomfortable when she

saw Li Ruoxue.

Because Li Ruoxue was so beautiful and had such a good figure, Zhang Yali was very jealous.

"Haha, I thought you hooked up with some random man again. It was your useless husband who made a fuss for a long time."

Zhang Yali sneered and glanced at Zhou Tian in the car.

He heard it clearly in the car and was speechless.

Even the people in Ruo Xue's company called him a good-for-nothing. He could do nothing.

"Zhang Yali, please speak with some respect!"

Li Ruoxue said loudly.

"Oh, are you kidding me? I'm your superior. Do I need to respect you?"

Zhang Yali looked at Li Ruoxue angrily.

Li Ruoxue was so angry that her heart trembled. She opened her mouth, but

finally held it back.

She knew that Zhang Yali deliberately made things difficult for her. This woman had long disliked her and wanted to drive her out of the company.

If she confronted Zhang Yali head-on, she would lose her job.

"If you dare to bully my wife again, you will regret it."

At this time, Zhou Tian got out of the car and stared at Zhang Yali.

"Haha, it's so funny. How can a loser like you stand up for his wife?"

Zhang Yali pursed her lips and looked at Li Ruoxue with a smile. "Li Ruoxue, your husband is so rude. Won't you teach him a lesson? Don't bring him out to shame in the future." ①

After that, she twisted her waist and entered the company.

Li Ruoxue took a deep breath and adjusted her mood. ①

She was touched by the fact that Zhou

Tian had stood up for her just now.

No matter how unbearable this man was, at least he still had her in his heart.

"It's all right. You can go back."

Li Ruoxue looked at Zhou Tian.

"Why don't you quit this job? Don't be bullied by this bitch."

Zhou Tian said.

"Haha."

Li Ruoxue smiled bitterly. "If you don't earn any money, and I resign, will our family live a good life?"

After saying this, she raised her pretty face and looked at Zhou Tian.

However, Zhou Tian saw clearly that Li Ruoxue's eyes were full of tears. She raised her face to prevent tears from flowing out.

Seeing Li Ruoxue turn around and walk into the company, Zhou Tian could not help but feel sorry for her.

"It's been hard for my wife these years..."

"

At the thought of Li Ruoxue being bullied in the company, Zhou Tian couldn't help but fly into a rage.

He took out his mobile phone and dialed Miao Pengju's number.

"Hello, it's me, Zhou Tian."

"It's Young Master. You finally called me."

Miao Pengju's excited voice came from the other end of the phone.

Zhou Tian's heart skipped a beat. As expected, Miao Pengju had already known his identity.

"You know everything?"

"Yes, young master, the housekeeper Qiu has already told us. In fact, Huanyu International is your family's property, and I'm just your slave..."

This...

Zhou Tian was very surprised.

"Well, in that case, do me a favor."

"Young Master, please go ahead."

"Do you know Yuanda Company?"
asked Zhou Tian.

"I know. It's just a small company. Did the company offend you? Don't worry, young master. We can bankrupt the company in minutes!"

Miao Pengju said in a domineering manner.

"I don't think so. My wife works in this company, and her boss is called Zhang Yali. This woman is very annoying. You should think of a way to warn her not to bully my wife in the future."

"No problem, I'll call Boss of Yuanda right now."

Miao Pengju said without hesitation.

After hanging up the phone, he felt much relieved.

"If Miao Pengju makes a move, there will be no problem. My wife won't be bullied by that woman anymore."

Thinking of this, Zhou Tian got in the

car and drove home.

Suddenly, a familiar BMW by the side of the road came into view.

Wasn't this Qian Xiaofei's car?

Zhou Tian had an idea and stopped the car.

There was a gold shop nearby. Zhou Tian spotted Qian Xiaofei through the glass door.

Thinking of Qian Xiaofei's bad intentions toward Li Ruoxue, Zhou Tian was not happy.

What shocked Zhou Tian even more was the fact that the woman beside Qian Xiaofei was Zhang Shuyun, his mother-in-law!

At this time, Zhang Shuyun was lying on the counter, pointing to the various jewelry in the counter and communicating with the shop assistant.

Immediately, Zhou Tian came to an understanding.

"Is Qian Xiaofei really scheming to buy

jewelry to please Zhang Shuyun?" ①

Zhou Tian could no longer remain calm and quietly got out of the car and walked into the store. ①

The gold shop was quite popular, with a lot of customers. Zhou Tian hid behind several customers and watched them secretly.

"Auntie, this golden jade bracelet is not bad. It matches your temperament perfectly."

Qian Xiaofei flattered Zhang Shuyun with a smile.

Zhang Shuyun was very happy to hear that. She tried on the bracelet and loved it so much that she couldn't put it down.

"Xiaofei, the bracelet is indeed good, but it's too expensive. It is 8,800."

Zhang Shuyun said.

"Haha, these are all small sums of money. As long as Auntie likes it, we can buy it."

"Thank you."

Zhang Shuyun was so happy that she couldn't close her mouth. "Ah, you're really sensible and filial. If only Ruoxue could marry you!" 1

"Auntie, I am willing to wait! As long as Ruoxue is willing to change her mind and divorce Zhou Tian, I will immediately marry her!"

Qian Xiaofei made a solemn vow.

Zhang Shuyun's heart skipped a beat. She thought to herself that Qian Xiaofei was a hundred times stronger than that useless Zhou Tian. He didn't even blink at buying her an 88,00 bracelet, where could she find such a good son-in-law? 3

"Okay! I'll persuade Ruoxue later."

Zhou Tian was furious as he listened on the side.

Mother-in-law, mother-in-law. If you knew that my family had trillions of assets and that I was the richest man, would you still say that?

"By the way, Ruoxue called me just now and said that her boss has apologized to

her and promised not to trouble her anymore! I can tell that Ruoxue is very happy." ①

Zhang Shuyun enjoyed a thousand-legged golden diamond necklace at the counter and absent-mindedly said to Qian Xiaofei. ①

"Is that so?"

Qian Xiaofei was very surprised.

He had promised to help Li Ruoxue solve this problem, but he didn't know who Li Ruoxue's boss was. He was not sure if he could do it.

"I have to thank you! When she gets off work, I asked her to invite you out for dinner. I'd like to thank you alone."

Zhang Shuyun smiled kindly and winked at Qian Xiaofei, indicating that he should seize the opportunity.

Qian Xiaofei was so excited that he was waiting for this opportunity!

"Auntie, you're too polite. I love her so much, so I should help her."

Qian Xiaofei's face was neither red nor pale. He went along with the flow and took all the credit.

Zhou Tian was disgusted by Qian Xiaofei's shamelessness.

He held his breath and tried to hear what they were talking about behind his back.

"Xiaofei, do you think I look good wearing this necklace?"

Zhang Shuyun couldn't help but point at the diamond gold necklace at the counter.

When Qian Xiaofei saw the price, his head started to ache.

This diamond necklace cost 86,000 yuan!

Although his family ran a company, his monthly allowance was only about 20,000 yuan. He was still very sad to buy something that cost more than 80,000 yuan. ①

"Auntie, about this..."

Qian Xiaofei looked embarrassed.

Zhang Shuyun saw Qian Xiaofei's hesitation and quickly smiled. "Hehe, you've already bought a bracelet for Auntie. It's over 8,000 yuan! Hmph, unlike my useless son-in-law, I'm afraid he won't even be able to afford 8 8 yuan!" ¹

"I was just asking. You don't have to buy it. This necklace is too expensive."

Zhou Tian couldn't bear to listen anymore, so he came over at this time.

Zhou Tian looked at the astonished Qian Xiaofei and said, "It's only eighty thousand. It's not that expensive. If you can't even afford it, why are you still pretending to be rich?"

Chapter 6 Who says I can't afford it? 1

"It's you?"

Qian Xiaofei was alarmed as he looked at Zhou Tian in front of him.

"Yes, it's me."

Zhou Tian looked at Qian Xiaofei.

For Qian Xiaofei, Zhou Tian was really annoyed.

This guy had already violated the bottom line of Zhou Tian when he had an eye for Li Ruoxue.

What's more, just now, Qian Xiaofei shamelessly took the credit as his own. He was really thick-skinned.

"Haha, there are so many strange things nowadays. You dare to enter the gold shop. Can you afford it in this place?"

Qian Xiaofei looked at Zhou Tian with contempt. He found it too funny.

People like Zhou Tian shouldn't have

appeared here.

"That's right. You can't afford it. What are you doing here?"

Zhang Shuyun stared at Zhou Tian and asked.

Couldn't afford it?

Zhou Tian sneered in his heart.

The female clerk, who had been introducing to Zhang Shuyun, looked at Zhou Tian's rustic figure and pouted.

The more poor he was, the more pretentious he was to hide his inferiority.

He dared to say that a necklace of more than 80,000 yuan was not very expensive, and that bragging could not get taxes.

"Sir, please don't interfere with our customers' selection."

The female clerk looked at Zhou Tian with disdain. Although she said it politely, she looked down upon him in her heart.

"Do you hear me? If you can't afford it, get out of my way. Don't disturb Auntie and I from selecting jewelry."

Qian Xiaofei also took the opportunity to mock him.

Zhou Tian ignored Qian Xiaofei and said to the clerk, "What's the most expensive accessory in the counter?"

The female clerk despised him even more in her heart. She had seen a lot of such pretentious people, but they always looked at them but didn't buy them. It was the most annoying.

"This is the diamond necklace. It's an Italian necklace. The price is 86,000 yuan."

The female clerk introduced them impatiently.

"It's very beautiful. Wear it. I'll buy this necklace."

Zhou Tian said in a bland tone.

What?

The female clerk really suspected that

she had misheard. After selling the jewelry for more than a year, it was the first time that she had seen such a brisk customer!

Purchasing such expensive accessories is as easy as buying a cabbage in the market...

It seemed that she had made a mistake just now. This was a real rich man.

The female clerk was excited. The commission of more than 80,000 yuan on the necklace was not small.

"Sir, you have good taste. This necklace is the best choice to send your lover to express your true love!"

The female clerk's eyes lit up, and she was glad to see Zhou Tian.

Zhou Tian's heart stirred when he heard that.

He had been married to Li Ruoxue for more than three years, but he had never given her a gift.

It was time to make up for it.

"Hey, don't lose face here. If you can afford this necklace, I'll slap myself."

Qian Xiaofei snickered at Zhou Tian.

Zhou Tian glanced at Qian Xiaofei. "I'll let your dream come true."

"Did you forget to take medicine when you went out? What kind of tricks are you playing here!"

Zhang Shuyun was very angry and scolded Zhou Tian.

"What's wrong with me?"

"What's wrong with you? You can't afford it, but you have to pretend to be rich! Don't you waste the time of the shop assistant?"

Zhang Shuyun said angrily.

"Haha, I'm not poor."

Zhou Tian smiled.

Seeing that Zhou Tian still dared to talk back, Zhang Shuyun became angrier.

"Don't say that you can't afford it. Even if you really gave me a diamond

necklace, don't let me think too highly of you. Don't waste your efforts, hmph!" 1

Zhang Shuyun crossed her arms and mocked Zhou Tian.

Zhou Tian felt a chill in his heart as he listened. How much did Zhang Shuyun hate him?!

"You think too much. This necklace is not for you."

Zhou Tian ignored Zhang Shuyun and went straight to the cashier.

"You!"

Zhang Shuyun was so angry that she almost jumped up. She thought that Zhou Tian was trying to please her. She was self-sentimental after making a fuss for a long time.

Seeing Zhang Shuyun being bullied, the people around couldn't help laughing.

Zhang Shuyun blushed with shame and annoyance.

"Hehe, Auntie, don't be angry. Let's see how long he can pretend for."

Qian Xiaofei laughed.

"Yes!"

Zhang Shuyun nodded. She was also in high spirits. She wanted to see how embarrassing it would be when she paid the bill. ¹

"Sir, would you like to swipe the card or cash?"

The cashier asked Zhou Tian.

"Swipe the card."

Zhou Tian handed over the black card of the housekeeper Qiu to the cashier.

The cashier looked at the card curiously and was stunned.

Because she had never seen such a strange bank card before.

"Sir, please enter the password." ¹

Said the cashier.

Zhou Tian entered the password, but the message on the screen showed that the payment had failed.

What was going on?

Zhou Tian's heart tightened.

"Sir, your card is too fragile. This is a useless card."

The cashier rolled her eyes at him angrily, thinking that this guy was indeed pretending to be have money. 1

"Oh, it's possible."

Zhou Tian nodded. It was not a big deal. He would go to the bank to get a new card and transfer the money.

"Haha, I laughed so hard that my stomach hurt. Where did you pick up the toy card in the trash can?"

Qian Xiaofei covered his stomach and burst out laughing.

Zhang Shuyun was not surprised at all. She knew very well what her son-in-law was capable of.

The female clerk glared at Zhou Tian, and her face darkened.

She thought that she would have a good

time with a big customer.

"Guards, kick this troublemaker out!"

The female clerk pointed at Zhou Tian and shouted.

A security guard at the door had already walked towards the day. 1

"Let's go, Auntie. Otherwise, we'll have to clean his butt later."

Qian Xiaofei said happily.

"Let's go."

Zhang Shuyun agreed and left the jewelry shop with Qian Xiaofei.

She didn't want to lose face with Zhou Tian. Even if Zhou Tian was beaten by security, it had nothing to do with her. 1

"Why do you want to buy it when you don't have money? Isn't it good to stay at home? What are you doing out here?"

The female clerk took the security guards to the front of Zhou Tian and was about to drive him away.

"I didn't cause any trouble. I'm just

stuck in my magnetic state."

Zhou Tian was also helpless. The credit card was still disappointing at the critical moment.

"It's not a bank card at all. Which bank card is it?"

The female clerk took the card from Zhou Tian's hand and said angrily.

"What's going on?"

At this moment, a middle-aged man came out.

"Boss, this person bought a necklace and has no money to pay for it. He used a fake card to make trouble here."

The female clerk said angrily.

The owner of the gold shop looked at Zhou Tian's bank card and gasped. He couldn't help but look at Zhou Tian carefully.

The boss was a man who had seen much of the world. He recognized at a glance that Zhou Tian's bank card was actually a custom-made bank card of the top

wealthy families and the Zhou family!

This young man was actually from the Zhou family? ¹

The owner of the gold shop was shocked and couldn't help but feel excited.

If he could make friends with this young man, he would be rich even if he had a little cooperation with the Zhou family in the future.

"Shut up!"

The owner of the store shouted to the female clerk.

"Boss..."

The female clerk was stunned.

"Sir, please put away your card. This diamond necklace is for you. How about we make a friend?"

The owner of the gold shop handed Zhou Tian the bank card and the diamond necklace together and said with a smile.

Zhou Tian was stunned. He didn't know

why the boss would do this.

"That's not necessary. I'll come over tomorrow to buy this necklace."

After that, Zhou Tian turned and walked out of the gold shop.

All the people in the gold shop were dumbfounded. They didn't know if the boss was crazy or Zhou Tian was a big shot who could make the boss of the gold shop like this.

"Boss, you think too highly of this poor guy, don't you?"

The female clerk was puzzled and asked the owner of the jewelry store.

"What do you know?"

The owner of the store said and then patted himself on the forehead, "Alas, I forgot to ask for the contact information of this gentleman."

"Boss, it's okay. This person seems to be Zhang Shuyun's son-in-law. Zhang Shuyun is my old customer. I know her address." 1

The female clerk said.

"Really? That's great. Go to her house right away and give her this necklace!"

The owner of the gold shop said excitedly.

"..."

The female clerk was surprised and couldn't help looking at Zhou Tian, who was far away from the door. She was very curious about Zhou Tian.

...

After leaving the gold shop, Zhou Tian didn't go home. Instead, he spent the whole afternoon outside.

After Li Ruoxue got off work, he drove to Yuanda company and picked up Li Ruoxue.

"Zhang Yali didn't bother you again, did she?"

asked Zhou Tian as he drove. ①

Li Ruoxue was in a good mood today. Her boss Zhang Yali had been bullying

her, but she apologized to her today, which was beyond her expectation.

"Well, not only did she not trouble me, but she also apologized to me." 2

Li Ruoxue whispered.

"That's good."

Zhou Tian smiled and said nothing more.

After entering the house, Zhang Shuyun smiled happily and said to Li Ruoxue, "Ruoxue, don't eat at home tonight. You can ask the First Young Master Qian out for dinner!"

"Why?"

Li Ruoxue was stunned.

"You have to thank him in person. It's the Oldest Child of the Qian Family who helped you, and your boss apologizes to you. You will have a better life in the company in the future."

Zhang Shuyun said with a smile.

"Mom..."

Li Ruoxue wanted to speak but stopped on second thought. She hated Qian Xiaofei very much, but she believed that Qian Xiaofei had helped her this time because he had always promised to help her. ①

When Zhou Tian saw this, he almost vomited blood. It was he who asked Miao Pengju for help. Why did it become the credit of Qian Xiaofei?

"Mom, in fact, I'm the one who helped Ruoxue. It has nothing to do with that Qian Xiaofei!"

Zhou Tian couldn't help but say.

"What?"

Zhang Shuyun gritted her teeth in anger. "How did you become so shameless?"

"How can you do that? You won't even lie."

"Also, the boss specially asked someone to send this diamond necklace here. Do you still want to say that you asked the gold shop to send this necklace to me?" ①

At this point, Zhang Shuyun admired the diamond necklace for the whole afternoon.

Chapter 7 investment of One Billion 1

Zhou Tian didn't expect that the boss of the gold shop would send someone to deliver the necklace.

But thinking of the warm attitude of the middle-aged boss at the gold shop, Zhou Tian could guess what was going on.

It must be that the boss of the gold shop wanted to make friends with him, so he sent Zhang Shuyun a diamond necklace.

As for why he wanted to make friends, Zhou Tian could not figure it out for a while.

"When I was in the gold shop today, the boss would give this necklace to me as a gift."

Zhou Tian said.

Zhang Shuyun was amused by his words. "Haha, you've really grown up. You're really good at lying."

Zhou Tian knew that Zhang Shuyun

wouldn't believe him, so he didn't bother to explain.

Li Ruoxue looked at Zhou Tian from the side, and her heart was in a mess.

She also wanted to believe in Zhou Tian, but these two things were too mysterious and hard to convince.

"Mom, we can't take the boss' things for nothing. This diamond necklace, you should give it back tomorrow."

Li Ruoxue thought about it and said to Zhang Shuyun.

Zhang Shuyun's face showed displeasure. She liked this necklace so much that she didn't want to give it back.

"Silly girl, I didn't want something from him for free. This must have been bought by the Oldest Child of the Qian Family. Ask the gold shop to send it here."

"If he bought it, it would be even more impossible for you to get it."

Li Ruoxue said.

"It's rare that the Oldest Child of the Qian Family is so thoughtful. Don't be too disrespectful to him."

As Zhang Shuyun spoke, she put on the necklace and looked into the mirror.

"Zhou Tian, let's go out for a walk."

Li Ruoxue looked at Zhou Tian and said to him.

Zhou Tian was about to go out to take a breath. He was really irritated by Zhang Shuyun.

Out of the house, Li Ruoxue got in the car and motioned for Zhou Tian to drive.

"Where are we going?"

Zhou Tian asked.

"Jinxiu Villa Jinxiu Villa."

Li Ruoxue said softly. As she spoke, her heart sank.

Zhou Tian glanced at Li Ruoxue beside him. He knew that Li Ruoxue would go to Jinxiu Villa every once in a while.

And every time she went there, she was i

n a bad mood. He didn't know why.

They drove on the road without saying a word.

He wanted to tell Li Ruoxue that the necklace was for her, but now it was worn by his mother-in-law.

However, would Li Ruoxue believe him?

It could only make Li Ruoxue's impression of him worse.

Twenty minutes later, in Jinxiu Villa in the western suburbs of Beichuan City.

This was an unbuilt villa area, which had been in ruins for four or five years.

Standing in front of the villa, Li Ruoxue was lost in thought for a long time.

Zhou Tian stood by her side, silently accompanying her like before.

"Do you know why I often come here?"

Li Ruoxue turned to look at Zhou Tian and said.

Zhou Tian shook his head.

"This unfinished project was developed

four years ago by my father."

...

Zhou Tian was very surprised. Three years ago, he married into the Li family and soon Li Ruoxue's father passed away.

At that time, he thought the Li family was just a working family, but he didn't expect that his father-in-law was a developer.

"Why hasn't the project been completed?"

Zhou Tian asked.

"At that time, a big boss from the south was going to invest one billion yuan in the western suburbs to build the largest water park in the country."

"If the water park is built, the business will be booming, and it will also be prosperous in the western suburbs, so my father decided to develop it here. But not long after, the big boss was caught illegal funding, and the water park project was aborted. My father's

mansion of Jinxiu Villa can't be sold even if it is built, and it can only be sold in the end..." ①

Speaking of this, Li Ruoxue's eyes flashed with tears. ①

When he saw how sad she was, Zhou Tian's doting intensified and he could not help but gently hold her jade-like hands. ①

Unexpectedly, Li Ruoxue did not break free this time. Instead, she turned around and looked at Zhou Tian.

"The failure of this investment has made my father completely bankrupt until he died of depression."

As Li Ruoxue spoke, she had already shed tears.

Zhou Tian wiped away the tears on her face and comforted her, "It's all in the past. Don't think about it anymore."

"How could I not? My father had never forgotten to build Jinxiu Villa until his death. I, on the other hand, have no ability to fulfill his last wish..."

Li Ruoxue trembled slightly. "I only have six thousand yuan to work for a month now, and I still have to support our family. Even if I don't eat or drink, I can't save enough money to help my father complete his last wish in my life. Zhou Tian, do you know how sad I am?" 1

"..."

Zhou Tian stood in front of Li Ruoxue, speechless.

A few days after he got married to Li Ruoxue, his legs were lame and he couldn't even find a suitable job.

In the past three years, this family was all supported by Li Ruoxue. She was only in her early twenties, but she had to choose to be strong...

She had never been as vulnerable as she was today.

Perhaps today, she really could not bear the pressure.

Thinking of this, Zhou Tian's heart ached for Li Ruoxue.

In the past, he was very useless and could not share these things with her.

But from now on, he had to make her smile every day.

"Ruoxue, I will help you fulfill your father's last wish."

Zhou Tian held Li Ruoxue's hand tightly and said calmly.

"Really?"

A ray of expectation flashed in Li Ruoxue's tearful eyes.

"Really."

"I'm already very pleased that you've made up your mind." 1

Li Ruoxue smiled bitterly.

When she thought of Zhou Tian's situation, she felt that his bold words were just a fantasy.

Zhou Tian knew very well that Li Ruoxue would not believe it.

Then let's talk about it with facts!

After staying with Li Ruoxue for a while, he drove her home.

It was already evening. Zhou Tian didn't say hello to anyone and went out alone.

After driving to a quiet teahouse, Zhou Tian walked in.

After ordering a private room, Zhou Tian called Miao Pengju to meet him at this teahouse.

Ten minutes later, Miao Pengju drove all the way here.

It was already incredible speed. ①

How could he not be quick? The young master took the initiative to ask him out, which made him feel flattered.

"Young Master, I didn't expect that you would invite me to drink tea."

Miao Pengju walked into the room and greeted Zhou Tian with a bright smile on his face.

"Sit down."

Zhou Tian said blandly.

Miao Pengju secretly glanced at Zhou Tian and secretly admired him.

No wonder he's the Zhou family's young master. He's sitting there upright. His demeanor and the noble aura that he exude are definitely not something an ordinary person can have...

Miao Pengju's observation was right.

Although Zhou Tian had been away from the Zhou family for ten years, the aura of the rich child in his bones was deep-rooted.

Miao Pengju, who was experienced and knowledgeable, could not help but feel a lot of pressure in front of Zhou Tian.

"Young Master, what can I do for you? Please give me your instructions."

Miao Pengju did not dare to drink tea and asked the question properly.

"I heard that four years ago, we were going to build a water park project in

the western suburbs, wasn't it?"

Zhou Tian asked.

"Yes, but then there was no follow-up on this project."

Miao Pengju thought for a moment and said.

"I'm going to invest in building this water park project."

Zhou Tian took a sip of tea and looked at Miao Pengju.

Miao Pengju was shocked.

In fact, he had this idea for a long time. From his point of view, as long as this water park was built, it would definitely be profitable!

But one billion was not something he could decide on.

Now that Miao Pengju had this idea, he was quite excited.

"Young Master, I think it's feasible!"

"You don't have to flatter me. What's the future of this project? Just tell me."

"It's not a compliment. This project is absolutely feasible! If Master knew that Young Master has such foresight and courage, he would be so happy..."

Miao Pengju said excitedly.

"Cut the crap. Can you do me this favor? About one billion."

Zhou Tian looked straight at Miao Pengju.

"Young master, you don't know what you are talking about, do you? The master has already said that Huanyu International is fully handed over to you to manage the industry. You can use the funds as you wish."

"Can you give me one billion yuan?"

Zhou Tian asked. He really didn't know how powerful Huanyu International was.

"Haha, young master, you are joking. With Huanyu's current financial resources, it is not a problem for him to have 10 billion yuan."

Miao Pengju laughed.

Zhou Tian was completely relieved when he heard that. ①

He couldn't be the son of a wealthy family for the rest of his life. He had nothing to do but to make some money with the resources in his hands.

Of course, the main purpose was to make the western suburbs prosper and revive Jingxiu Villa.

He had invested in making money and also helped Li Ruoxue. Why not? ①

"You can start to arrange tomorrow. What I want is the largest water park in the country." ①

After saying this, Zhou Tian got up and left the teahouse.

Chapter 8 I'll Deal With You Sooner or later ¹

"My good daughter, go change your clothes and dress up nicely. The Child of the Qian Family is waiting for you downstairs."

Zhang Shuyun urged Li Ruoxue.

Li Ruoxue was really annoyed. She was very clear about Qian Xiaofei's intentions.

She looked out of the window and saw Qian Xiaofei standing gracefully in front of his BMW, with a bunch of flowers in his hand. He was looking up with his face up.

"Mom, I'm a married woman. Is it appropriate for me to go out on a date with another man?"

Li Ruoxue said.

"You and Zhou Tian are husband and wife, aren't you? Don't lie to me. You've never let him touch you, have you?"

Zhang Shuyun pursed her lips and asked Li Ruoxue.

Li Ruoxue lowered her head.

"Ruoxue, you are still young and have a long way to go in the future. Mom doesn't want to see you ruined by Zhou Tian. With such a useless guy, your whole life will be over!"

"Mom, don't say anything. I have already accepted my fate."

"Even if you don't let me say, I have to tell you. The Childe of the Qian Family is rich. Yesterday, he bought a bracelet for your mother and also asked the gold shop to send me a diamond necklace. How generous he is!" 1

"Also, your boss doesn't dare to make trouble for you anymore. Isn't it thanks to the Childe of the Qian Family? You can have dinner with him and see if you get along well with him..."

Zhang Shuyun persuaded.

"Mom, give him back the jewelry. It's impossible for him and me to be

together."

Li Ruoxue said seriously.

"Are you trying to anger me to death?"

Zhang Shuyun was so excited that she suddenly covered her chest with her hands and was about to fall down. 2

"Mom!"

Li Ruoxue panicked and rushed forward to support Zhang Shuyun.

Li Ruoshi, who was in the room, heard the noise and ran out to support Zhang Shuyun with Li Ruoxue.

"If you don't behave yourself, mom will have to go to the hospital..."

Zhang Shuyun said weakly.

Li Ruoyun was in a dilemma. She was afraid that Zhang Shuyun would really get mad, so she had to nod.

"Mom, don't get too excited. I'll go downstairs right now."

"Go ahead."

Zhang Shuyun covered her chest. 1

"Ruoshi, take good care of Mom."

Li Ruoxue exhorted and then went out.

Seeing that Li Ruoxue had gone out, Zhang Shuyun smiled with satisfaction.

"Haha, this is great. The first step has been taken."

Zhang Shuyun stood up straight and was overjoyed.

"Mom, are you all right?"

Li Ruoshi was stunned. "Mom was pretending just now?"

"It's okay. I'm acting for your sister."

Zhang Shuyun was very proud.

"Mom, you are really good. My brother-in-law is a coward, but you can't do this."

...

"What's wrong with me doing this? Hum, your sister is young and beautiful. Why don't you find a rich man? I'll be angry if she follow that good-for-nothing Zhou Tian!"

Zhang Shuyun snorted and turned back to her room.

More than ten minutes later, Zhou Tian entered the house.

He did not know that Li Ruoxue was forced to go on a date with Qian Xiaofei.

As soon as he entered the living room, he saw Li Ruoshi's voice on the sofa.

Seeing that Zhou Tian was back, Li Ruoshi stared at him for a while and said, "Brother-in-law, there is a layer of green light on your forehead."

"What?"

Zhou Tian was stunned and looked into the mirror.

"Don't look at it anymore. Go and find my sister, or you will soon become a tortoise."

Li Ruoshi snorted grumpily.

Although this girl looked down on Zhou Tian, they had lived together for three or four years after all. 1

Li Ruoshi didn't like the rich second generation like Qian Xiaofei.

In contrast, Li Ruoshi felt that she would rather accept Zhou Tian than accept Qian Xiaofei.

So she decided to help Zhou Tian.

"Where's your sister?"

Zhou Tian had already vaguely realized that something was wrong.

"Qian Xiaofei drove her away. I just called to ask if she's in Star-lover theme Restaurant."

"Thank you."

After that, he quickly went out of the house.

A man wouldn't accept his wife dating someone else.

This was definitely going to be green.

Downstairs, Zhou Tian got in the car and went straight to Star-lover theme Restaurant.

This restaurant was located in the

prosperous downtown area. It was of a very high grade, and ordinary workers couldn't afford it at all.

Zhou Tian parked the old car in front of the restaurant and strode into it.

The restaurant had a total of two floors. The first floor was filled with ordinary seats. There were a couple seated here, and each table had attendants serving them.

Zhou Tian looked around and did not see Li Ruoxue.

"Sir, would you like to have dinner?"

At this moment, a man wearing glasses walked up to Zhou Tian.

His words were polite, but his tone was cold.

The man with glasses was the leader of this restaurant. He had already seen Zhou Tian driving a BYD, so he didn't think Zhou Tian could afford here at all.

It cost more than 1,000 yuan at least. How could he afford?

The man with glasses secretly laughed in his heart.

"I'm here to look for someone."

Zhou Tian was anxious and asked, "Are there also guests on the second floor?"

When the man with glasses heard this, his face suddenly sank.

"The second floor is booked by the Childe of the Qian Family. He is having dinner with a female companion. I don't think there is anyone you are looking for here. Go out."

The glasses man waved at Zhou Tian as if chasing a beggar away.

Zhou Tian was not in the mood to argue with the glasses man. He was worried that something would happen to Li Ruoxue, so he rushed to the second floor. 1

"Hey, what's wrong with you!"

The glasses man quickly stopped Zhou Tian.

"Get out of the way! I'm looking for the

Childe of the Qian Family!"

Zhou Tian shouted.

"Don't you see what kind of person you are? How can the Childe of the Qian Family know people like you?"

The man with glasses curled his lips and looked up and down at his clothing.

Zhou Tian had no time to talk nonsense with him, pushed him away and went upstairs.

"Security guards! Hurry up and catch him!"

The glasses man was furious and called the interior guard of the restaurant.

The three internal security guards rushed up and grabbed Zhou Tian. Two of them twisted his arms and the last one dragged Zhou Tian's clothes.

The man with glasses came over with his triangular eyes, pointed to Zhou Tian's nose, and said, "Damn, is this the place where you barged in? Are you able to afford to disturb the meal of the Childe of the Qian Family?" ①

Zhou Tian hated it when others pointed at him, but he couldn't move his arm due to being grabbed, so he felt a little embarrassed.

"Yoa, you found me here?"

At this moment, Qian Xiaofei, who had heard the commotion, walked down the stairs with his hands in his pockets.

Seeing Zhou Tian being caught by the security guards, Qian Xiaofei felt so happy.

It was just the right time for Ruoxue to see her useless husband's embarrassed look, hehe!

At this time, Li Ruoxue also walked down. She was forced to have dinner with Qian Xiaofei, which was a torture for her.

But there was no other way, because Zhang Shuyun was going to fall ill because of this...

She was very surprised that Zhou Tian could find this place.

Just as she was about to ask the security guard to let go of Zhou Tian, the glasses man spoke.

"Childe Qian, this person said that he came for you. Do you know him?"

Qian Xiaofei sneered. "Yes, but he's here to make trouble for me. Please throw him out."

When the man with glasses heard this, he said to the three internal security guards, "Throw this guy out and find a place where no one is around and fix him!"

Li Ruoxue was anxious when she heard that. He was going to hit Zhou Tian.

"Qian Xiaofei, you've gone too far!"

Li Ruoxue said urgently.

Qian Xiaofei smiled. "Ruoxue, I'll only ask them to chase this good-for-nothing out so as not to affect us. It's not too much."

As he spoke, Qian Xiaofei walked up to Zhou Tian and laughed softly. "You're a

good-for-nothing. You can't beat me."

"Qian Xiaofei, I'll teach you a lesson sooner or later. Remember my words."

Zhou Tian said.

He had already remembered this in his heart.

"Haha, it's so funny."

Qian Xiaofei laughed happily and said to the glasses man and the internal security guard, "Let me tell you a secret. This man relies on his wife to support him. He even said he wanted to teach me a lesson. Isn't that funny?"

"Hahaha..."

"Turns out that you're a toy boy, haha."

"All right, all right. Get this guy out and teach him a good lesson. Let him know what will happen if he offends Childe Qian."

The glasses man ordered the security guards. In order to please Qian Xiaofei, the glasses man was putting in a lot of effort.

"Qian Xiaofei, ask them to let him go!"

Li Ruoxue was so anxious that she didn't know what to do.

"Ruoxue, it is fine and he won't die. Let's go back for dinner."

Qian Xiaofei said with a smile, grabbed Li Ruoxue's arm, and was about to go upstairs.

Seeing that Qian Xiaofei dared to drag Li Ruoxue, Zhou Tian could not bear it.

The explosive force of his anger was astonishing. He broke free from the three Internal security guards and rushed behind Qian Xiaofei.

Peng!

With just one kick, Qian Xiaofei fell to the ground.

Qian Xiaofei fell down and ate shit.

When he turned around, he saw that it was Zhou Tian kicking him. Qian Xiaofei was furious and yelled at the glasses man, "Beat him up!"

"Okay, Childe Qian!"

The glasses man rolled up his sleeves and rushed towards Zhou Tian.

Just as he was about to wave his fist, the man with glasses' collar was grabbed from behind.

As soon as the man with glasses turned around, the man behind him raised his hand and slapped his fat face twice!

Clap clap! 1

These two slaps were so hard that his glasses flew away!

As soon as this person appeared, the whole restaurant was quiet.

The three internal security guards stood by the side, not daring to breathe.

When Zhou Tian saw this person, he was also very surprised.

How could it be him?

Chapter 9 Envy Young Master Zhou 1

The man was well-dressed and looked like he was in his thirties.

Zhou Tian recognized him at a glance. He had just met him yesterday.

It was none other than the owner of the gold shop.

"Sir, do you remember me?"

The boss looked at Zhou Tian and smiled politely. 1

"Of course I do. Why are you here?" asked Zhou Tian, puzzled.

"I run this restaurant."

The gold shop owner smiled and said, "Let me introduce myself. My name is Long Kun, and my friends in the underground all call me Master Long Si."
"

Long Kun?

Zhou Tian was too familiar with that name.

There were several underground forces in Beichuan City. The most famous and powerful one was Master Long Kun.

After hearing Long Kun's self-introduction, Li Ruoxue opened her mouth in surprise. ①

Although she was a woman, she had lived in Beichuan since she was a child. How could she not have heard of the terrifying Master Long? ①

"It turns out to be Master Long."

Zhou Tian looked at Long Kun and said.

"No, no, I dare not. You can just call me Long Si. May I have your surname, Sir?"

Long Kun asked Zhou Tian humbly.

"My surname is Zhou."

"..."

Long Kun opened his mouth, speechless for a long time.

As expected!

He was really from the Zhou family.

Long Kun turned back and glared at the man with glasses. He really wanted to destroy this guy!

"You're blind. I'm going to make friends with Mr. Zhou, but you still want to beat him. Are you trying to spoil my plan?" 1

"Glasses man, come here!" 1

Long Kun waved to the man with glasses.

The glasses man was stunned. He was afraid of Long Kun from the bottom of his heart. 1

"Boss..."

"Clap! Clap! Clap! Clap!"

Long Kun slapped him four times, turning the man with glasses into a pig head.

"Is this how you treat your guests?"

Long Kun shouted. 1

"Boss, he's not here to spend money."

The man with glasses glanced at Zhou

Tian. He was puzzled. How could the boss lose his temper because of this poor man?

"Kneel down!"

Long Kun was even more angry and shouted at the glasses man.

Thud.

The man with glasses knelt straight in front of Long Kun, as if he had a conditioned reflex.

"It's to kneel before Mr. Zhou!"

Long Kun kicked the man with glasses over.

The man with glasses was almost beaten to tears, kneeling at the feet of Zhou Tian with a bitter face.

"Mr. Zhou, it's my fault that I didn't recognize you. Please forgive me this time..."

The man with glasses begged in a crying tone.

He also knew that he had offended Zhou Tian. Just now, in order to please

the Childe of the Qian Family, he had bullied Zhou Tian many times.

Zhou Tian saw that the glasses man was like this, so he didn't think about making things difficult for him anymore.

Looking at Long Kun, Zhou Tian was very confused.

Yesterday, Long Kun sent someone to deliver a diamond necklace, and today, he supported him like this. What was his purpose?

He could only ask Long Kun in the future.

Now, Zhou Tian only wanted to teach Qian Xiaofei a lesson. Although he had kicked Qian Xiaofei just now, he did not vent his anger.

"Where is the Childe of the Qian Family?"

"

Zhou Tian looked around and suddenly realized that Qian Xiaofei was missing.

"He ran around just now."

One of the internal security guards answered carefully.

"This grandson!"

Zhou Tian was speechless for a while.

However, it was certain that Qian Xiaofei, who had always been arrogant, was still afraid of Long Kun. When he saw Long Kun come out, he ran away.

"Mr. Zhou, if you need my help, just let me know."

Long Kun smiled and said to Zhou Tian.

"No need."

Zhou Tian said to Long Kun lightly, and then glanced at Li Ruoxue. "Let's go home."

"Ah... OK..." 1

Li Ruoxue had not yet recovered from the shock. She nodded and went out of the restaurant with Zhou Tian.

After getting in the car, Li Ruoxue secretly looked at Zhou Tian and was unable to calm down for a long time.

Is this still the good-for-nothing husband in her impression?

The famous Master Long was so polite in front of him, which was really puzzling.

Recalling Miao Pengju's attitude toward Zhou Tian in Huanyu International, Li Ruoxue put these two things together. She felt that it was not a coincidence.

Could it be that there was something extraordinary about Zhou Tian?

"What are you thinking about?"

As he drove, he asked Li Ruoxue flatly.

"Nothing. Zhou Tian, shouldn't you question me why I am with Qian Xiaofei?"

Li Ruoxue looked at Zhou Tian.

"You must have your difficulties."

Zhou Tian said as he looked ahead with a calm expression.

Li Ruoxue's heart was hot. No matter

what, this man's understanding of her tolerance was really rare.

There was no accusation, but trust in her unconditionally. ¹

This touched her greatly.

"Mom said Qian Xiaofei went to my boss and helped me. He even bought her a diamond necklace worth more than 80,000 yuan, so Mom asked me to eat dinner with him and thank him."

Li Ruoxue sighed softly and explained to Zhou Tian.

As soon as Zhou Tian heard this, he couldn't help feeling angry.

Qian Xiaofei was a shameless person who would steal all the credit. How could there be such a shameless person in the world!

"Do you really think that Qian Xiaofei was the one who did this?"

Zhou Tian asked Li Ruoxue.

Li Ruoxue was stunned. "Who else could it be except him?"

"It's me."

Zhou Tian said earnestly.

"Alas..."

Li Ruoxue sighed and turned her face to look out of the window.

The little bit of good feelings and curiosity she had towards Zhou Tian just now was also destroyed by Zhou Tian's words.

"It's really me. Mom and you both took the lead. You're mistaken."

Zhou Tian explained to Li Ruoxue.

"I don't blame you for being born into a poor family. I can stand it if you don't earn a penny, but please don't treat me as a fool, okay?"

Li Ruoxue was obviously angry.

Fuck you. ²

Zhou Tian simply stopped talking. ¹

He didn't blame Li Ruoxue for thinking him poor all these years.

Who would believe that a piece of trash could persuade Zhang Yali? Who would believe that he could afford the 86,000 diamond necklace?

It was true. There would be a day when the truth would be revealed sooner or later. Zhou Tian chose to let nature take its course. ¹

...

The next morning, after sending Li Ruoxue to the company, he returned home.

When it was almost noon, Zhang Shuyun came back when she was about to go to the kitchen to make lunch.

"Hey, go to the company and pick up Ruo xue!"

Zhang Shuyun said to Zhou Tian in the kitchen with excitement.

"Mom, She is going to work."

"I still don't know that she's at work? Let her go. Don't waste time."

Although Zhang Shuyun was scolding

him, she was in a good mood at the moment and couldn't hide the excitement in her heart.

Zhou Tian said no more, took off his apron, and went out of the door.

After arriving at the company and picking up Li Ruoxue, Zhou Tian found that Zhang Shuyun was like a widow who had a child. She was very excited.

"Mom, what's the matter?"

Li Ruoxue asked Zhang Shuyun curiously.

"Ruoxue, haven't you heard that a water park will be built in the western suburbs? It will be built across Jinxiu Villa. It's an investment of one billion!"

"Really?!"

Li Ruoxue was shocked when she heard the news.

But then, she felt happy and sad.

She was happy that such a large investment water park would definitely make the western suburbs prosperous,

and Jinxiu Villa, which was at the end of the line, would come back to life! ①

That was her father's life's work and her father's wish was to build Jinxiu Villa.

What was sad was that her father did not manage to wait for this day...

"Of course it's true! Ruoxue, I'm telling you, the whole Beichuan city is now a sensation. I heard that the child of the Zhou family came to invest! Huanyu International is the property of the Zhou family. The child appointed Miao Pengju to build this large water park as soon as possible..."

Zhang Shuyun became more and more excited as she spoke. She said enviously, "That Mr. Zhou is really our family's lucky star. Alas, it would be great if I had such a son-in-law."

"Mom, that's great. Dad's project at Jinxiu Villais about to become a real-life project. How gratified he would be if he had a spirit in heaven."

Tears welled up in Li Ruoxue's eyes and

her nose twitched.

"Yes, we should thank childe Zhou most. He is the real rich family! But I don't know what childe Zhou looks like..." ¹

Zhang Shuyun guessed with anticipation.

When Zhou Tian heard that, he was very calm.

How could he not be calm? He had ordered Miao Pengju to do this last night.

"What are you looking at? Go and cook! Stir up two more dishes at noon and celebrate."

Zhang Shuyun rolled her eyes.

"Oh."

Zhou Tian was used to it and went into the kitchen.

"Mom, don't be so fierce to Zhou Tian. He has been working hard over the past few years. Even if he doesn't make any contribution, he has worked hard."

...

"Come on! Didn't you see which man hang around the kitchen all day long? He can't earn a penny! Humph, look at Mr. Zhou, he has invested a billion. How generous he is! Look at Zhou Tian, he's also surnamed Zhou. The gap is so big!" 1

Zhang Shuyun became angrier as she spoke, glaring in the direction of the kitchen.

"Well, Mom, if you're happy today, don't say this."

"Well, do we have to think of a way? We have to build Jingxiu Villa again. If the western suburbs are on fire, the price of this building will definitely rise sharply. We are going to make a fortune!"

Zhang Shuyun said excitedly.

"But dad is gone. Where can we get the money to build Jinxiu Villa?"

Li Ruoxue sighed and frowned.

Zhang Shuyun smiled and said, "Silly girl, don't forget that there is still the

Childe Qian. The Qian Family is very rich..."

"Mom, don't you know what Qian Xiaofei's heart is? Do you want to make a deal with your daughter?"

Li Ruoxue stood up and said angrily.

"Hehe, of course I know. If you agree to the marriage, you will find a good husband, and our funds will also be guaranteed. Isn't this killing two birds with one stone?"

Zhang Shuyun said with a smile.

Zhang Shuyun, you really have a trick up your sleeve.

Just then, Zhou Tian took off his apron and walked out of the kitchen.

Chapter 10 In time of prosperity, friends will be plenty ¹

Zhang Shuyun's words just now were clearly heard by Zhou Tian in the kitchen.

No matter how good-tempered he was, he couldn't bear it. No one like this could be his mother-in-law.

Zhang Shuyun couldn't help but feel a little embarrassed when she saw Zhou Tian coming out.

No matter what, her daughter and Zhou Tian were still legally married. They had not even divorced yet, yet she had already found another husband for her daughter. It did not make sense.

"You're getting more and more unbridled. You don't even call me mom anymore, and you still dare to call my name?"

Zhang Shuyun stared at Zhou Tian. She wanted to seize the opportunity. ¹

"Just based on what you just said, you are not qualified for me to call you Mom."
"

Zhou Tian said.

"You!"

Zhang Shuyun choked on his words. "What's wrong with what I just said? A good-for-nothing like you deserves to have my daughter?"

"Haha."

Zhou Tian just smiled coldly. He didn't want to argue with Zhang Shuyun anymore.

Zhang Shuyun didn't like Zhou Tian at all. Moreover, Zhou Tian talked back, which made her even angrier.

If only his daughter had accepted Qian Xiaofei's pursuit. Now, there was no need for her to worry about money anymore.

"Ruoxue, no matter what mom says, you go find Qian Xiaofei in the afternoon."

Zhang Shuyun persuaded Li Ruoxue.

"Mom, I really don't want to have anything to do with Qian Xiaofei."

Li Ruoxue was in a dilemma.

"It's none of your business. It's related to whether our family can rise again. Even if it's for your dad's soul in heaven, can you go there?"

Zhang Shuyun played the emotional card.

Li Ruoxue was silent.

It seemed that there was no other way.

She had long known that if she wanted to build the mess of Jinxiu Villa, she would have to spend at least ten million. ¹

Her father had passed away. Given the current situation, it was almost impossible for her to go to the bank to approve the loan.

"My good daughter, how about I go with you this afternoon?"

Zhang Shuyun added while the iron was

hot.

Li Ruoxue was really in a dilemma. Finally, she said, "Mom, don't force me. I will think about it."

"All right, all right. What a good opportunity for you, child."

Zhang Shuyun was exasperated at her daughter's failure to live up to her expectations. She turned around and went back to her room.

Li Ruoxue looked at Zhou Tian beside her, and there was a trace of guilt on her face.

She knew that what her mother said today was a great insult to Zhou Tian.

"Don't take my mother's words to heart."

Li Ruoxue whispered to Zhou Tian.

Zhou Tian was very depressed, but he didn't expect that his cold wife would care about his feelings once.

"It's okay."

After that, he turned back to the

kitchen and continued to make lunch.

Li Ruoxue couldn't tell how she felt in her heart. She knew that her mother had always been very harsh to Zhou Tian, but Zhou Tian had always been submissive. After more than three years, not every man could bear such humiliation.

She had not even given him the most basic life of husband and wife, which was really unfair to him.

How nice it would be if he wasn't such a wimp, alas...

Thinking of this, Li Ruoxue sighed softly. She felt confused now.

Just as she was letting his imagination run wild, the doorbell rang.

Li Ruoxue opened the door and was stunned.

Her aunt's family was standing at the door.

Ever since the misfortune of Li Ruoxue's family, basically all of her relatives had stopped contacting her

family like the plague.

Including her aunt, Zhang Shuxiang's family, they hadn't contacted each other for almost three years.

It was not surprising that human relationships were so cruel.

Who would have thought that the entire family would come today with many gifts in their hands?

"Auntie, please come in."

Li Ruoxue invited Zhang Shuxiang and her family into the room. After all, she was her aunt.

"Hey, Ruoxue is really getting more and more beautiful. Is your mother at home?"

Zhang Shuxiang was full of smiles.

After praising Li Ruoxue, she entered the house with her husband and daughter.

"She's at home."

Zhang Shuyun heard the noise and came out of the room. She was also very

surprised that her sister would come to visit her for the first time.

After the greetings, Chen Ting, Zhang Shuxiang's daughter, smiled and said to Zhang Shuyun, "Auntie, let me introduce you. This is my boyfriend Luo Gang, who is in charge of the senior management project in Huanyu International. We will get married at the end of this year."

When she said this, Chen Ting looked proud, holding hands with Luo Gang, which was like glue.

Luo Gang was well-dressed and greeted Zhang Shuyun and Li Ruoxue politely.

Zhang Shuyun felt upset when she saw Luo Gang was such a talented man.

Although Chen Ting was tall and beautiful, she was still far from her daughter, Li Ruoxue.

But looking at the son-in-law she found, and then at her own son-in-law Zhou Tian, there was simply no way to compare!

The more Zhang Shuyun thought about it, the angrier she became, and her face darkened.

Zhang Shuxiang loved to show off, so she asked Zhang Shuyun with a smile, "Sister, is Ruoxue's husband not at home?"

Zhang Shuyun was so angry that she wanted to rush into the kitchen and beat up Zhou Tian.

If it weren't for her useless son-in-law, she wouldn't have lost so much face in the past few years.

"He is cooking in the kitchen." 2

Zhang Shuyun said with embarrassment.

"Haha, let me see. Ruoxue is really lucky to find such a decent husband."

Chen Ting put her arms around Luo Gang's waist and looked at Li Ruoxue with a smile.

Everyone could tell that Chen Ting was speaking back. She was showing off her

superiority in front of Li Ruoxue.

In fact, there was a reason for Chen Ting to do this. Li Ruoxue had been smarter and more beautiful than her since she was a child, and she had a strong desire to compare with others, so she had been unconvinced.

Li Ruoxue could tell that Chen Ting was mocking her. She did not fight back. After all, it was better to end this topic as soon as possible.

"Oh? Brother-in-law can cook. Let him out quickly so that I can get to know him."

Luo Gang pretended to be surprised and said.

"Yes, Shuyun, ask your son-in-law to meet Luo Gang and let them know each other."

Chen Jianghe, Chen Ting's father, said.

Zhang Shuyun knew that she couldn't run away for shame, so she shouted to the kitchen, "Come out and meet the guests, Zhou Tian!" ①

Everything could be heard in the kitchen by Zhou Tian. He didn't come out for a reason, because he knew that his mother-in-law always thought that he couldn't afford it, so when he could avoid it, he tried to avoid meeting guests.

Now she couldn't avoid it, so she had to come out of the kitchen. ①

Seeing the apron tied around Zhou Tian's waist and the smell of smoke coming out, Chen Ting burst into laughter. ①

Luo Gang had long heard from Chen Ting that Li Ruoxue's husband was a standard good-for-nothing. At this moment, seeing Zhou Tian, Luo Gang really despised him in his heart. ①

"This is Luo Gang, Sister Ting's boyfriend. Let's get to know each other."
"

Zhang Shuyun ordered Zhou Tian angrily.

Zhou Tian walked up to Luo Gang and

stretched out his hand. "Hello, Mr. Luo. My name is Zhou Tian."

Luo Gang glanced at Zhou Tian's hand, which was still oily, and frowned.

"You're welcome."

Luo Gang said coldly, but he did not shake hands with Zhou Tian.

This was not polite at all. When they met for the first time, Zhou Tian took the initiative to shake hands, but Luo Gang left it there.

It was awkward.

Zhou Tian had to withdraw his hand and looked at Luo Gang. He found that Luo Gang was dressed well, but his frivolous eyes were lustful, and sometimes he inadvertently looked at Li Ruoxue.

This made Zhou Tian very unhappy, so he simply hid Li Ruoxue behind him and did not allow Luo Gang's eyes to harass her.

Luo Gang embarrassed Zhou Tian, and Zhang Shuyun saw it clearly. She was

even more dissatisfied with Zhou Tian, thinking that this loser was really looked down upon everywhere.

In order not to be embarrassed, Zhang Shuyun said to Chen Ting, "Xiaoting, I heard that the best treatment in Huanyu International is in the province. Your boyfriend is in charge of senior management there, so he must have a high salary, right?"

"Haha, that's all. Gangzi's annual salary is only over 200,000." Chen Ting smiled proudly.

"He's really young and promising. Such a high annual salary," Zhang Shuyun said enviously.

"It's not bad. Our Gangzi has nothing else, but he is ambitious and capable."

Chen Ting said proudly, not forgetting to glance at Li Ruoxue.

Li Ruoxue knew that Chen Ting was showing off to her, but compared to Chen Ting's husband, she felt that she couldn't beat her, so she had to pretend that she didn't hear it.

"Xiaoting, I really envy you. You can make money yourself, and Luo Gang has made so much money. How good your life is! It's not as hard as my Ruoxue's life is. She's the only one who can make money to support the family..."

" 1

Zhang Shuyun glared at Zhou Tian when she said that. She felt indignant in her heart.

"Shuyun, don't be pessimistic. The opportunity is coming, isn't it? Young Master Zhou is going to build a water park right across Jinxiu Villa. The villa that my brother-in-law left behind is now a treasure."

Zhang Shuxiang said with a smile.

Hearing that, Zhang Shuyun and Li Ruoxue looked at each other and understood everything.

It was no wonder that all the relatives who had not visited for three years had come. It was true that they had heard the news. Seeing that the Li family was about to rise, they had come over. It

was so realistic.

"Yes, I'm really grateful to that Childe Zhou now. If I didn't have him, my family would never be able to stand up again. I just don't know where Childe Zhou is, or I would have to thank him in person!" Zhang Shuyun said excitedly.

"Aunt, Huanyu International is the property of Mr. Zhou's family. Luo Gang is the senior director of the project. Luo Gang is in charge of the project of the water park. Haha."

Chen Ting introduced proudly.

Upon hearing his words, Luo Gang felt a little flattered.

"I see. Luo Gang, have you met Childe Zhou?" Li Ruoxue asked Luo Gang curiously. After all, she had been curious about Childe Zhou for a long time and was grateful to him.

As soon as Luo Gang saw Li Ruoxue, he was fascinated by her beauty and temperament. 2

He made a comparison in his heart. Li

Ruoxue was much stronger than Chen Ting. ¹

Seeing that Li Ruoxue took the initiative to talk to him, his heart was extremely restless.

In order to show his superiority in front of Li Ruoxue, Luo Gang smiled slightly. He looked at Li Ruoxue and said, "I have more than met him. Last night, I was drinking with Mr. Zhou. Mr. Zhou was very low-key. When they clinked glasses, he always lowered his wine glass..."

Listening to this, Zhang Shuyun really admired Luo Gang.

It was a great honor to be able to drink with Mr. Zhou!

Li Ruoxue was also very envious in her heart. It seemed that the boyfriend Chen Ting found was really powerful. He could actually drink with Young Master Zhou.

Zhou Tian, who was standing by the side, was a bit confused and speechless. He stared at Luo Gang, who was

bragging.

"Damn, the Childe of the Qian Family is shameless enough. This Luo Gang is even better than him. When did I drink with you?"
