

Revenge On My First Love Chapter 110

And Emma made it, it really felt like Mom.

Emma's eyes were also a little moist: "Drake, when you want to eat, feel free to tell mom, she'll make it for you."

"Good!"

Drake is eating.

Emma wasn't quite ready to hang up the video with him and said with a smile, "By the way, my student is outside playing with some of her sisters, I'll show you."

"Good!"

Emma hadn't taken more than a few steps when Drake's phone rang over there.

"Mom, I'm going to take a call first."

"Okay, you take it!"

Answer the phone, this side of the video is naturally to hang up, Emma knows, he must be something to busy, really did not expect, to introduce him to someone, how so difficult.

It didn't take long for Drake to send a message: "Mom, you guys have fun, my dad is back and I have to go back to the house."

Emma looked at the word "my father", the look of some trance, but also quickly back to consciousness: good, you busy go.

After having dinner, Sophia was clamoring to take Emma out for a walk. After all, she hadn't been back to Sealand for so many years, and there were many, many places that were different, and she was going to live here next anyway, so she wanted to get familiar with the environment in advance.

Emma was also happy and a few people came out.

But it wasn't long before Bard, Chloe and Helena left one by one, leaving the two of them alone.

"These three kids, and deliberately create opportunities for us, it's so cute." Emma had long seen what they were thinking.

"They are thinking that they will feel very embarrassed if they continue to take up our time when the meal is also finished."

Emma always had a smile on her face.
