

## Revenge On My First Love Chapter 114

After Drake finished speaking, he left.

"Hey! How arrogant you are. Just admit you like me ..."

Before Edwin could finish the latter words, Chloe pulled him and whispered in his ear.

Sophia was talking to several presidents over there when she heard Edwin slamming the table and shouting, "Shit, Drake, that's you!"

Of course, Sophia understood what that meant. It must have been Chloe or the others who had told Edwin the whole story, but now was not the time to make a scene, she gestured at Bard.

Just as Bard walked out, Edwin came this way.

"Drake, come over here!"

The Lawsons' got a fiery temper.

Everyone looked at Drake.

Drake just sat there expressionlessly, as if it wasn't him who had been called.

Sophia said apologetically, "Excuse me, guys, I'll go talk him out of it."

Walking out, Sophia pushed Edwin to the side. "Edwin, what are you doing?"

"What do you think I'm doing? I have long said that if I see that person who hurt you at the beginning, I'll tie him and beat him with a whip. Today I finally see him, of course I gotta keep my word!"

"Well, just put it aside. It's dinnertime!" Sophia gestured for him to keep his voice down.

But Edwin didn't take it seriously and continued to say loudly, "So what?"

He was wondering why he could always see this man named Drake. It turned out he came for his sister.

"Edwin!"

Sophia, of course, knew very well that her four brothers were not impulsive but knew the proper things to do on such an occasion. Edwin acted so rashly just because of her.

"Let's wait until afterward to settle anything."
