

Revenge On My First Love Chapter 123

"Really ...?" Chloe kinda had a headache. "Really, let's talk about it later!"

Bailey took a step forward. "What do you mean by that? No, if you do not give me an answer today ..."

Before Bailey got quite close enough to Chloe, Sophia walked up to him.

"Well, this is all about it today. Let's talk about it later. It's already very late."

It was Sophia's suggestion, and Bailey accepted it.

"I'll take her home!"

"No, we'll take her home."

Sophia had a stern face, and no one knew what was on her mind at that moment.

Bailey also sobered up a lot. He knew he could not push Chloe too hard. Anyway, his and Chloe's families were pleased to see them dating. If nothing wrong happened, Chloe would be his sooner or later.

"Okay, bye!" Sophia nodded towards him.

From the corner of her eyes, she sensed someone was looking at her, so she turned her gaze and met Drake's.

But Drake quickly averted his gaze as if nothing had ever happened.

On the other hand, Helena said, "You don't have to see her off. It's late. I'll just go back with her."

Sophia thought about it, "Okay, send me a message when you get home."

"Yes!"

Sophia turned around and got into the car with Bard and Edwin.

Drake saw the three of them disappear and frowned. He knew Sophia lived with Bard. What about Edwin? Did the three of them live together?

The next day, Emma came to the office.
