

Revenge On My First Love Chapter 103

This side is also not much mood to play on, the original good weekend was so a matter to spoil the end.

Cecelia was the first to finish changing when she came out and saw Drake also finished changing and came out.

Her whole body is tense and her face is still smiling, despite not knowing how many times she's seen Drake, she's still fascinated by his appearance.

"Drake"

Just after screaming, a hand was around her neck and lifted the person up.

"Drake"

Drake's eyes were filled with gloom: "Don't think I don't know that you had something to do with this, and just because Sophia won't pursue you anymore doesn't mean I'll let you off the hook."

Cecelia's hand was on his and kept trying to break his hand away.

"Drake, I really didn't do it, why don't you just believe me?"

"Heh, you don't know how to tell the truth when you're on the verge of death!" There was contempt in Drake's eyes.

Such a look also succeeded in hurting Cecelia, and perhaps because of this, she shouted in anger

"Drake, can you wake up, Sophia doesn't love you anymore, and your family would never let a woman like Sophia marry you, and you're still thinking about her like that?"

Flynn and Bailey also changed their clothes, and they were ready to come out when they heard these words.

Bailey glanced at Flynn: "Your sister is really capable of being deadly!"

"Ugh!" What else could Flynn say.

"Whether Sophia gets to marry in or not is our business, not yours, Cecelia, and you should know how much I've disliked you since you were a child."

"Before I looked at your brother's face, I could let you off again and again, but you stepped on my bottom line, you should understand the consequences of doing so."

Cecelia: "....."
