

Chapter 11 Not knowing the immensity of the Heavens and the Earth ¹

People were invincible when they were shameless. Now, Zhou Tian finally had a taste of it.

Looking at the shocked and envious looks of Li Ruoxue and Zhang Shuyun, Luo Gang felt very happy.

The reason why he bragged like this was that he wanted to pretend in front of a beautiful woman like Li Ruoxue. It seemed that the effect was very good.

"Luo Gang, you must find a chance to invite Childe Zhou out and let us know each other."

Zhang Shuyun said to Luo Gang with great expectation.

"Aunt, don't worry. It's okay. Just leave it to me."

Luo Gang smiled proudly and glanced at Li Ruoxue.

Sure enough, Li Ruoxue was also looking forward to it.

"That's great. This child Zhou is the noble guest of our family. I always want to thank him in person."

Zhang Shuyun smiled happily. She glanced at Zhou Tian and said, "Stop cooking. Let's go out and eat later."

"Got it."

Zhou Tian agreed.

"Shuyun, your son-in-law is really obedient. I think he's doing very well."

Chen Jianghe spoke at this time, but there was a trace of disdain in his eyes.

In his opinion, a live-in son-in-law was a very useless man.

"Brother-in-law, stop making fun of me. Let's go, let's go to the restaurant."

Zhang Shuyun quickly changed the topic and asked everyone to go out.

Zhou Tian didn't want to join in the fun. He just wanted to have a meal at home,

so he didn't go out with them.

"Let's go." ①

Li Ruoxue looked at Zhou Tian impatiently.

"My man is always so unpresentable. When will I end up like this?"

"Ruoxue, you go and eat. I'll eat at home."

Zhou Tian said to Li Ruoxue.

"Can you be a little more group? You don't even accompany the guests at home. Don't you welcome them? What will they think if you act like this?"

Li Ruoxue asked Zhou Tian angrily.

"Okay, I'll go."

Zhou Tian had no choice but to follow along.

Seeing Zhou Tian's reluctant look, Li Ruoxue was so angry that she didn't say anything and walked ahead.

Downstairs, Zhang Shuyun pointed to a restaurant across the street. "This

Sichuan Taste Restaurant is very good. Let's eat here."

Zhang Shuxiang and Chen Jianghe looked at the restaurant with dissatisfaction. ¹

The restaurant was small and its face was also pitifully small. They felt that it was cheap to eat here.

Chen Ting saw through her parents and said, "Auntie, this small restaurant is too shabby. Let's go to Lijiang seafood restaurant. It's very high-class, with superb seafood and a very good environment."

Zhang Shuyun was embarrassed when she heard that.

Of course, she had to treat those who came to her home, but the consumption of Lijiang seafood restaurant was simply too high.

Even if they ordered some cheap dishes, the price would be at least several thousand yuan.

Zhang Shuyun looked embarrassed

because her family's current economic condition was not enough to afford such an expensive price.

However, she couldn't just leave it as it was too expensive. That would only make her even more embarrassed.

Soon, the group arrived at Lijiang seafood restaurant.

Zhou Tian had already bought this restaurant and gifted it to his sister, Zhou Ling. At that moment, Zhou Tian was rather happy seeing the restaurant's booming business. ①

After everyone sat down, Zhang Shuyun picked up the menu and ordered the cheapest dishes.

Even so, Zhang Shuyun still felt the pain, as it would cost more than 2,000 yuan for a meal. ①

"Aunt, why are they all cheap dishes? It's not good at all. It's too low."

Chen Ting frowned and said to the waiter beside her, "Don't take those ordered just now. Order the most

expensive dishes in your restaurant."

"Ok, lady, the most expensive meal in our store is the golden seafood package. Would you like to order the whole set?"

The waitress asked politely.

"Aren't you talking nonsense? Of course, all of them."

Chen Ting took out the makeup box to fix her makeup and answered casually.

The waitress answered and left.

Zhang Shuyun's face was full of bitterness and hatred. She secretly complained about Chen Ting in her heart. "Didn't you make your Aunt suffer a lot?"

Li Ruoxue was also very uncertain. If the meal cost too much, she couldn't afford it.

Zhou Tian, on the other hand, was very calm. The entire restaurant belonged to him, why should he be afraid of Chen Ting and the others?

"Shuyun, the most important thing is t

o come out and eat happily. Don't be afraid of spending money. Besides, my son-in-law is here. Can I let you guys spend money?"

Zhang Shuxiang proudly looked at her future son-in-law, Luo Gang, and said to Zhang Shuyun with a smile.

Zhang Shuyun's heart raced when she heard those words. A good son-in-law is someone else's. Looking at her own son-in-law, he didn't even dare to fart when sitting down.

As long as Zhou Tian was a little promising, she could also stand out and save face.

Zhang Shuyun glared at Zhou Tian with dissatisfaction, and then smiled awkwardly at Zhang Shuxiang. "Big Sister, you are guests. Besides, Luo Gang came to my house for the first time. How can I let him spend money?"

"It's okay, it's okay. Luo Gang's annual salary is more than 200,000 yuan. Isn't it a piece of cake for him to have a meal?"

"

Chen Ting said proudly. She was secretly glad that she had found the right man, unlike Li Ruoxue, who had found a good-for-nothing as her husband. ①

"That's right, Second Aunt. It's fine as long as we eat and drink well. It's just a small sum of money. It doesn't matter."

Luo Gang was also excited at this time, looking like he was rich.

Zhang Shuyun felt that there was no place for her to hide her face anymore. Now, she was really envious of her eldest sister, Zhang Shuxiang, who could find a son-in-law like Luo Gang, who could earn money. ①

Zhang Shuyun was furious when she saw Zhou Tian sitting beside Li Ruoxue.

"Look at Luo Gang, look at you again! Hmph, you have to go out and find work tomorrow."

Zhang Shuyun stared at Zhou Tian angrily and said.

Li Ruoxue blushed when she saw this.

She didn't expect that her mother would belittle Zhou Tian in public.

No matter what, Zhou Tian was still her husband. Zhou Tian was a disgrace to her and her face was devoid of any luster. ¹

Hearing this, Zhang Shuxiang and Chen Jianghe smiled playfully.

Chen Ting and Luo Gang even sneered. It was so cool to have the feeling of being superior to others.

The expression on Zhou Tian's face was very calm. At this time, he said to Zhang Shuyun, "Mom, many people work for me, so I don't need to work at all."

"What?"

Zhang Shuyun was furious when she heard that. She pointed at Zhou Tian and scolded him, "You're getting more and more shameless. You said someone works for you. Are you referring to Ruoxue? That's right. Ruoxue has worked for you these years and raised you as a good-for-nothing!"

"Ah, I didn't mean that..."

"Isn't that what you mean? Who can work for you like this? Do you think you are the rich young master or the boss?" Zhang Shuyun became angrier and directly interrupted Zhou Tian.

Zhou Tian thought, "I can't argue with Zhang Shuyun. I'm a little regretful. I shouldn't have spoken just now."

"Well, Shuyun, it's just finding a job. I'll ask Luo Gang to arrange it later. He is the person in charge of Water Park. It's easy for him to arrange a job for Zhou Tian."

Zhang Shuxiang persuaded at this time. 1

"Yes, I can ask Luo Gang to find a job for Zhou Tian."

Chen Jianghe also said proudly.

Luo Gang's vanity was greatly satisfied. At this time, he patted Zhou Tian on the shoulder and said with a smile, "Don't worry, brother-in-law. If you want to work, come to me at any time. I will arrange a job that is not too tiring for

you. How about that?"

Looking at the proud look on Luo Gang's face, Zhou Tian was speechless.

"What the hell?"

You'll get the hell out of here if I say a word. Stop acting like you're a big wolf. 1

"I don't think it's necessary. You'd better set yourself up. Don't be dismissed one day."

Zhou Tian smiled faintly and looked at Luo Gang.

Luo Gang never thought that Zhou Tian would say that. He was so angry that his liver hurt. Wasn't he cursing him?

Hearing this, Chen Ting was also angry. She glared at Zhou Tian and said, "Zhou Tian, you are too ungrateful. Gangzi is kind enough to help you find a job and let you earn some money. How can you curse him?"

Zhou Tian chuckled. He was too lazy to argue with her. 1

"Xiaoting, Gangzi, don't argue with

him. Have some food."

Zhang Shuyun rolled her eyes and comforted Chen Ting and Luo Gang.

"Yes, we are all relatives. What's the point of quarreling?" Chen Jianghe also said at this time.

As expected, a golden seafood meal was different from other tables of ingredients. Many seafoods had never been seen before.

At this time, Chen Ting and Luo Gang stopped teasing him. In the face of delicious seafood, they looked a little embarrassed.

"What's the name of this seafood? It's so delicious."

Chen Ting asked curiously while eating.

A waiter standing next to her quickly introduced, "This is a goose-crowned Chinese pot. It's delicious, and it's also the most expensive seafood in our restaurant."

"It's very delicious. Give us ten plates of this goose-crowned Chinese pot." Luo

Gang waved his hand, looking very heroic.

"Okay, sir."

The waiter quickly went to inform them.

"Sister Ting, don't order so much. We can't finish 10 dishes." Li Ruoxue frowned slightly and advised Chen Ting.

"Haha, if you can't finish it, then it's leftover. Gangzi doesn't need such a small amount of money. He's not like some poor guy, hmph."

Chen Ting said as she glanced at Zhou Tian.

Li Ruoxue secretly tugged at Zhou Tian, indicating him to ignore Chen Ting.

Zhou Tian didn't want to lower himself to the level of a woman, so he buried himself in eating.

"I'm afraid that you have never eaten such delicious food in your life, have you? Oh, slow down, don't choke.

Anyway, Gangzi will pay for the bill, and you can eat how much you want." 1

Chen Ting looked at Zhou Tian with a mocking face and said sarcastically.

Does your Gangzi pay for the bill?

Can he afford it later? He really doesn't know how high the sky is and how thick the earth is.

Zhou Tian was amused. Others didn't know what it was, but he knew how expensive it was.

Chapter 12 Throwing the Pot

Zhang Shuxiang and Chen Jianghe also frowned. They looked down on Zhou Tian. When they saw Zhou Tian eat with his head down, they despised him even more in their hearts.

"Hehe, even if our Gangzi treated us, he would not have done this. Look, he alone is enough to feed several of us."

Zhang Shuxiang looked at Zhou Tian enigmatically and then said to the crowd.

"Zhou Tian, eat slowly, and no one will take it from you."

Chen Jianghe also said.

Zhou Tian stopped. In fact, he didn't eat much, but since these people didn't like him, he was convinced.

"Haha, it's okay to eat. I can afford him."
"

At this time, Luo Gang sneered and looked at Zhou Tian.

Half an hour later, they were full.

"Waiter, the bill."

Zhang Shuyun summoned the waiter. She wanted to rush to pay the bill. After all, she was the host, so she had to save her face.

"Auntie, we agreed that I'll pay the bill."

Luo Gang stood up and dug out his wallet.

"How can I really let you pay the bill? I'm not as rich as you, but I can treat you to a meal."

Zhang Shuyun said to Luo Gang with a smile, and then asked the waiter, "How much is it in total?"

"Madam, your table has a total of 138,200 yuan, and 200 yuan is free for you. I will take 138,000 yuan from you."

The waitress replied.

"How much?"

Zhang Shuyun's face suddenly turned purple, and her heart was beating

wildly.

"138,000 yuan."

"It's not that expensive. You've got the wrong account, haven't you?"

Zhang Shuyun's voice was trembling.

She was not the only one. Everyone present was dumbfounded except for Zhou Tian.

They thought that they could get rid of it with a few thousand yuan at most, but they didn't expect that it would be more than a hundred thousand yuan!

"Lady, it's like this. The raw materials for the top-grade goose pot is very expensive. Each kilogram costs 10000 yuan. Each plate is 12000, and you have ordered eleven plates, plus the wine and other dishes, 138000 in total. If you don't believe it, you can see the bills yourselves. –

While speaking, the waiter handed over the printed note.

Everyone looked at it and found that it was right. They had just eaten a big

meal of more than 100,000 yuan!

Zhang Shuyun sat down on the chair and fell silent.

The life was supposed to be tight, so where did she get a hundred thousand?

Luo Gang was also stunned. Just now, he was the happiest one, saying that he would pay for all the expenses.

Chen Ting's eyes widened and she felt extremely regretful. She was the one who asked for the 10 plates of top-grade goose pot. Otherwise, this meal would cost at most ten or twenty thousand yuan. Although it was quite expensive, Luo Gang could afford it.

"Excuse me, who will pay the bill?"

The pretty waitress blinked her eyes and asked patiently.

Zhang Shuyun stopped talking. She knew that she couldn't lose face at this time. If she didn't want to lose face, she would suffer a lot. Besides, she couldn't afford the 100,000 yuan.

Looking at Luo Gang's awkward look,

Zhou Tian was amused. 2

"You're pretending. Now you're pretending to be idiot, aren't you?"

At this time, Li Ruoxue said to Zhang Shuyun, "Mom, I only have 60,000 yuan in my card. Do you still have money?"

When she said this, Li Ruoxue felt sad for a while. She had saved up sixty thousand yuan frugally. It seemed that she couldn't keep it today.

"Ruoxue, mom only has a few thousand..."

Zhang Shuyun said in a low voice with a red face.

"Ruoxue, Mom, don't worry about it. Luo Gang has earned more than 200,000 yuan a year. He's very rich."

Zhou Tian said.

When Luo Gang heard this, he even wanted to kill Zhou Tian.

"Damn it. I thought he was a good-for-nothing. I didn't expect him to be so

bad!"

Zhang Shuyun kept nodding after hearing that. This was the only time she had agreed to Zhou Tian.

"Brother Gang, didn't you just say that you were the one who spent all the money today? You even said that you could afford to pay for me. Is that so?"

Zhou Tian smiled and asked Luo Gang.

Luo Gang was so upset that he could do nothing but swallow the words he had just said. ¹

"Yes, I did say that!"

Luo Gang said stubbornly, then took out his bank card and handed it to the waiter. "Card!"

"Okay, sir."

The waitress took out the POS machine and swiped the card with the cooperation of Luo Gang.

But as soon as he entered the password, it showed that the transaction failed because of a lack of balance.

"Sir, you only have 13200 yuan on this card. Why don't you pay 130,000 yuan first? As for the remaining 8,000 yuan, you can think of another way. I'll leave 200 yuan to you to take a taxi..."

Although the waitress' words were polite, her eyes were full of contempt. Because Luo Gang had begun bragging since she came in, the waitress had long been disgusted with him.

Luo Gang's face turned red. Seeing everyone's strange looks, he really wanted to kill himself.

He didn't expect that he could eat more than 100,000 yuan this time. Originally, he planned to show off in front of everyone, but he didn't expect that he would end up like this.

"Let's do it."

Luo Gang's heart was dripping with blood. After he entered the passcode again and again, the 130,000 yuan in his card was transferred out. He only had 200 yuan left.

Zhou Tian sneered in his heart as he watched from the side. ①

This restaurant was his. It was not that he was determined to earn more than one hundred thousand dollars, but he must teach Luo Gang a lesson.

Therefore, Zhou Tian didn't pay, nor did he ask the restaurant to give him the bill.

The waitress didn't know that Zhou Tian was her boss, so she had to ask for the remaining 8000 yuan.

"Excuse me, who will pay for the remaining 8000 yuan?"

The waitress asked politely.

"Let me do it."

Li Ruoxue took out her mobile phone, ready to pay with it.

"Ruoxue, I have money. You don't have to pay for it."

Zhou Tian said to Li Ruoxue and then took out his bank card.

The card that the housekeeper Qiu gave him had cooled down. He had already gotten a new card from the bank. There was still forty-five million dollars left in his bank card.

"Hey, don't make any trouble."

Li Ruoxue shook her head helplessly. She felt that he didn't even have 8,000 yuan on his card.

"It's cool on the side! Luo Gang has already paid the big half of the money. Now there are only 8,000 left. Don't you want to do it?"

Zhang Shuxiang glared fiercely at Zhou Tian.

"That's right. Who are you? I didn't see you taking the initiative when we paid 130,000 yuan. Now, you're here to take advantage of the situation."

Chen Ting looked at Zhou Tian with dissatisfaction.

Zhou Tian was amused. He looked at Chen Ting and Zhang Shuxiang and said with a smile, "Okay, okay. You pay

for it."

"We'll pay! Hmph, we'll pay for all the money. We're still short of 8,000 yuan!" ①

Chen Ting said angrily. Then she took out 8,000 yuan from her bag and paid the bill. ①

In fact, she felt so distressed in her heart. 138,000 yuan. The salary of Luo Gang for more than half a year was gone...

What made Chen Ting even more depressed was that Luo Gang had been bragging in front of her that he had money and millions of deposits. Unexpectedly, he had spent all the 130,000 deposits today. ①

"Lady, do you need to pack the remaining seven plates of goose-crowned pot and take it away?"

The waitress asked Chen Ting.

Looking at the seven plates of goose-crowned pot without chopsticks, Luo Gang was so angry that his mouth immediately bubbled.

It was all because of this stuff. Too expensive. The remaining seven plates were also worth 84,000 yuan.

"Tingting, let's pack them up and take them back. You can eat them slowly."

Luo Gang forced a smile and said to Chen Ting.

"Damn you! Luo Gang, I didn't expect you to be so hypocritical. Didn't you say that you have millions of dollars in your bank card? Didn't you say that if you have money, why are you pretending to be rich?"

Chen Ting was so angry that she pointed at Luo Gang's nose.

Luo Gang was so depressed that he almost wanted to hit the wall. Not only did he spend his only 130,000 savings, but he also made a fool of himself. The most unacceptable thing was that Chen Ting also looked down upon him. 3

"Tingting, listen to me. I've renovated the house recently, so I'm short of money."

"Don't make it up. Can millions of yuan be used to renovate the house?" Chen Ting looked at Luo Gang scornfully. ¹

When Zhang Shuxiang and Chen Jianghe saw this, they hurried to persuade them not to quarrel.

Zhang Shuyun and Li Ruoxue also tried to persuade Chen Ting, but the more they tried to persuade her, the angrier she became. In the end, Luo Gang's face was scratched.

Seeing that the dinner was out of control, Zhang Shuyun was so angry that she vented all her anger on Zhou Tian.

"It's all your fault. You're so useless! We were supposed to treat them. If you had the ability, would they have treated us instead?" Zhang Shuyun pointed at Zhou Tian and scolded him.

Zhou Tian was stunned. He was completely convinced by his mother-in-law.

She was the one who threw the pot.

"Mom, they insisted on coming here to eat seafood. They also said that the Sichuan Restaurant was not high enough. Chen Ting also ordered those goose-crowned pots. Luo Gang also said that he would pay for all the expenses. Zhou Tian was not to blame."

Li Ruoxue stood up and said. ①

"How dare you speak on this trash's behalf! I'm so pissed off..." Zhang Shuyun patted her chest.

"That's right. Ruoxue, why are you still speaking up for him? Let's see what else he can do other than eating!"

Chen Ting snorted.

Li Ruoxue was really angry at the moment. Her mother called Zhou Tian useless all day long, but what was Chen Ting doing? Even if her husband was disabled, it was not her turn to say so.

"Sister Ting, Zhou Tian is poor, but he is low-key and not hypocritical. He has always been very kind to me." When Li Ruoxue said this, she looked back at

Zhou Tian.

Zhou Tian's heart was warm. After all, she was his wife. She was still very protective of him in front of outsiders.

"Haha, what's the point of keeping low-key? He is as poor as a dog! In the end, we'll pay for it, humph!"

Chen Ting snorted, unwilling to give up.

"Well, Tingting, we're spending some money to invite Second Aunt and Ruoxue. Since he married into Second Aunt's house, he can eat with us."

Luo Gang rolled his eyes at Zhou Tian. Just now, he didn't have enough money to pay the bill. Now, he could vent his anger on Zhou Tian and belittle him. At the same time, he could also look for face back.

When Zhang Shuyun saw this, she didn't say anything and felt that she had lost all her face.

Luo Gang was quite embarrassed just now, but at least he could still pay 130,000 yuan. As her son-in-law, he

seemed to have no money at all.

Li Ruoxue was also speechless. After all, it was Luo Gang and Chen Ting who paid just now.

She looked at Zhou Tian for a moment, then smiled bitterly and shook her head.

Seeing Li Ruoxue's lost eyes at the moment, Zhou Tian couldn't bear it.

"Ruoxue, we're treating today. Don't let the poor spend money. They still want to live."

Zhou Tian said to Li Ruoxue at this time. Then he looked at Luo Gang and Chen Ting and said flatly, "You have spent all my money on it. It's a pity."

"What did you say? Your treat? Okay, return the 138,000 to us, and then pay the bill!"

Chen Ting sneered and looked at Zhou Tian.

"Tingting, do you believe such crazy words? If he can afford the bill, I will immediately lie on the ground and roll out." Luo Gang also sneered.

"That's what you said."

Zhou Tian's face darkened. Then he called the pretty waitress over and said to her, "You go to the Finance Department right now and ask Miss Tang to give 138,000 to Mr. Luo."

"Oh, okay, sir, let me try..."

The waitress was confused, but she still nodded and went to the financial room on the second floor.

Luo Gang and Chen Ting were stunned for a moment and then burst out laughing. ¹

"Haha, it's so funny. How can people in the Finance Department listen to you?"

Chen Ting looked at Zhou Tian and laughed hysterically.

Chapter 13 Let You off This Time

"Whether they listen to me or not, you will know in a while."

Zhou Tian sat there calmly, not in a hurry.

Chen Ting was even angrier when she saw Zhou Tian act like this.

In her opinion, this was simply a fantasy. How could they listen to a good-for-nothing like Zhou Tian? Wasn't this a joke?

"If that 138,000 yuan is not given back for us, what will you do?"

Luo Gang asked Zhou Tian with a sneer.

Zhou Tian smiled faintly and looked at Luo Gang and said, "If they don't return it to you, I will also lie on the ground and roll out as you said just now."
"

"Humph, it's not that easy. You have to kneel at Luo Gang's feet, slap yourself ten times, and then say that you are a

good-for-nothing."

Chen Ting glared at Zhou Tian and snorted.

Shit.

How ruthless she is! How could she come up with such an idea?

Zhou Tian frowned when he heard that. He really didn't understand why he had offended Chen Ting so bitterly. Since they met, she had been targeting him everywhere.

Upon hearing Chen Ting's words, Luo Gang smiled with satisfaction.

Chen Ting was also very proud, thinking that there would be a good show soon.

"Okay, but don't forget what you just said."

Zhou Tian said.

"Hey, what are you doing? We are all relatives. Why do you make things like this?" ①

Chen Jianghe frowned and felt it was

unreasonable.

"Old Chen, don't stop him. In my opinion, Ruoxue's husband is good at bragging. He said he is capable. Let's see if he has this ability."

Zhang Shuxiang crossed her arms and snorted.

Zhang Shuyun and Li Ruoxue were both very angry. They thought that Zhou Tian was crazy. This was the bet that he was bound to lose. How embarrassed would he be later?

Li Ruoxue was about to ask Zhou Tian to go home immediately, but at this moment, the waitress came back. Behind her was a young lady in an OL suit.

This woman was Tang Xiaoniu, who was in charge of finance. She had seen Zhou Tian when she bought this restaurant.

At this time, Tang Xiaoniu was quite confused. She didn't know who was so arrogant to ask her to return the 100,000 yuan to the guests for dinner. 1

But when she saw it was Zhou Tian, all of a sudden, she was shocked.

"Boss..." 1

Tang Xiaoni was just about to call him "boss", when she saw Zhou Tian giving her a wink. She quickly shut up.

"Give the money back to him."

Zhou Tian pointed at Luo Gang and said to Tang Xiaoni.

"Okay, okay, I'll get the money right away."

Tang Xiaoni quickly agreed and turned to the second floor quickly.

What!

Everyone present was shocked.

Zhang Shuyun and Li Ruoxue looked at each other and felt that it was incredible.

"How could Tang Xiaoni listen to the words of Zhou Tian? How could it be possible?"

Chen Jianghe and Zhang Shuxiang were

also stunned. They were actually looking forward to watching a good show. After all, their daughter and prospective son-in-law had made a bet with Zhou Tian just now.

Chen Ting looked at Zhou Tian. She had prepared a lot of insulting words just now, but now all of them were held back in her stomach, which was really uncomfortable.

"This is impossible..."

Luo Gang widened his eyes, but he was already panicked.

If Tang Xiaoni really returned the money to him, he would be kicked out. That would be so shameful. How could he face others in the future? ①

Zhou Tian just smiled and stood there calmly.

At this time, Tang Xiaoni had already come back with money. ①

"Sir, this is 138,000 yuan you just paid."

Standing in front of Luo Gang, Tang Xiaoni said indifferently.

Looking at the more than one hundred thousand dollars, Luo Gang was really ashamed and annoyed, and he was a little excited in his heart.

This was real gold and silver. It was all spent by him. He was so distressed just now.

He was about to reach out to take it, but Tang Xiaoni did not give him the money. She said to him, "Please complete your promise with Mr. Zhou. Get out of here, and the money is yours."

"You're fuuucking insulting me!"

Luo Gang glared at Tang Xiaoni angrily and shouted at her fiercely.

"Oh, you said it yourself. Get out of here, doesn't a man keep his words?"

Tang Xiaoni said with a smile.

Luo Gang's face turned red. "It doesn't matter what I say today. What can you do?"

"Haha, of course I can't do anything to

you, but I can't give you the money." 1

Hearing that, Tang Xiaoniū laughed.

Luo Gang fell silent. He was in a dilemma.

If he really got out, it would be too shameful, but if he didn't do that, it would cost more than 100,000 yuan...

For Luo Gang, tens of thousands of dollars was still a large sum of money. All the money he has saved.

Chen Ting was furious. She pointed at Tang Xiaoniū and asked, "What's your relationship with Zhou Tian? Why did you listen to him?"

Miss Tang was stunned for a moment, then she smiled and said, "Because Mr. Zhou is too handsome. I like him very much. Is there a problem?"

Chen Ting rolled her eyes and said to Luo Gang, "Let's go!"

"Tingting, don't you want more than 100,000 yuan?"

Luo Gang looked at Chen Ting

hesitantly and took a look at the money in Tang Xiaoni's hand. He really didn't want to give up so much money.

Hearing this, Chen Ting became furious. She glared at Luo Gang and said, "Are you really going to get out for money?"

"Tingting, it's over 100,000..."

"Okay, then get out."

Chen Ting stamped her foot angrily. 1

Of course, Luo Gang could not get out. If he did that, how could he face others in the future?

Therefore, Luo Gang chose not to say anything and glared at Zhou Tian.

He was even more depressed in his heart. He didn't understand how Zhou Tian would have such a great reputation that even the people of Lijiang seafood restaurant would listen to him.

"What, you've gone back on your word?"

"

Zhou Tian smiled coldly and looked at Luo Gang.

"Zhou Tian, don't go too far!"

Luo Gang glared at Zhou Tian.

"That's right. I was just joking with you. Are you serious?"

Chen Ting snorted and argued.

"A joke? If I lose, will you say that this is a joke?"

"For the sake of Ruoxue, I will spare you this time. Don't show off in front of me in the future."

"Also, hundreds of thousands of yuan is nothing to me. This meal is on me."

Pointing at Luo Gang's nose, Zhou Tian said pretty calmly. After that, he turned around and walked towards the entrance.

"Tang Xiaoni, give the money back to them."

When Zhou Tian walked out of the restaurant, he said without looking

back.

"Yes sir!"

Tang Xiaoni answered loudly and gave the money to Luo Gang and Chen Ting.

Looking at the departing Zhou Tian, the people present were stunned and could not say a word.

After more than a minute, Chen Ting looked at Li Ruoxue and said, "Ruoxue, is this your husband? He looked so domineering just now..." 1

Li Ruoxue had not yet recovered from the shock. She never thought that it would be like this. 1

Zhou Tian did not humiliate her. On the contrary, he was so mighty and handsome that he threw out hundreds of thousands of eyes without blinking. He was too bold.

However, how could Tang Xiaoni listen to Zhou Tian's words? She would not give up just because there were more than a hundred thousand yuan.

Li Ruoxue's heart was full of doubts

now. She really wanted to catch up with Zhou Tian now and ask him.

"Sister Ting, haven't you always looked down on him? Why do you feel that he is domineering now?"

Li Ruoxue said.

Chen Ting was embarrassed. She used to be so sarcastic, but now she really felt that her face was burning.

"Haha, Ruoxue, I didn't know he was so powerful before."

Chen Ting's eyes were shining when she said this. She was now a little jealous of Li Ruoxue and full of curiosity about Zhou Tian.

Li Ruoxue didn't say anything else and followed the group of people out of Lijiang seafood restaurant.

"Shuyun, I'll go back with Old Chen."

After arriving at the door, Zhang Shuxiang said goodbye to Zhang Shuyun.

"Okay, big sister, you can often come to

visit me."

Zhang Shuyun smiled politely. She was very happy now. Her useless son-in-law had finally made something, which made her feel proud.

"Shuyun, you have to be careful in the future. Your son-in-law looks very honest, but in fact, he's very flowery."

Zhang Shuxiang said.

Zhang Shuyun was stunned. "Sister, what do you mean?"

"Didn't you hear that girl say that she liked your son-in-law when she said he was handsome?"

"Big Sister, do you mean that the relationship between Zhou Tian and Tang Xiaoni is abnormal?"

Zhang Shuyun asked Zhang Shuxiang with her eyes wide open.

"It's for sure. Otherwise, why would Tang Xiaoni listen to Zhou Tian so much? Haha, you'd better investigate carefully. There is a 100% problem between them!" Zhang Shuxiang said

with certainty.

"That bastard!"

Zhang Shuyun was so angry that she gritted her teeth and wanted to tear Zhou Tian apart immediately.

Now that she thought about it carefully, it was true. Otherwise, how could a good-for-nothing like Zhou Tian have so much ability? How could the restaurant return more than 100,000 yuan? ①

"Haha, that's what's going on for a long time. Zhou Tian is a gigolo. No wonder he's so awesome."

Luo Gang laughed, curled his lips, and said disdainfully.

"I see. I thought he really has some skills. Haha, he's actually a gigolo! But it's not surprising. He just lives off a woman."

Chen Ting smiled as if she suddenly realized something. ①

Li Ruoxue was silent, and her heart was in a mess.

Although she didn't want to believe it, it was really suspicious that Tang Xiaoni listened to Zhou Tian so much.

After sending off Chen Ting and the others, Zhang Shuyun and Li Ruoxue returned home.

Li Ruoxue did not question Zhou Tian. After all, it had been more than three years. She had never fulfilled her duty as a wife, nor had she allowed Zhou Tian to bed her. ¹

Even if Zhou Tian had other women outside, she felt that she had no right to blame him. She could just get a divorce.

But Zhang Shuyun didn't want to let Zhou Tian go so easily. She shouted after arriving home, "Zhou Tian, get out here!"

Zhou Tian was resting in the room. When he heard Zhang Shuyun's voice, he couldn't help feeling a little headache.

He had already given Zhang Shuyun face at the seafood restaurant today. Why was she still so angry?

"Mom, you called me."

Zhou Tian walked out of the room.

Zhang Shuyun became angrier when she saw that Zhou Tian seemed to be fine.

"Keep pretending. I'll see how long you can keep pretending!"

Zhang Shuyun pointed at Zhou Tian and shouted angrily.

"Mom, you know everything?" Zhou Tian asked weakly.

"Of course I know! Are you telling the truth yourself, or do you want me to speak for you?"

Zhang Shuyun suppressed her anger. She didn't expect that she would admit that he had a woman outside so easily.

Zhou Tian looked at Li Ruoxue and then Zhang Shuyun. He sighed softly and said, "Mom, Ruoxue, since you know it, I'll confess. In fact, I'm a super rich second generation..."

Chapter 14 Super strong ability to court death

After saying, Zhou Tian heaved a long sigh.

After holding it in for so long, he finally said it. Presumably, when his mother-in-law and wife heard the news, they would be very happy.

However, Li Ruoxue was only stunned for two seconds, and then an extremely disappointed look appeared on her face.

"Zhou Tian, tomorrow I'll take a day off. I'll take you to the hospital."

Li Ruoxue sighed.

"Ruoxue, I'm fine. Why should I go to the hospital?"

"I'm going to take you to the Department of Spirit."

After finishing her words, Li Ruoxue entered her room.

"Don't brag. Even the rich second

generation has come out! Tell me honestly, how long have you been fooling around with Tang Xiaoni?"

Zhang Shuyun asked Zhou Tian angrily.

Zhou Tian was stunned by the question.

"What the hell?"

"Mom, I'm not screwing around."

"I knew you wouldn't admit it. How dare you do something to let Ruoxue down? Hmph, we'll see. Don't let me catch you in the act!" Zhang Shuyun returned to her room angrily. ①

Zhou Tian shook his head. He knew that it was useless to explain. His mother-in-law would never believe it.

Just then, Liu Yue'er called.

"Young Master, the project for the water park has been officially launched, and the project has been completed. Would you like to come and inspect it?"

Zhou Tian didn't expect Miao Pengju to move so fast. After thinking for a while, he decided to go and have a look. ①

"I'll be there in a minute."

After hanging up the phone, Zhou Tian drove to the western suburbs.

When they arrived at the water park for the construction project, Zhou Tian found that the park was preparing for the preparation.

It was a long row of stretch boards, which were temporarily built.

Zhou Tian saw someone in a house and he walked in.

As soon as he entered, he saw a familiar figure.

The girl was wearing simple clothes, but her tall and exquisite figure was extremely outstanding.

It was his sister Zhou Ling!

At this time, Zhou Ling was wiping the glass with a rag in her hand.

In the room, there were a few middle-aged women cleaning.

"Sister, why are you here?"

Zhou Tian was extremely surprised as he came behind Zhou Ling.

"Brother!"

Zhou Ling saw that it was her brother and gave an affectionate smile. "I don't have any class today, so I came out to work to earn some pocket money."

Zhou Tian's heart ached when he heard that. His sister was always so sensible. She knew that her family was poor and would come out to make money whenever she was free.

Thinking of the last time Zhou Ling was humiliated by her mother-in-law, Zhou Tian's heart ached even more.

"Don't come out to find jobs in the future. I am very rich now. If you can't stay free, you can go to the seafood restaurant to take care. You just focus on your studies. In the future, when you don't have classes, you can go out and play with your classmates."

Zhou Tian said lovingly.

Zhou Ling smiled gently. "I don't want t

o go out. Besides, I can't manage the restaurant well. It's good to do some work and exercise."

After a pause, Zhou Ling asked nervously, "By the way, how did you suddenly become so rich? Did you do something illegal?"

"Don't worry, sister. Money comes in a fair and square way," Zhou Tian touched Zhou Ling's little head and said softly.

"What are you doing? Don't work hard!"

At this moment, a woman came in from the outside and shouted at Zhou Ling.

Zhou Ling was shocked and quickly continued to wipe the glass.

Zhou Tian looked back and saw a woman in her twenties. She was wearing heavy makeup, and the perfume on her body could be smelled from a distance.

This woman was called Lu Yaoqin, and she was an employee of Huanyu International. Today's task was to

watch Zhou Ling and the others work.

"What about you? Are you deaf? If you don't work, why do you want to chat? Don't you want the wages?"

Lu Yaoqin angrily walked up to Zhou Ling and gave her a push.

Zhou Ling was a gentle and reserved girl. Seeing Lu Yaoqin so fierce, she was a little scared.

"I'm sorry."

Zhou Ling said with her head down.

"I'll deduct 20 yuan from you, little fox, who ask you hook up with men when you see them!"

Lu Yaoqin stared at Zhou Ling with a sneer.

Zhou Ling felt extremely wronged. She had only earned sixty yuan in a day, but Lu Yaoqin had deducted twenty yuan in one sentence...

She also knew that Lu Yaoqin was very against her and had been looking for fault with her since this morning.

But she didn't know that Lu Yaoqin was jealous of her beauty.

"Watch your mouth. Who are you talking about?"

Zhou Tian spoke at this time.

Lu Yaoqin looked at Zhou Tian from head to toe. When she saw him dressed like a country bumpkin, she curled her lips and looked disgusted.

"Where did you come from? Is this where you can come?"

Lu Yaoqin crossed her arms and rolled her eyes.

"Which department are you in? What's your name?"

Zhou Tian's face darkened as he asked Lu Yaoqin.

Hearing that, Lu Yaoqin glared at Zhou Tian and said, "What are you? Do you have the right to ask my name? Get out of here right now. Don't wait for me to kick you out."

Hearing this, Zhou Tian almost laughed

out of anger.

Since this woman was in charge here, she must be an employee of Huanyu International.

Now Zhou Tian was in the actual control of Huanyu International. He could not tolerate such a poor quality employee under his hands. 2

What's more, this woman dared to curse his sister. He absolutely could not forgive her.

"Go get your boss."

Zhou Tian didn't want to talk nonsense with Lu Yaoqin and waved at her.

Hearing this, Lu Yaoqin laughed and said, "Haha, you're still pretending. Look at you, poor boy. You're so arrogant!"

"..."

Zhou Tian was completely speechless about Lu Yaoqin. This woman had the ability to court death.

Seeing that Zhou Tian stopped talking,

Lu Yaoqin became more excited.

"Hurry up and take this bitch away.
Don't be an eyesore in front of me!"

As Lu Yaoqin spoke, she looked at Zhou Ling, who was wiping the glass, and said, "Hey, you can leave now. You don't have any wage today!"

Hearing this, Zhou Ling's heart sank.

60 yuan might not be a big deal for others.

But for her, it was very important. After all, her previous tuition fees were basically earned little by little like this.

Zhou Tian was really angry this time. It was okay to ridicule him. Anyway, he had been used to it for a long time. But Lu Yaoqin insulted Zhou Ling like this, so Zhou Tian couldn't help but be angry.

"Hey, I'm here. I'm in the simple room."
"

Zhou Tian took out his phone and dialed Liu Yue'er's number.

"Okay, Young Master, I'll be right there!"

”

Liu Yue'er ran over as soon as she received the call and entered the house.

With her intelligence, she could tell that there was a lot of gunpowder in the room at a glance.

Zhou Tian's face was as dark as water, and Liu Yue'er's heart was in her mouth.

Looking at Lu Yaoqin staring at Zhou Tian with a contemptuous look, Liu Yue'er understood everything.

"Lu Yaoqin, Lu Yaoqin, it's not your fault that you don't know the young master, but don't be snobbed. Offending the young master!" ①

"Mr. Zhou, what's going on?"

Liu Yue'er asked Zhou Tian carefully.

"I don't want to see her again."

Zhou Tian pointed to Lu Yaoqin.

Hearing this, Liu Yue'er immediately turned around, looked at Lu Yaoqin, and said, "Lu Yaoqin, go back to the company to register your resignation."

"What?"

Lu Yaoqin glared at her and stood up from her chair.

"Don't you understand? Go back to the company to do the formalities immediately. You don't have to come back to work in the future."

Liu Yue'er said solemnly.

"Haha, that's funny. Liu Yue'er, don't think that you can fire anyone just because you're the chairman's assistant. You don't have the right to fire me, do you?"

Lu Yaoqin sneered. Although Liu Yue'er was in a higher position than her, she didn't take Liu Yue'er seriously.

Liu Yue'er frowned and thought, "Lu Yaoqin is such a fool. The young master wants you to leave. Do you think you are qualified?"

"Believe it or not, but if you can still stay in Huanyu International, it's my loss."

Liu Yue'er smiled and didn't want to waste any more time on Lu Yaoqin.

Lu Yaoqin was not convinced. She twisted her waist and walked over to Zhou Tian. She patted his shoulder and said, "Nice to meet you, bumpkin. You know Liu Yue'er."

After that, she looked back at Liu Yue'er and said, "Don't show off in front of me. You just know how to be the chairman's assistant. What's so great about that?"

Lu Yaoqin was getting more and more excited. Anyway, they had already broken up and she didn't care about anything.

Liu Yue'er really didn't expect Lu Yaoqin to have such an attitude towards her!

After all, Liu Yue'er was the assistant of the chairman. In the entire Huanyu International, no one dared to command her like this except the chairman Miao Pengju.

"Lu Yaoqin, don't refuse the face I give to you. Get out of here!"

Liu Yue'er was also anxious. This beautiful woman also cared about her reputation.

"Haha, it's so funny. It's as if Huanyu International is your family! Let me tell you, even the chairman dares not fire me, not to mention you!"

Lu Yaoqin crossed her arms and sneered.

Zhou Tian was stunned. Lu Yaoqin was so arrogant that even Miao Pengju couldn't fire her?

"Where did she get the guts to say that?"

"You're crazy."

Liu Yue'er was furious and scolded.

"Who are you scolding? Don't think that no one can do anything to you just because you made a fool of yourself in front of the chairman!"

Lu Yaoqin leaned over and pointed at

Liu Yue'er's nose, scolding her harshly.

How could Liu Yue'er spoil her? She raised her hand and slapped her in the face.

Pa!

"Ah! How dare you beat me!"

"I'm beating you. You're the one who shouldn't talk."

Liu Yue'er chuckled.

"Just you wait! And you, all of you, just you wait!"

Lu Yaoqin's eyes widened. Pointing at Liu Yue'er and Zhou Tian, she swore and ran out.

"I'm sorry, Mr. Zhou. I didn't handle it well enough, so you're angry."

Liu Yue'er smiled charmingly and said to Zhou Tian.

Zhou Tian admitted that Liu Yue'er was indeed a very alluring woman. She was very attractive to men.

He calmed down and said with a smile, "

I'm not angry."

After that, Zhou Tian walked up to Zhou Ling.

Looking at his sister's sweaty forehead, Zhou Tian felt so distressed.

Although they were not biological sisters, their relationship over the past ten years was real. Their relationship was deeper than that between a brother and a sister. ²

"Listen to me and don't come out to work anymore. Study well. When you're free, I'll take you out to have fun."

Zhou Tian spoke gently as he wiped away his sister's sweat lovingly.

Zhou Ling had been stunned for a long time.

She could see clearly that Liu Yue'er had the final say here. Furthermore, she was dressed elegantly and fashionably. One look at her and one could tell that she was a woman of high status.

But such a woman was so respectful in

front of her brother, which made her confused.

"Brother, I'm fine. Don't worry about me." ¹

Zhou Ling said in a low voice.

"It turns out to be Mr. Zhou's younger sister. Alas, it's all my fault!"

Liu Yue'er's heart skipped a beat and she hurriedly rushed over to speak.

It was not until now that she knew that the young master had a younger sister in Beichuan City.

But she didn't know that Zhou Ling was not the daughter of the Zhou family.

"Honey, it's this bitch who hit me!"

At this moment, Lu Yaoqin kicked the door and came in, complaining to a fat man in tears.

She pointed at Liu Yue'er as she spoke.

The fat man came in with a cross-grained face and fierce eyes.

He glanced at Liu Yue'er and was about t

o get angry when he suddenly found that Liu Yue'er was really beautiful.

Men were like this. No matter how angry they were, when they saw that it was a beautiful woman, their anger was mostly appeased.

"Girl, you are so domineering. How dare you beat my woman?"

The man named Xiao San stared at Liu Yue'er lecherously.

Xiao San!

Liu Yue'er's heart skipped a beat when she heard that.

In Beichuan City, Xiao San was famous.

This guy was a rogue and cruel. Many people would be scared when they heard his name.

Chapter 15 Who Are You With?

Although Liu Yue'er was well-informed, she could not help but feel nervous in front of this infamous rogue, Xiao San.

"Lu Yaoqin, how dare you get this kind of person into our project? You're too arrogant!"

Liu Yue'er's voice was trembling.

Seeing Liu Yue'er's nervousness, Lu Yaoqin couldn't help feeling proud.

That was exactly what she wanted.

"Humph, Liu Yue'er, you're scared, aren't you? If you know what's good for you, kneel on the ground and apologize to me. Maybe I can let you go."

Lu Yaoqin put her arms around Xiao San's waist and threatened Liu Yue'er.

Liu Yue'er was angry, but she didn't dare to do anything to Lu Yaoqin. She also knew that Xiao San was Lu Yaoqin's lover.

Now that she had a conflict with Lu Yaoqin, maybe Xiao San would attack her. That would be terrible.

Watching all this, Zhou Tian couldn't help shaking his head.

It seemed that in terms of manpower, Miao Pengju was too careless. What kind of employees were they?

"Where are you from? Is this the place where you should stay?"

Zhou Tian's face darkened and he asked Xiao San.

Xiao San put all his attention on Liu Yue'er. After all, Liu Yue'er was so attractive.

So he didn't take Zhou Tian seriously at all. He only thought Zhou Tian was a worker here.

"Oh, you're quite bold. How dare you talk to Master San like that?"

Xiao San narrowed his eyes and walked towards Zhou Tian with a fierce look in his eyes. ①

Liu Yue'er's heart was about to jump out of her throat. "Young Master is a man of integrity. If anything goes wrong with me, how can I bear it?"

So she quickly stopped Xiao San and Zhou Tian in the middle and said to Xiao San, "If there is anything, just come to me. I hit Lu Yaoqin."

"Haha, I, Xiao San, never hit women. Now I just want to teach him a lesson."

Xiao San sneered and stared at Zhou Tian. He waved his hand and said, "Boy, don't hide behind a woman. Come out."

Zhou Tian was speechless. It seemed that there were all kinds of big birds in the forest. It seemed that Xiao San didn't want to live any more.

Thinking of this, Zhou Tian walked up to Xiao San.

"Assistant Liu, do you know this guy?"

Xiao San asked as he looked at Liu Yue'er with a smile. However, there was a hint of viciousness in his smile.

Liu Yue'er could tell that Xiao San was about to make a move. If this kind of person made a move, he would definitely kill Zhou Tian. How could the young master resist?

"Xiao San, I advise you not to make trouble here, or our President Miao will be very unhappy."

Liu Yue'er said.

Xiao San laughed and said, "Of course, I have to respect Miao Pengju, so I won't do anything to you. But this guy, I must teach him a lesson. I don't think President Miao Pengju will fall out with me because of this guy."

"Wouldn't they fall out with you? If you dare to lay a finger on Young Master, President Miao will kill you!"

Liu Yue'er cursed in her heart. At this time, she walked up to Zhou Tian and whispered in his ear, "Young Master, please leave quickly. Xiao San is not easy to deal with. He followed Long Kun..."

Liu Yue'er whispered to Zhou Tian, which made Xiao San very jealous. At this moment, he even wanted to deal with Zhou Tian.

"Getting along with Long Kun?"

Zhou Tian heard Liu Yue'er's words and could not help but feel confident.

Long Kun was the most powerful man in the underground world of Beichuan City. It turned out that Xiao San followed Long Kun. No wonder he was so arrogant.

Since he was Long Kun's subordinate, it would be much easier to deal with him. He had a good relationship with Long Kun.

"Liu Yue'er, what are you muttering about? You slapped me in the face, and now I'll return ten to you!"

As Lu Yaoqin spoke, she was about to walk toward Liu Yue'er.

Xiao San quickly stopped Lu Yaoqin and said, "Don't do it, baby. I've signed up a construction site here. If you beat her u

p, how can I do it here?"

"You are here to do the job arranged by Luo Gang. Do you have anything to do with her? I have to beat her up today. If something happens, I will let Luo Gang settle it."

As Lu Yaoqin spoke, she was about to hit Liu Yue'er.

Xiao San's mind was still very clear. He knew Huanyu's assistant, the chairman of Huanyu International, was not so easy to deal with. If he failed, Miao Pengju would be angry and would definitely not let him work here.

Therefore, Xiao San stopped Lu Yaoqin and didn't let her do anything.

"Boy, you're the one to pay for the slap of Yaoqin. Are you going to slap yourself or me?"

Xiao San walked up to Zhou Tian and asked with a smile.

Zhou Tian smiled faintly and said to Xiao San, "I heard that you're with Long Kun, right?"

Suddenly, Xiao San was stunned.

But soon, Xiao San's eyes widened. "How dare you call Master Long's name? Are you tired of living?"

"Call Long Kun now and ask if he knows Zhou Tian."

Zhou Tian said.

"Haha, this joker. How can Master Long know you?"

Lu Yaoqin laughed while covering her belly and looking at Zhou Tian mockingly. She felt that Zhou Tian was too funny.

Zhou Tian ignored her and just stared at Xiao San.

Xiao San didn't say anything. He was afraid of Long Kun. It would be terrible if he knew Long Kun naively. ①

What if he really know each other? Xiao San did not dare to be careless and dialed Long Kun's number.

"Boss, there's a guy called Zhou Tian here. He said he knew you..."

"Where are you now?"

"I'm working on the water park in the western suburbs."

"Wait for me there. If you dare to slight Mr. Zhou, I'll skin you alive!"

After saying that, Long Kun hung up the phone.

Xiao San's legs went weak and he almost fell.

He blankly looked at the calm Zhou Tian in front of him, feeling that he had made a big mistake.

What was Long Kun's identity? After hearing Zhou Tian's name, he immediately rushed over. Who the hell was Zhou Tian? ¹

Xiao San didn't dare to think further. At this moment, he smiled obsequiously and said to Zhou Tian, "Childe Zhou, it's all my fault. I failed to recognize you just now. You're so generous. Don't argue with me." ¹

What was going on?

Lu Yaoqin was stunned. She didn't expect that Xiao San's attitude would change so much after he called Long Kun.

"Dear, this guy is a bad worker, and his sister works under me. Why are you flattering him?"

Lu Yaoqin asked Xiao San grumpily.

"What the hell do you know? Shut up!"

Xiao San yelled fiercely at Lu Yaoqin. 1

Lu Yaoqin was so scared that she didn't dare to say anything more.

"Xiao San, you just said that you would teach me a lesson."

Zhou Tian looked at Xiao San and said slowly.

Xiao San was so scared that his face turned pale. Long Kun would come soon. If he did not get Zhou Tian's forgiveness, he would be in trouble.

"Childe Zhou, I didn't know you were the good friend of Young Master Long. If I had known, I wouldn't have dared to

say that."

Xiao San nodded and bowed in front of Zhou Tian, standing there with a bitter face.

Seeing that Xiao San had admitted defeat, Lu Yaoqin stopped shouting.

Her reliance was Xiao San. Seeing that Xiao San was like a grandson in front of Zhou Tian, she dared not to complain anymore.

I can't believe that this man knows Master Long...

Lu Yaoqin secretly complained.

Liu Yue'er did not expect that Zhou Tian would know Long Kun, and they seemed to be very close, which surprised her.

Zhou Tian ignored Xiao San and Lu Yaoqin. For such small characters, Zhou Tian was too lazy to argue with them.

Looking at Zhou Ling, who was next to her, the little girl still had a lingering fear. Zhou Tian looked at her and said, "Sister, you can go back first."

"Brother, will you be okay?"

Zhou Ling looked at the fierce Xiao San and asked with some concern.

"Brother is fine. You can leave now."

Zhou Tian said with a smile.

Zhou Ling didn't want to stay here for a long time. Xiao San was so fierce, and Lu Yaoqin was so mean. She just wanted to leave this place as soon as possible.

As soon as she walked out of the room, a young man came in.

It was none other than Chen Ting's boyfriend, Luo Gang.

At this moment, Luo Gang walked in with a dirty face, looking like he was out of luck.

"Shit, cleaning up is so slow, what else can you do?"

Luo Gang got furious as soon as he came in. He was humiliated by Zhou Tian in the seafood restaurant. Chen Ting also quarreled with him, which made him depressed to the extreme.

When Luo Gang entered the room, he saw Zhou Tian and immediately widened his eyes.

"This bastard is here too? Damn it, I'm looking for him!"

"Lu Yaoqin, what are you doing? How can you let all kinds of goods in? Do you think we are engaged in a vegetable market?" ¹

Luo Gang pointed at Zhou Tian and questioned Lu Yaoqin.

Lu Yaoqin was Luo Gang's subordinate. Although she was not afraid of Liu Yue'er, she was afraid of Luo Gang.

"Brother Luo, I didn't let him in."

Lu Yaoqin said guiltily.

Luo Gang ignored Lu Yaoqin and walked to Zhou Tian. He pointed at Zhou Tian's nose and said, "Get out of here! You're not welcome here."

Liu Yue'er, who was standing by the side, was startled. She also sympathized with Luo Gang in her

heart.

"Is this the courage that Jing Ru had given him? How dare he talk to Master Zhou like that!"

Seeing Luo Gang like this, Zhou Tian was not angry but laughed. "Hehe, are you sure you want me to fuck off, not you?"

"Damn it, I didn't teach you a lesson when I was in the seafood restaurant. Now you still want to show off?"

Luo Gang scolded Zhou Tian angrily and then turned back to Xiao San and said, "Brother Xiao San, drive this guy out. If he doesn't listen to us, you can beat him up!"

Hearing this, Xiao San's face turned green. If he hadn't called Long Kun, he would have called Zhou Tian out without hesitation. After all, it was Luo Gang who had arranged all the work here.

But Zhou Tian was Long Kun's good friend. How dare Xiao San do that?

"Luo Gang, please calm down for a while..."

Xiao San reminded Luo Gang in a low voice.

Brother Xiao San, this is not like you. You don't dare to touch this man? Alright, I'll do it myself.

Luo Gang grinned hideously and was about to grab the hair of Zhou Tian.

"You like fighting, don't you?"

At this moment, a loud male voice came from the door.

As soon as he finished speaking, the man strode in and reached out to grab Luo Gang's hair.

" Master Long Si, you're here."

Xiao San greeted him respectfully and did not even dare to breathe loudly in front of this man.

Chapter 16 A Dancing Clown ①

It was Long Kun.

After receiving a call from Xiao San, Long Kun couldn't sit still and rushed here with his men as fast as he could.

It was Long Kun's dream to do something for Zhou Tian.

"Mr. Zhou, how do you want to deal with this stupid guy? Is his hand or foot broken?"

Long Kun's words were very bland, as if that someone's hands and feet were cut off was a normal meal. ①

Luo Gang was so scared that he urinated. He had seen Long Kun before and knew that Master Long, who was famous, was not scaring him at all. Now, as long as Zhou Tian said a word, Long Kun would definitely disable him.

" Master Long Si, please spare my life. I'm the one who arranged the work for Xiao San. I can be considered to be

doing something for you."

Luo Gang pleaded in a trembling voice.

"It's no use begging me. Go beg Mr. Zhou."

Long Kun said coldly.

Luo Gang could not figure out how a good-for-nothing like Zhou Tian, who was a live-in son-in-law, could be favored so much by Long Kun!

But the fact was in front of him. Now he could only beg Zhou Tian to let him go.

"Brother-in-law, please spare my life. After all, I am your future cousin-in-law. Since your wife and Chen Ting are cousins, please spare me this time..."

Luo Gang's knees gave way and he knelt straight in front of Zhou Tian.

"I didn't say that I would do anything to you. Look at how scared you are." ①

Zhou Tian smiled faintly and patted Luo Gang on the cheek.

After all, Chen Ting and Luo Gang had not officially broken up, so for the sake

of his wife Li Ruoxue, Zhou Tian did not intend to kill them all.

Luo Gang felt as if he had been granted amnesty. He thanked Zhou Tian again and again. "Thank you, brother-in-law. I will never look down on anyone again..."

Zhou Tian no longer paid him any attention. After chatting with Long Kun for a bit, he left this place.

After returning home, Zhou Tian was about to enter the room to rest when he found Zhang Shuyun trying to persuade Li Ruoxue.

"Ruoxue, no matter what, you have to go to see the Child of the Qian Family with me today. I heard that the water park is under construction. Our Jinxiu Villa needs to be built again. Who else can help us except the Child of the Qian Family?" Zhang Shuyun said eagerly.

"Mom..." ¹

Li Ruoxue bit her lip. Although she did not want to have such contact with

Qian Xiaofei, there was really no better way now. ¹

There was a total of nearly 10 million Yuan. Was there any other way but to seek help from Qian Xiaofei?

"Let Zhou Tian go with us. It's better for him to be present, lest Qian Xiaoyao has other ideas."

Li Ruoxue glanced at Zhou Tian, who had just returned, and said to Zhang Shuyun after thinking for a while.

Zhang Shuyun froze for a moment and felt unhappy.

"We can't do it if he goes. When the Child of the Qian Family sees you go with him, will he be happy?"

"Mother, it's settled. Otherwise, I'd rather give up Jinxiu Villa."

Li Ruoxue said firmly.

"All right, let him go with us."

Zhang Shuyun had no choice but to say reluctantly.

Zhou Tian's eyes flickered but he said

nothing.

He turned back and went back to his room.

However, he took the time to call Miao Pengju...

After lunch, Zhou Tian drove to the Qian Group with Li Ruoxue and Zhang Shuyun.

Zhang Shuyun and Qian Xiaofei had already called to meet at Qian Xiaofei's company.

Qian Xiaofei definitely could not make the decision on such a big matter, so Zhang Shuyun decided to talk to Qian Xiaofei's father.

Soon, they arrived at the gate of the Qian Group.

"Auntie, Ruoxue, you're finally here!"

Qian Xiaofei dressed up very well today and waited here early.

"Xiaofei, is your dad in the company?"

Zhang Shuyun's face was full of smiles. No matter how she looked at Qian

Xiaofei , she all liked it.

"Yes, I'm here."

Qian Xiaofei was busy flattering Zhang Shuyun, glancing at Li Ruoxue from time to time, drooling.

At this time, Zhou Tian also got out of the car.

Seeing Zhou Tian's arrival, Qian Xiaofei's face fell immediately.

"Yo, you're here too?"

Qian Xiaofei curled his lips and looked at Zhou Tian.

Yesterday, he was kicked in the face by Zhou Tian. Qian Xiaofei was thinking about how to get revenge.

Zhang Shuyun was afraid that Zhou Tian would offend Qian Xiaofei, so she glared at him, signaling him not to cause trouble.

Zhou Tian was too lazy to argue with a clown like Qian Xiaofei and followed him in.

"Hello, young master!"

As soon as they entered the room, two female employees passing by bowed deeply to Qian Xiaofei and greeted him.

Qian Xiaofei was so proud that he didn't forget to see Li Ruoxue's reaction.

Seeing that Li Ruoxue didn't respond or even look at him, he felt a little disappointed.

However, Zhang Shuyun was extremely envious of this scene.

"It's good to have money. Look at Master Qian. How glorious he is!"

"Auntie, Ruoxue, this is my dad."

After entering the Chairman's office, Qian Xiaofei began to introduce his dad with a proud expression.

He directly treated Zhou Tian as air.

At this time, a rich man in his forties was sitting on a boss chair.

This man was Qian Xiaofei's father, the Chairman of the Qian Group, Qian Hai.

"You are Ms. Zhang, right? Please have

a seat."

Qian Hai said to Zhang Shuyun politely, but he didn't get up..

Zhang Shuyun was still quite restrained in front of Qian Hai.

After all, she was begging him.

"Hello, Mr. Qian."

Zhang Shuyun greeted Qian Hai with a smile.

"Dad, this is Ruoxue I told you about."

Qian Xiaofei introduced Li Ruoxue to Qian Hai.

Qian Hai's eyes lit up when he saw Li Ruoxue.

This figure, this appearance! So beautiful!

No wonder Xiaofei was mesmerized by her... 1

Qian Hai sighed to himself. He rolled his eyes and came up with an idea.

"Ms. Zhang, I've heard about your intention of coming here. There's no

problem with the funds. I can invest ten million yuan."

Qian Hai said to Zhang Shuyun with a thick sense of wealth.

Zhang Shuyun was extremely excited. She didn't expect things to go so smoothly.

"Thank you so much, Mr. Qian!"

"Wait, I haven't finished yet. I want half of the profits from the sales of the real estate."

Qian Hai said.

Hearing this, Li Ruoxue frowned.

This condition was too harsh. Jinxiu Villa had already at the end of completing. If Qian Hai put in 10 million yuan, it would take half of the profit. It was too cruel.

Zhou Tian sneered in his heart. Qian Xiaofei was shameless, but his father was even more so!

"Mr. Qian, this doesn't seem appropriate..."

Zhang Shuyun was also a little dumbfounded. She hadn't expected Qian Hai to be so greedy.

"Haha, I don't think Ms. Zhang would come to me if you could raise 10 million yuan." ¹

Qian Hai smiled smugly. "However, if we become relatives, I only want 20% of the profit..."

Zhang Shuyun naturally understood. As long as Li Ruoxue and Zhou Tian divorced and married Qian Xiaofei, Qian Hai only wanted 20% of the profit.

Zhang Shuyun could accept 20% of the profit, and she was also willing to marry into a family like Qian Hai.

So Zhang Shuyun looked back at Li Ruoxue.

Qian Xiaofei's heart was filled with joy. He could already imagine how happy he would be after getting Li Ruoxue.

Li Ruoxue was so angry that she wanted to take Zhou Tian out of here.

"Mr. Qian, people from Huanyu International are here. They say they want to see Miss Li Ruoxue."

At this moment, Qian Hai's secretary came in and said.

Qian Hai was shocked. His strength was nothing compared to that of Huanyu International.

"Please come in."

"Yes."

The secretary agreed and went out.

Soon, a charming woman in her twenties came in.

When she entered, her gaze fell upon Zhou Tian, and she smiled charmingly at him, which was very enticing.

Zhou Tian was not unexpected, because it was within his expectations.

It was Miao Pengju's assistant, Liu Yue'er.

"Hello, Miss Li. Our Childe ZhouChilde Zhou assigned me to talk about the

cooperation with you."

Liu Yue'er said to Li Ruoxue politely.

Li Ruoxue was shocked. "Mr. Zhou? He wants to cooperate with me?"

"Yes."

Liu Yue'er smiled. ¹

"Then... then how does Childe ZhouChilde Zhou want to cooperate?"

Li Ruoxue suspected that she was dreaming. With such a high status as Childe ZhouChilde Zhou, how could he cooperate with her?

"It's like this. Jinxiu Villa was built by us. We don't need you to pay a penny."

Liu Yue'er introduced.

"Then what are your conditions, Childe ZhouChilde Zhou?"

"There's no condition. I won't share the profits with you. Please rest assured."
"

Liu Yue'er said.

Suddenly, Li Ruoxue was stunned.

"It's really a pie falling from the sky!"

"He invested so much money in vain, but still doesn't want profits and dividends. Is this childe Zhou doing charity?"

Li Ruoxue couldn't figure it out.

Zhang Shuyun's mouth was wide open. She was dumbfounded.

Zhang Shuyun pinched her thigh hard to make sure that she wasn't dreaming.

"Miss Li, you don't have to worry. With the reputation of Childe Zhou Childe Zhou and Huanyu International, I won't lie to you. Goodbye."

With that, Liu Yue'er turned around and left.

Qian Xiaofei was tongue-tied. He thought he could get Li Ruoxue, but he did not expect to suffer such a heavy blow!

Qian Hai was even more stunned. He sat in his chair and didn't recover for a long time.

Just now, he was arrogant and superior, but now he became a clown.

Compared with Childe Zhou, who was rich and willful, he was a shameless person who took advantage of others' misfortune.

After half a minute, Li Ruoxue recovered from the shock and showed a sweet smile after the surprise.

Zhou Tian secretly looked at her pretty face and felt extremely gratified. ①

"Conspiracy. There must be a conspiracy."

Qian Xiaofei was shocked for a while and finally said this sentence.

But everyone could see that he said it reluctantly.

"At least it's better than someone that likes drinking blood."

Li Ruoxue looked at Qian Xiaofei coldly and said, then she said to Zhang Shuyun, "Mom, let's go home."

Zhang Shuyun had long been overjoyed.

"Childe Zhou Childe Zhou is so generous. It's God's enlightenment."

Now it didn't matter whether they had the Qian Family's help or not.

"Mr. Qian, your appetite is too big. Please forgive me for not accepting it, haha."

Zhang Shuyun chuckled and turned to leave Qian Hai's office.

Li Ruoxue and Zhou Tian also left.

Qian Hai was so angry that he slammed his fist on the table. He didn't even eat the fat in his mouth. Fuck! Is this Childe Zhou Childe Zhou crazy? Isn't he going against us?

"Dad, I'll check his background now."

Qian Xiaofei gritted his teeth in anger.

"What the hell are you investigating? Didn't you hear Huanyu International say that he is the son of the Zhou family? Even if you investigate carefully, what can you do to the Zhou family?"

Qian Hai said furiously.

Qian Xiaofei was speechless. How could the Qian family afford to offend the Zhou family?

On the way back, Zhang Shuyun was so excited that she almost couldn't control herself.

"Ruoxue, when did you meet Childe Zhou?"

Hearing this, Li Ruoxue was stunned. How could she know Childe Zhou?

"Mom, I haven't seen Childe Zhou at all."
"

"You even lied to Mom. If you don't know Childe Zhou, how can he help us like this?" ①

Zhang Shuyun continued to ask.

Li Ruoxue smiled helplessly. She knew that her mother would not believe it, so she said nothing more.

As Zhou Tian drove the car, he found it funny. ②

The mother-in-law no longer envied Childe Qian. Should she envy Childe Zhou next?

She likes whoever really has money? It was too snobbish.

If she knew that her son-in-law was Childe Zhou, he didn't know what she would think.

Chapter 17 A Secret Plot ¹

After Zhou Tian left, Qian Xiaofei felt as if grass had grown in his heart.

The only trump card was to help Li Ruoxue raise funds. In this way, he would be able to threaten Li Ruoxue.

But he didn't expect that someone would come out halfway and Huanyu International actually agreed to be the contractor of Jinxiu Villa. Li Ruoxue could sit by and enjoy the result without paying a penny. ¹

This was a big blow to Qian Xiaofei. He wanted to discuss how to deal with it with his father Qian Hai, but found that Qian Hai was too afraid of Huanyu International and did not dare to have a conflict with Huanyu International at all.

Qian Xiaofei left the Qian Group resentfully and drove directly to his uncle Qian Jin.

"Yo, Xiaofei, you're here."

Qian Jin narrowed his triangular eyes and sat in the boss chair with a cigar in his mouth. At this moment, he was holding a young enchanting woman in his arms.

"Uncle, I need your help."

Qian Xiaofei's expression was unpleasant as he glanced at the young woman.

"You can leave now."

Qian Jin patted the woman and asked her to go out. ²

Only his uncle and nephew were left in the office. Qian Xiaofei briefly explained what had just happened to Qian Jin.

Qian Jin was immediately stunned. He spat out a smoke ring and said, "Xiaofei, Li Ruoxue is quite capable. Even Huanyu International is helping her like this? The remaining money of Jinxiu Villa is not small. If you don't have 8 million, you can't afford it."

"Uncle, there is something you don't

know. Huanyu International is the Zhou family. Now a Childe Zhou has appeared to protect Li Ruoxue!"

Qian Xiaofei spat. He really hated Childe Zhou to the core.

"Haha, Xiaofei, is that woman named Li Ruoxue so charming? Look at your lost soul. If you don't get her, you won't sleep well, will you?"

Qian Jin gave a bad smile.

"See for yourself."

Qian Xiaofei found Li Ruoxue's photo on his mobile phone, which he took secretly when Li Ruoxue was not paying attention.

Qian Jin took a look at Li Ruoxue's photo on his mobile phone. The lecherous guy's eyes immediately became fixed, and he almost drooled.

"Damn it, she's really the best."

Qian Xiaofei smirked shamelessly.

Qian Jin's triangular eyes rolled, and he had already come up with an evil idea.

"It's easy. Leave it to me. As long as you do as I say, she will definitely not escape from us."

Qian Jin took a greedy look at Li Ruoxue's photo and came up with an idea for Qian Xiaofei.

After hearing Qian Jin's words, Qian Xiaofei laughed gleefully. "Uncle, you have a way. It's really high, really high! Hehehe..."

...

After sending Li Ruoxue and Zhang Shuyun home, Zhou Tian drove out. ¹

He hadn't seen her adoptive father in days. Now that he had money, it was time to repay him for bringing her up. ²

After buying a lot of things, Zhou Tian drove back to his adoptive father's house.

His adoptive father's home was a typical village in the city, but unfortunately, it was not planned, and it was still far away to live in a new house.

It rained the whole day, and the broken sand and stone road was a little muddy. It took Zhou Tian a lot of effort to get home by driving.

The two old-fashioned bungalows could collapse at any time from an earthquake. It was such an environment that he had lived for several years.

"Dad, I'm back."

Zhou Tian carried the things he bought into the house.

"Xiao Tian, you're back!"

His adoptive father, Zhou Fuzhu, was pleasantly surprised and came out with a broken basin in his hand.

Zhou Tian couldn't calm down when he saw Zhou Fuzhu's plain and weathered face.

If it weren't for the adopted old man with the same surname as him ten years ago, he really didn't know if he could live to this day.

"Brother, come and pick up the rain. What's left out at home is absurd!"

Just then, Zhou Ling's sweet voice came from the inner room.

"Ah, okay."

Zhou Tian quickly put down his things and entered the inner room.

Zhou Ling was busy in the pit in the house, taking out all the pots and other things that could be used at home, and then the rain from the roof fell down. 1

It was drizzling in the house. It was warm in the cold winter and warm in the summer, and the ventilation was good. This situation was not unfamiliar at all.

Zhou Tian was used to seeing people grow up in this kind of environment.

But now, he couldn't let his adoptive father live in such an environment anymore.

"Sister, don't fetch water. Let's go buy a house now."

Zhou Tian smiled at Zhou Ling and asked her to come down.

Zhou Ling was stunned. She turned back and asked, "Brother, the housing price is so expensive. How can we afford it?"

"Have you forgotten? I'm rich now."

Zhou Tian said with a smile.

"Brother, why do you suddenly have money? I can't believe it is true."

Zhou Ling shook her head. She could hardly believe that her brother could make a fortune overnight.

"Xiaotian, you have to take the right path to make money. Don't break the law. Besides, it's good for me to live here. I have a small courtyard where the debris I picked up can be kept."

Zhou Fuzhu said with a silly smile.

"Don't mess around anymore and enjoy your life."

While speaking, Zhou Tian pulled Zhou Fuzhu and Zhou Ling out of the room.

"Xiaotian, where are you taking me?"

Zhou Fuzhu was stunned by Zhou Tian.

"Buy a house."

"We can still live in the house. Besides, where can you get the money to buy a house?"

"Dad, don't ask any more questions. You can live at ease if we buy a house."

Zhou Tian did not explain.

After getting in the car, they went straight to the convulsing sales center of the Hua Family.

This was the top-grade villa community in the city. Half of the villas were independent three-story villa, and the other half were elevator houses. The price was quite high.

Zhou Fuzhu was simple and honest, but he was not a fool. He had been living in Beichuan, so he knew how fierce the house price in Beichuan was.

Even the cheapest part of the park had to be sold at almost 10,000 yuan per

square meter.

The Hua Family was an upscale villa estate. Those who could afford villas here were either rich or noble.

Even if they bought an ordinary house here, most of them were from rich families, because the price of the house was 201,000 square meters due to its ordinary size.

"Xiaotian, what are you doing? Do you want to buy a house here?"

Zhou Fuzhu couldn't believe it. He stood at the door and hesitated, not daring to go in.

Zhou Tian was not surprised when he saw his adoptive father's reaction.

After all, his adoptive father had been honest for a lifetime and had always been poverty-stricken. He probably didn't even dare to think about buying a house here.

"This is called poverty limited imagination." ②

"Brother, stop it. The minimum price of

the houses here is at least one million yuan, not to mention those villas, at least more than ten million yuan..."

When Zhou Ling said this, she looked at Zhou Tian from time to time, hoping that her brother would take her home soon.

"Don't worry, I can afford it."

Zhou Tian smiled at Zhou Ling and then strode in.

Zhou Fuzhu and Zhou Ling had no choice but to follow Zhou Tian and go in.

Of course, Zhou Fuzhu and Zhou Ling seemed to be very restrained, because the sales office here was also luxurious enough. If you had no money, you would have no confidence.

Two salespeople were receiving customers, and the rest chatted aside. After seeing Zhou Tian and the others come in, these idle salesmen did not respond.

After all, in the real world, dressing up

was the first impression, and there were many people who judged people by their appearance.

Seeing that Zhou Tian and the others were dressed too old-fashioned, these salespeople were too lazy to pay attention to them. Some of them even cast disdainful eyes at them.

When Zhou Tian saw that the reception personnel here was so arrogant, he couldn't help but feel a little unhappy.

"Is there no one to receive guests here?"

Zhou Tian asked loudly at this time.

Finally, a tall and sexy short-haired woman came over.

"Hello, I am Wu Li, the golden sales here. What can I do for you?"

Wu Li's face was taut. Even though her words were polite, it was still hard to hide the impatience in her heart.

In her opinion, Zhou Tian was just here to watch the fun. He came here to flirt with her for no reason.

Zhou Tian looked at Wu Li and understood what the woman with heavy makeup was thinking.

Alas, it seemed that keeping a low key was also a mistake. Some people always looked down upon them.

Zhou Tian sighed with emotion in his heart. However, he had been used to keeping a low key all these years. If someone made him suddenly become high-profile, he really couldn't be high-profile. ¹

"Look at the house."

Zhou Tian said blandly.

Wu Li rolled her eyes. It was not uncommon for a poor person to come to see a house. She had seen a lot.

Therefore, she naturally classified Zhou Tian to this kind of people.

"The starting price here is 21,000, the highest is 66,000. Are you sure you have not gone to the wrong place?"

Wu Li sneered and looked at Zhou Tian

with disdain.

Zhou Tian frowned when he saw this. The expression on Wu Li's face when she spoke was very uncomfortable.

"If you don't want to receive me, please find someone else."

Zhou Tian didn't want to be angry with Wu Li, so he said it directly.

"Hehe, it looks like you can really buy it."

Wu Li chuckled and looked back at the girl who had gone to the bathroom.

"Tian Xiaorui, come and receive this gentleman."

Wu Li waved at Tian Xiaorui.

"Okay, Sister Li!"

Tian Xiaorui trotted over to Zhou Tian and politely said, "Hello, sir. I'm the salesgirl, Tian Xiaorui. If you have anything you need to know, I'll explain it to you."

Zhou Tian looked at the girl in front of him and felt very comfortable.

The girl was only 18 or 19 years old. She looked very well-behaved, and her voice was not as sour as Wu Li's.

Before Zhou Tian could speak, a man and a woman walked in.

The man was in his forties, with a big belly and big ears. He looked like a nouveau riche.

"Wu Li, it seems that your level is not high. People of any level can come here to buy a house."

The man looked unhappy and glanced at Zhou Fuzhu and Zhou Ling.

"Yo, Boss Zheng, you're finally here. How about the house that I introduced to you yesterday?" ¹

Wu Li immediately went up to him. She was extremely enthusiastic towards Boss Zheng, as if she had just met her own father.

Boss Zheng looked at Zhou Tian, curled his lips, and said, "I planned to buy it today, but now I have to think about it. If any cat or dog can buy a house here,

won't it be very cheap for me to buy it here?" ¹

After that, Boss Zheng rolled his eyes and sneered with disdain.

Chapter 18 It's Time for You to Take Medicine

Seeing the fat man like this, Zhou Tian was speechless.

You buy yours, I buy mine. Did I offend you?

"Sir, I'll take you there to introduce."

At this moment, the salesgirl called Tian Xiaorui whispered to Zhou Tian.

Zhou Tian could tell that Tian Xiaorui was a kind girl. Maybe she was afraid that he would quarrel with Boss Zheng.

"All right."

Zhou Tian nodded and went to the sand table a few meters away with Tian Xiaorui.

Tian Xiaorui patiently introduced the types to Zhou Tian. Zhou Ling and Zhou Fuzhu were also ready to go to Zhou Tian's place.

But at this moment, the girl next to

Boss Zheng said, "Haha, I just saw that it was Zhou Ling."

Zhou Ling then noticed the girl. She was shocked. She knew this girl. It was her classmate, Wu Xiaowei. ¹

Usually at school, Wu Xiaowei would make things difficult for Zhou Ling, so Zhou Ling did not like to talk to her. At this time, she did not speak.

Seeing that Zhou Ling did not speak, Wu Xiaowei snorted and said, "Okay, Zhou Ling, you just ignore me when you see me. Have you found a rich boyfriend?"

With this, Wu Xiaowei glanced at Zhou Tian.

"Haha, baby, you are so good at joking. Look, that guy is dressed like a cannon and she has a rich boyfriend?"

Boss Zheng pointed at Zhou Tian and laughed.

"Hehe, that's right. The poor people nowadays are too good at lying to girls. He even brought them to visit the

house. Can he afford it?"

Wu Xiaowei looked at Zhou Tian with a strange look and then looked at Zhou Ling, giggling.

Zhou Ling didn't want to pay attention to Wu Xiaowei and Boss Zheng. She had already known that this Wu Xiaowei had a married man. It was said that this married man was quite rich. It must be Boss Zheng.

But the words of these two people became more and more unpleasant to hear, and Zhou Ling couldn't help but be very angry.

"It's not what you think. He's my brother."

Zhou Ling explained.

"He's your brother after all this trouble. Is he the live-in son-in-law?"

Wu Xiaowei deliberately spoke loudly, for fear that people in the sales department could not hear her.

As soon as she said that, Zhou Tian immediately became the focus of

attention here.

Some customers who were choosing the houses also stopped and looked at the surroundings.

"It's live-in son-in-law. No wonder he's so down and out."

"It's really embarrassing for our man to live off a woman. How can he be so shameless?"

"Looks like his father-in-law is quite rich. He even gave him money to buy a house from an aristocratic family like the Hua Family. He's such a playboy..."

Some people were talking about it. Although their voices were not loud, they could all be heard clearly.

Tian Xiaorui pursed her lips and looked at Zhou Tian sympathetically. She felt that this big brother was pitiful enough.

Zhou Lingzhi's heart was trembling. She had a deep relationship with Zhou Tian. Seeing her brother being laughed at like this made her extremely uncomfortable.

It was all Wu Xiaowei's fault. She didn't want to make a scene. Her brother wouldn't be laughed at like this.

Zhou Ling looked at Wu Xiaowei angrily.

Zhou Fuzhu was an honest person. At this time, he was very dull and at a loss.

Zhou Tian, on the other hand, was calm in his heart. For him, such words had long been heard, and it didn't matter.

Those who were used to being laughed at would be immune to it.

"Boss Zheng, Miss Wu, don't argue with the poor. You'd better look at the house you chose yesterday." ①

Wu Li's face was wreathed in smiles as she tried to curry favor with Boss Zheng.

Boss Zheng curled his lips and held Wu Xiaowei in his arms. He said to Wu Li, "No, this is for my baby to choose a house for me. My baby is unhappy with these three people, so let's talk about it another day."

With that, Boss Zheng turned around

and was about to leave.

Wu Li grew anxious. There was a lot of money for selling a house. She didn't want to miss this opportunity.

"Boss Zheng, please hold on. I just don't like them. I can ask them to leave as soon as possible!"

Wu Li quickly chased after him.

"Honey, don't go. If you agree, you can buy it for me today."

Wu Xiaowei shook Boss Zheng's arm, making him feel goose bumps.

Boss Zheng was very pleased. He kissed Wu Xiaowei's face and said with a smile, "Okay, okay, Wu Li, quickly clear out all the eyesores."

"Yes, yes, yes. I'll do it right away."

Wu Li answered repeatedly and then walked towards Zhou Ling and Zhou Fuzhu.

"Hey, don't stand here. Get out."

Wu Li said with an unhappy expression.

"Why? We are also customers. How can you drive customers away?"

Zhou Ling was completely angry. She, who had always been clever and gentle, also shouted loudly.

Zhou Tian did not expect Wu Li to be so excessive and to chase them out.

At this time, he stopped choosing a house and walked to Zhou Ling's side.

"Why? It's a waste of time if you can't afford it. You've affected the customers who really want to buy a house, understand?"

Wu Li crossed her arms and said angrily.

"You are looking down on us. How do you know we can't afford it?"

Zhou Ling said.

"So what if I look down on you? Leave immediately, or I'll get the security to chase you out."

Wu Li waved her hand impatiently. She didn't even bother to look at Zhou Ling.

"Haha, Zhou Ling, you should know yourself. Don't you know that your family is poor? Others don't know you, but I do. Just go. The houses here are very expensive. People like you can't expect that."

Wu Xiaowei came over and said sarcastically.

Zhou Ling was angry and ashamed. She lowered her head and said nothing.

After all, what Wu Xiaowei said was also the truth. She was indeed the one with the worst family background in class.

"Girls shouldn't be so aggressive. It's not good."

Zhou Tian looked at Wu Xiaowei with a faint smile on his face. He was not angered by her at all.

"It's none of your business. I'm really unlucky to meet your poor family today!"

Wu Xiaowei rolled her eyes.

Zhou Tian was really drunk. He didn't

dig up Wu Xiaowei's ancestral tomb. Why was Wu Xiaowei so angry? It was just like she had her menopause earlier. 1

To bully Zhou Ling in front of Zhou Ling's family, one could imagine how much Wu Xiaowei had discriminated against Zhou Ling in school.

It seemed that he really needed to teach Wu Xiaowei a lesson.

Thinking of this, Zhou Tianxiao looked at Wu Xiaowei and said, "Do you think you are rich? You are just hooking up with a married man who is not rich." 1

"Look at him. He's almost as old as your father. Not only is he ugly, but he's also like a pig. You are so young, what do you really want him to give you?"

As he spoke, Zhou Tian glanced at Boss Zheng, who was like a fat pig. He shook his head and sighed.

But Mr. Zheng was furious. He widened his eyes and shouted, "You poor wretch, how dare you call me a pig?"

"You are such a good-for-nothing. So

what if he is old and have a poor figure? He is willing to spend money on me. We are going to buy this house for more than one million yuan. Do you know what it means to pay more than one million yuan? I am afraid that you won't make a million yuan in the next life. Hehe!"

Wu Xiaowei became more and more passionate as she spoke. In the end, she did not feel ashamed and lingered around Boss Zheng, showing off their love in public. ¹

Boss Zheng was quite satisfied with Wu Xiaowei's performance. He proudly looked at Zhou Tian and said, "How poor are you? My baby is right. You won't make a million in your next life. Haha."

Zhou Tian was speechless. Buying a house was supposed to be a happy thing, but he didn't expect to run into such a person everywhere. ¹

"You're rich, aren't you? If you have money, just buy a villa here. Don't buy a n ordinary house."

Zhou Tian smiled coldly.

"..."

Boss Zheng was at a loss for words. The villas here were worth tens of millions. How could he afford them?

He had already spent a lot of money buying an ordinary house. If Wu Xiaowei hadn't pushed him so hard, he wouldn't have been willing to spend more than one million yuan.

"Don't you have nothing to say? If you really have money, why do you come to see it twice? Just pay the money to buy the most expensive one! The most expensive villa here is only 60,660 per square meter. You can't even afford this amount of money, why are you still pretending to be rich in front of me?"

Zhou Tian's words were like a cannon. He was very domineering at the moment.

The question made Boss Zheng's face turn green. He rolled his eyes and said, "Fuck, if you have the ability, you can buy the most expensive one. Don't brag.

"

"That's right. You don't have to buy the 66,000 yuan per square meter. You can buy the 20,000 yuan per square meter. If you can afford it, I'll go with you now!"
"Wu Xiaowei snorted.

Mr. Zheng was so angry by what she said that he almost vomited blood. He stared at Wu Xiaowei.

"Honey, don't be angry. This guy can't afford it anyway."

Wu Xiaowei said quickly.

Zhou Tian looked at Wu Xiaowei with a smile and said, "Forget it. I'm afraid I might get sick."

"You!" ¹

Wu Xiaowei was so angry that she wanted to scratch it.

Zhou Tian ignored her and waved at Tian Xiaorui.

"Sir, is there anything I can do for you?"

Tian Xiaorui asked Zhou Tian politely. She also concluded that Zhou Tian

could not afford the house here, but she was still very polite to Zhou Tian.

"Which one is the most expensive villa here? I'll buy it now."

Zhou Tian said to Tian Xiaorui calmly.

What?

Tian Xiaorui really suspected that she had heard it wrong, so she stood there in a daze.

Not only her, but everyone present was stunned.

But soon, these people realized that bragging was not illegal. This man was too good at boasting.

Boss Zheng and Wu Xiaowei laughed so hard that their stomachs hurt. They felt that they had heard the funniest joke.

"You're a good man. You've successfully amused me."

Boss Zheng sneered.

Wu Xiaowei laughed so hard that her waist twisted. She was even happier than during the Spring Festival.

Wu Li was also grinning from ear to ear. She twisted her hips and walked in front of Zhou Tian. She said, "You're making me crazy. Alright, alright. Stop making a fuss here. Hurry home and take your medicine." ①

"If I remember correctly, the commission for selling a ten-million-yuan villa is more than a hundred thousand, right?"

Zhou Tian asked Wu Li.

"That's right. But what does that have to do with you?" Wu Li looked at Zhou Tian teasingly.

"You should have earned the one hundred thousand commission, but you refused. I think you should be the one who should take the medicine."

Zhou Tian said indifferently and then gave Tian Xiaorui his bank card. "Go and swipe the card. Remember, what I want to buy is the most expensive villa here."

"Sir, the most expensive villa is 1888

million. I can give you a 20% discount...

" Tian Xiaorui was stunned. It took a while before she introduced it to Zhou Tian.

"What a lucky number! I don't need a discount. The discount is yours."

Zhou Tian waved his hand nonchalantly.

Tian Xiaorui opened her mouth in excitement. Her heart was about to jump out of her chest.

Did he really want to buy it?

Wu Li's heart tightened. She could no longer smile.

Chapter 19 The Shadow of Younger Sister

Was he really going to buy the most expensive villa?

Wu Li could not help but re-examine Zhou Tian. She could not believe her eyes when she saw Zhou Tian's outfit which did not dare to flatter her.

However, Zhou Tian had already handed over his bank card to Tian Xiaorui. It did not seem like he was putting on an act...

"Okay, okay, sir..."

Tian Xiaorui was so excited that her voice trembled. She took the bank card from Zhou Tian and seemed to be holding something heavy.

It was no wonder that Tian Xiaorui would do this. To sell a ten-million-yuan villa here was what every salesman dreamed of. It was known that the commission alone was more than a hundred thousand.

"Go and swipe the card, and get the procedures done faster."

Seeing Tian Xiaorui so excited, Zhou Tian smiled at her. ¹

"Sir, I'll still give you a 20% discount. I can't accept the discount..."

Tian Xiaorui's little face was flushed, and she was very sincere to Zhou Tian.

After all, the discount was more than one million yuan. This number was too much for Tian Xiaorui!

Zhou Tian looked at her and sighed with emotion in his heart. Nowadays, there were not many girls like Tian Xiaorui.

"If I say it's for you, then it's for you. Don't make me angry."

Zhou Tian said calmly.

"Ah... Okay, sir. Please don't be angry."

Tian Xiaorui nodded nervously and took Zhou Tian to pay by credit card.

The entire sales building was dead

silent, and even a pin drop could be heard clearly.

Those who were laughing at Zhou Tian just now all shut up.

It took more than ten seconds before some people began to discuss in a low voice.

"Where does this rich man come from? He didn't even want a one million discount. Give it all to the little girl surnamed Tian!"

"Yes, yes, it's true that the sea can't be crossed. We were really wrong just now."
"

"Husband, keep your voice down. We can't offend such a person..."

Wu Li stood there like a sculpture. Her intestines were about to turn green from regret.

How could he be a poor man? How could he be so rich without billions? ①

Seeing that Tian Xiaorui had made a fortune, Wu Li felt like her heart was being scratched by a cat. Unwilling to

give up, she chased after her.

"Dear, it seems that he really wants to buy the most expensive villa..."

Wu Xiaowei also came to her senses and looked at Boss Zheng blankly.

Boss Zheng's face was extremely ugly. He was jealous and jealous, but more shocked.

"Damn, why is he still pretending to be poor when he's so rich? He's really good at pretending."

"It's still early. I don't believe that he really paid the money."

Boss Zheng was stubborn and deliberately pretended not to care.

Wu Xiaowei didn't say anything. She didn't dare to be rude to Zhou Ling anymore. After all, if Zhou Ling really had such a rich brother, she wouldn't even have the time to curry favor with Zhou Ling.

In the Finance Department, a large group of salespeople were crowded there. They had no time to introduce

the houses to the guests. They all wanted to see how this most expensive villa was sold.

When the payment was completed, several female salespeople present screamed.

The manager of the sales department also ran in when he heard the news. The middle-aged man with glasses smiled and looked at Zhou Tian with admiration, saying, "Mr. Zhou, can I take a photo with you?"

"There's no need for a group photo. Send the discounted money to Tian Xiaorui's bank card."

Zhou Tian looked at the manager calmly.

The manager quickly nodded. "Okay, okay. I'll get someone to do it right away!"

"Manager Ma, I received Mr. Zhou first. Later, Tian Xiaorui robbed me of my client. You should give me a discount!"

Wu Li yelled at the top of her voice. She

was so anxious that she was about to jump up.

That was more than one million!

Manager Ma was a little confused. He looked at Wu Li and then at Tian Xiaorui. "What's going on between you two? Who received Mr. Zhou first?"

Tian Xiaorui lowered her head and whispered, "Sister Li received them first, but..."

"But what? Hum, you just have to admit that I'm the one who receives Mr. Zhou first! Manager, we have a rule that we're not allowed to take the clients from our colleagues! Therefore, the deposit should belong to me!"

Wu Li shouted loudly, looking very reasonable.

Upon hearing this, the manager glared at Tian Xiaorui.

After all, he had already set the hidden rules for Wu Li. He had slept with her many times, so he had to support her.

"Tian Xiaorui, you're so ridiculous!"

Don't you know it's a big taboo to steal a client from a colleague? If you can do it, do it. If you can't, get out of here!"

Manager Ma pointed at Tian Xiaorui and scolded her.

Tian Xiaorui was so aggrieved that she almost cried. She explained, "Sister Li asked me to receive Mr. Zhou. I didn't rob it."

"I'm just asking you to receive him for a while, and I didn't give Mr. Zhou to you. Why are you so thick-skinned? Don't give me a hard look!" Wu Li put her hands on her hips and yelled angrily at Tian Xiaorui.

Tian Xiaorui cried. She knew how amazing Wu Li was here, and the relationship between her and the manager was ambiguous. How could she beat Wu Li?

Looking at the farce in front of him, Zhou Tian's view of the world was somewhat destroyed.

He had seen shameless people before, but it was the first time he had seen

someone as shameless as Wu Li.

Looking at Tian Xiaorui, who was aggrieved and helpless at the moment, Zhou Tian seemed to have seen the shadow of his sister Zhou Ling.

"Xiaowang, transfer the discounted money to Wu Li's account and transfer the commission as well." Manager Ma waved his hand and said to the finance manager. ¹

"Yes, Manager Ma."

Xiaowang shook her head. She sympathized with Tian Xiaorui but did not dare to say anything.

"Don't transfer the money now."

Zhou Tian stopped Xiaowang, then looked at Manager Ma and said, "Manager Ma, do you or do I have the final say?"

Manager Ma was stunned and quickly smiled at Zhou Tiandao. "Mr. Zhou, of course you have the final say."

"Well, the discount and commission will be transferred to Tian Xiaorui's

salary card."

Zhou Tian said in a deep voice.

Suddenly, Tian Xiaorui lowered her head and looked at Zhou Tian excitedly with tears in her beautiful big eyes.

"Mr. Zhou, it's too much money. I don't dare to accept it."

"It's okay. Introduce the house to me for half a day. I'll take it as a fee for your hard work."

Zhou Tian smiled gently.

The few salespeople present almost fainted together.

Some were envious, some were jealous, and a few almost stamped their feet and pounded their chests.

If they had known that Zhou Tian would be so heroic, they would have gone for the 100-meter dash just now! More than a million? Even sleeping with this rich man for a few months wouldn't be too hard...

"Okay, Mr. Zhou, of course, your money

is up to you. Xiaowang, hurry up and transfer the money to Tian Xiaorui."

Manager Ma looked at Zhou Tian with a n awkward smile.

That's right. He was a man of wealth these days. A few words were useful!

Thud.

Wu Li almost collapsed on the spot. She sat down on the ground, hugged Zhou Tian's thigh tightly, and cried, "Mr. Zhou, I was the first one to receive you. Did you forget?"

Zhou Tian didn't expect Wu Li to do this either. He had to admit that Wu Li had a really good physique.

"It's so tempting to stick to my thigh. Isn't it a crime to seduce me?"

However, at the thought of what Wu Li had just said and compared to the strong contrast now, Zhou Tian only felt disgusted.

If it weren't for the one million yuan tempting her, would she be able to cling onto his thigh like she was now?

"Haha, of course I haven't forgotten. You still want to call the security to drive me out, a poor wretch."

Zhou Tian chuckled. "Let go, or I'll sue you for molestation."

"Mr. Zhou..."

Wu Li let go of his thigh as if she had lost her soul. She knew that she was destined to have no fate with the million.

"Sir, this is your contract. Please sign it."

Tian Xiaorui completed the purchase contract for Zhou Tian and handed the pen to Zhou Tian with trembling hands. The little girl was so excited that she couldn't be more excited.

After signing it, Zhou Tian left the Finance Department.

Seeing the contract in Zhou Tian's hand and the people coming out of the Finance Department talking about it, Wu Xiaowei finally believed that all this

was true.

She stared blankly at Zhou Tian and then at Zhou Ling, completely doubting her own life. ¹

"Dad, sister, this is the key to the villa. You can move in today. This villa is decorated."

Zhou Tian gave the contract and keys to Zhou Fuzhu.

As soon as he said that, Li Ruoxue called and asked him to go home quickly.

"I'll go back first. I'll ask Tian Xiaorui to take you to see the villa later. If you have any problems, tell her."

After saying, Zhou Tian left the sales office.

Watching Zhou Tian leave, Wu Xiaowei almost couldn't help chasing after him.

If she could hook up with rich people like Zhou Tian, she could get whatever she wanted.

"Old Zheng, you promised to buy me a

house. Hurry up and buy it."

At this time, Wu Xiaowei stopped calling him darling, and her voice was not as sweet as usual.

There was no harm without comparison. She now felt that Mr. Zheng was nothing compared to Zhou Tian.

"Baby, let's talk about it in a few days. I'm not in a good mood today."

Boss Zheng's face turned blue because he found that people in the sales department were looking at him with mocking eyes. After all, he had just ridiculed the poor people. Now he was really ashamed. ①

"Shit, in a few more days, this shabby house has been bought by you for two months, but it still can't be bought! Their house's price is 18 million yuan, and they bought it so easily. Is it so hard for you to pay just one million yuan?" ①

"I know that you can't bear to buy it for me. I broke up with you, hmph!"

Wu Xiaowei gave Boss Zheng a contemptuous look.

Boss Zheng was both angry and annoyed. He pointed at Wu Xiaowei and scolded, "Wait and see!" ¹

However, he also knew that Wu Xiaowei couldn't follow him anymore, so he gritted his teeth and left with a dirty face.

Wu Xiaowei spat and then walked to Zhou Ling with a smile. "Zhou Ling, it was my fault in the past. Don't take it to heart. After all, we are classmates."

"Okay." Zhou Ling nodded slightly, not knowing what Wu Xiaowei was going to do.

"Well... Can you give me your brother's phone number? I want to make friends with him."

Wu Xiaowei was full of expectation.

"My brother has a wife. Don't even think about it."

Zhou Ling shook her head and went to

see the villa with Zhou Fuzhu.

Wu Xiaowei snorted and thought, "A good man is afraid of women. Sooner or later, I will seduce your brother!"

...

Zhou Tian had just returned home when he saw Li Ruoxue and Zhang Shuyun coming out downstairs.

At this time, Li Ruoxue was carrying a box of birthday cake in her hand, while Zhang Shuyun was carrying a lot of fruit.

Zhou Tian then remembered that today was Li Ruoxue's grandfather's birthday.

Zhou Tian had always been very respectful to Li Ruoxue's grandfather.

When he married Li Ruoxue back then, only Li Ruoxue's father and grandfather strongly supported him. They had never looked down on him. 1

As for the other relatives, they could only laugh.

"You only know how to go out and flirt

everyday. Don't you know today is your grandfather's birthday?"

As soon as Zhang Shuyun got in the car, she scolded him angrily.

"Mom, I'll go buy some gifts for grandfather."

Zhou Tian said.

"What are you talking about? Drive!"
Zhang Shuyun said angrily.

Zhou Tian stopped talking. If he continued to speak, he would be spat even worse.

Twenty minutes later, they arrived at Li Ruoxue's grandfather's house.

As soon as he entered the living room, he found that everyone was there. The room was full of talking relatives, and the atmosphere was very festive.

"Shuyun, Ruoxue, I've been waiting for you. Come in."

"Ruoxue is really becoming more and more beautiful."

"..."

A group of relatives greeted Zhang Shuyun and Li Ruoxue enthusiastically, but no one greeted Zhou Tian and ignored him directly.

Zhou Tian had long gotten used to it. After all, no one had ever thought highly of him as their son-in-law.

However, Chen Ting was very concerned about Zhou Tian. At this time, she poked her mother Zhang Shuxiang and said, "Mom, look, the guy who fooled around with Tang Xiaoni is also here. Hum, he is really shameless." ¹

"Yes, you are really thick-skinned." Zhang Shuxiang nodded and agreed with her daughter's words. ²

"Mom, look, I will expose him in public."
"Chen Ting pursed her lips and smiled evilly.

"Okay, Mom will cooperate with you."

Chapter 20 I'm Here

Zhang Shuxiang whispered, and then deliberately raised her voice. "

Tingting, your Sister Ruoxue could bring him out on any occasion. Don't you feel disgusted?"

"Yes, Mom, I feel sorry for Sister Ruoxue. She is so beautiful. How could she marry such a person?" Chen Ting glanced at Zhou Tian and said deliberately.

"Ahem, well, Shuxiang and Tingting, we are all family members. Why do you have to do this?"

At this time, Li Ruoxue's grandfather Zhang Qingtian coughed twice.

"Dad, you don't know how shameless he is. He eats Ruoxue's and dresses Ruoxue's, just like a vampire. What's more, he is still fooling around with a woman named Tang. Do you think it's reasonable?" 2

Zhang Shuxiang accused Zhou Tian

with a look of indignation.

"That's right, Grandpa. Back then, you did your best to support the Zhou family. Look at the dirty things he's doing now, alas."

Chen Ting sighed and said.

"How could this kid have done such a thing? He is too shameless."

"Yes, Ruoxue's so beautiful and virtuous. Is he still not satisfied?"

"You're indeed a toy boy. You don't have enough at home and still want to go out to eat."

"..."

The relatives pointed at Zhou Tian and criticized him, hoping to beat him up.

Li Ruoxue's face was hot. She also felt that the relationship between Zhou Tian and Tang Xiaoni was ambiguous. Otherwise, why would Tang Xiaoni give him face and give up the hundred-thousand-yuan bill?

Zhang Shuyun's face was ashen as she

glared at Zhou Tian. She didn't expect that she would be humiliated just as she entered the door.

Zhang Qingtian glanced at Zhou Tian, but soon he shook his head. He didn't believe Zhang Shuxiang and Chen Ting's words.

"Don't talk nonsense about the shadowless thing. I'm happy today, so don't talk about it anymore."

Zhang Qingtian said.

The honored tutor's words were still very authoritative, and the others didn't dare to say anything else.

"Shuyun, why didn't Ruoshi come?"

At this time, Li Ruoxue's grandmother asked Zhang Shuyun.

"Mom, Ruoshi went shopping with her boyfriend. The kid's phone was turned off and she couldn't get through."

Zhang Shuyun shook her head, a little annoyed.

"It's okay, it's okay. Young people are

playful."

Old Lady Zhang smiled.

Hearing this, Li Ruoxue was a little worried, because she knew that her sister Li Ruoshi never turned off her phone. What's more, in the morning, her sister promised to come back to attend Grandpa's birthday.

Li Ruoyun called her sister again, but her phone was still turned off, which made her even more worried.

"Ruoxue, I heard that Childe Zhou is here to help you build Jinxiu Villa. Is it true?"

At this time, Li Ruoxue's uncle Zhang Tao came over and asked curiously.

Before Li Ruoxue could speak, Zhang Shuyun said excitedly, "Yes, yes. Childe Zhou Childe Zhou has asked Huanyu International to run Jinxiu Villa. We don't need to spend a penny."

"Really? A lot of people are talking about it. I thought it wasn't true! Second Sister, that Childe Zhou didn't

say how to share the dividends with you?"

Zhang Tao asked excitedly. After all, the Zhou family was so powerful that people admired it. It was really glorious to cooperate with such a powerful family.

Zhang Shuyun pursed her lips and said proudly to Zhang Tao, "Haha, you didn't think of that. Childe Zhou Childe Zhou helped us build Jinxiu Villa House for free!"

"Oh my god, how is this possible?"

"That's amazing. Mr. Zhou is such a nice man."

"I think Childe Zhou Childe Zhou is probably secretly in love with Ruoxue. Otherwise, how could he do this?"

Everyone was amazed and began to talk about it.

Zhang Shuyun's heart was so beautiful. She had never felt so glorious before.

"Sister Ruoxue, do you really know Childe Zhou? Can you do me a favor and

let Childe Zhou arrange for me to be in Huanyu International? I want to go to work there." At this time, Zhang Peng, Zhang Tao's son, spoke with a smile and begged Li Ruoxue.

Zhou Tian was really drunk on the side. A large group of relatives was talking about Childe Zhou Childe Zhou, but they didn't know that Childe Zhou Childe Zhou was so close to them that they left him alone in the corner.

Li Ruoxue looked at Zhang Peng. She really didn't know how to answer her cousin.

"Brother, I don't know Childe Zhou Childe Zhou."

Li Ruoxue sighed softly.

Hearing this, Zhang Peng was stunned for a moment, but then he smiled. "Sister Ruoxue, you are really funny. Who can believe your words?"

"I really don't know him. I haven't seen him." Li Ruoxue explained seriously. 1

Hearing Li Ruoxue's words, everyone

felt very strange.

"Weird. Isn't Childe Zhou Childe Zhou too mysterious?"

Zhang Tao shook his head and sighed. Then he looked at Li Ruoxue and said, "Ruoxue, if you see Mr. Zhou, you must help your brother. Your brother is looking for a job after graduating from college. He doesn't like other companies and wants to enter Huanyu International."

"Alright uncle, I will definitely do my best." ①

Li Ruoxue could only nod and agree for the time being.

Zhang Shuyun felt very proud when she saw that a relative had finally asked for her help.

Ever since Li Ruoxue's father passed away, her family had declined. Her relatives barely interacted with her family, which made her feel very wronged.

Now, Childe Zhou Childe Zhou had

finally appeared. Zhang Shuyun was extremely grateful in her heart. ①

"Don't worry, Younger Brother Tao. Childe Zhou will meet with Ruoxue sooner or later. Even Huanyu International is run by his family. It's easy for him to send Zhang Peng in, isn't it?" Zhang Shuyun said proudly.

"Yes, yes, If Mr. Zhou said yes, it would be okay for my son to be a manager." ②

Zhang Tao quickly complimented Zhang Shuyun.

Li Ruoxue frowned. She knew best that she didn't know Childe Zhou at all. Why did her mother agree to it first?

"Uncle, it's too early to say these things now. What's more, I'm not related to Childe Zhou. It's already a great favor for him to help us build the Jinxiu Villa House. I don't know how to repay him." Li Ruoxue sighed.

Zhang Tao laughed and said, "Don't say that. Mr. Zhou must like you. In addition to this reason, I can't think of a second possibility, haha!"

Hearing this, Zhang Shuxiang got excited and approached Li Ruoxue. " Yes, Ruoxue, you must seize this opportunity. If you marry into a rich and powerful family, we will all benefit! "

With this, she looked back at Zhou Tian in the corner again. "Haha, if someone knows himself well, don't take advantage of the latrine and delay Ruo Xue's youth!"

Her words were so harsh that Zhou Tian couldn't bear it no matter how good-tempered he was.

"Aunt, haven't you heard that people would rather destroy ten temples than get married? As an elder, don't you think you've gone too far?" Zhou Tian came over and questioned Zhang Shuxiang.

"Oh, you're not convinced, are you? Why don't you look at yourself in the mirror? Compared with Childe Zhou, you can't even compare with him, right?" Zhang Shuxiang said angrily.

Zhou Tian sneered. "You haven't even met Childe Zhou. How do you know I'm not as good as him?"

"Do we still need to see him? A disciple from such a wealthy family like Mr. Zhou must have an outstanding temperament and handsomeness. Look at you again, you look poor, hehe."

Zhang Shuxiang was sharp-tongued and looked at Zhou Tian with sarcasm.

"What if I say I'm Mr. Zhou? Do you still think I'm poor-looking?"

Zhou Tian asked Zhang Shuxiang.

"Ha ha ha!"

"I laughed so hard that my stomach hurt. I'm going to the bathroom..."

"Say, Zhou Tian, you're Childe Zhou? I think you're helping him carry his shoes."

"I don't think there's anything wrong with him. Zhou's family name is Zhou too. It's just that this young master is his own son."

Several young people who were on the same generation as Li Ruoxue laughed and looked at Zhou Tian mockingly. They laughed happily.

Zhou Tian stood there calmly. When he saw these people's ugly faces, he thought it was a good thing. He clearly saw through everyone's face.

"All right, let's stop for a while!"

At this moment, the grandfather Zhang Qingtian said loudly.

Hearing his words, all the young people didn't dare to say anything, but they still sneered.

Zhang Qingtian approached Zhou Tian, patted him on the shoulder, and comforted him, "Zhou Tian, don't take it to heart. Work hard in the future. A real man will always have a bright future."

These words warmed Zhou Tian's heart. He looked at Zhang Qingtian and said, "Grandpa, don't worry. I will definitely give Ruoxue happiness."

"Okay, I believe you!"

Zhang Qingtian nodded with relief.

Chen Ting laughed after hearing this. She twisted her waist and walked over and said, "Grandpa, you are really good. Do you believe his empty words? Is he relying on Sister Ruoxue to support him and he wants to give Ruoxue happiness?"

"Speak less. Everyone will be in trouble sometimes." Zhang Qingtian looked at Chen Ting seriously.

"Tsk." 1

Chen Ting pursed her lips with disdain and said, "Just say it now. If your grandson wants to work in Huanyu International, Childe Zhou can arrange it with one word. He can even be a vice president! Can Zhou Tian do it? What do you say he can do?"

"We haven't even met Mr. Zhou yet. Why should we count on him? By the way, Chen Ting, your boyfriend Luo Gang is in Huanyu International, right?"

He is a company leader. You can ask Luo Gang to help Zhang Peng." ①

Zhang Qingtian said to Chen Ting.

Only then did Chen Ting realize that her boyfriend, Luo Gang, was unusually low-key today. He was hiding in the corner like a mute.

"Gangzi, did you hear what grandpa said? Quickly take Zhang Peng to Huanyu International." Chen Ting waved to Luo Gang.

Luo Gang glanced at Zhou Tian and felt quite flustered.

Others looked down upon Zhou Tian, but Luo Gang did not dare to, because he knew that Zhou Tian had a good relationship with Master Long, who was famous in the underground world.

"I will fight for it. It is difficult to enter Huanyu International. If I become an ordinary employee, there is still some hope..." Luo Gang did not have confidence and he took out his mobile phone and called Miao Pengju, the chairman.

But soon, Luo Gang hung up the phone in low spirits. Miao Pengju refused directly without giving him any face.

Zhang Tao was very worried, and his son, Zhang Peng, was even angrier. He stood there without saying a word.

Zhang Qingtian sighed. In fact, the old man loved his grandson so much. Zhang Peng's work had made the old man worried for many days.

Zhou Tian felt a little guilty when he saw Zhang Qingtian like this.

After all, this old man had always been so nice to him.

"Grandpa, don't worry. I'll make a phone call and have a try. Zhang Peng will be a manager in Huanyu International. It should not be a problem." Zhou Tian looked at Zhang Qingtian calmly and then took out his mobile phone. ①

"Damn it, did I hear it wrong? Hahaha..." ②

Chen Ting looked at Zhou Tian and

couldn't help laughing.

Her smile made several young people laugh. They quickly gathered around Zhou Tian, hoping that he would be slapped on the shoulder so as to see how embarrassed Zhou Tian would be.
