

Revenge On My First Love Chapter 112

The Lawson siblings knew very well Edwin's character.

Bard said nothing.

The fact that he didn't say anything meant that he acquiesced.

"I'm coming to get you!"

After picking up Bard, the two headed toward the airport.

In fact, there were many cabs at the airport, and it would not take Edwin long to return by cab, while it would take Sophia and Bard at least an hour to arrive at the airport.

Since Edwin wanted Sophia to pick it up, he would wait one more hour!

When she arrived at the place, Sophia quickly picked up her phone and asked, "Which bathroom are you in?"

Edwin told Sophia his position.

In fact, he did not need to say anything. After all, the crazy fans were crowded over there and one could seem them at a glance.

Sophia said speechlessly, "It looks like there are really a lot of people. It doesn't seem to be that easy to take Edwin out."

"What should we do, or should we just leave him alone?"

"Aren't you afraid I'll record this for him to hear?"

Bard was lost for words.

He somehow felt that he had lost Sophia's favor after Edwin came back.

Sophia suddenly had an idea. "Look at me!"

When she got to the place, she seized the right time and shouted, "Who dropped the money!"

As expected, the female fans looked toward the floor and Sophia quickly pushed them away and went into the bathroom.
