

Revenge On My First Love Chapter 126

Helena nodded. "Well, leave it to us as well. Mrs. Price did such a bad thing to you. We won't let her go."

Sophia knew that they all wanted to do their part for her and nodded.

Edwin and Helena left first, leaving Chloe and Bard to take care of her.

Drake had been looking for a chance to get in the ward and visit Sophia, but it looked like there was no chance, so he had to turn around and leave.

Edwin and Helena took action very soon. They should have gone back to a good rest before taking action, but they simply did not rest and hired some people to trail after Mrs. Price, catch her alive, and throw her into the snake nest where Sophia was before.

Of course, some snakes were caught and put inside.

Edwin and Helena hid in the dark to watch Mrs. Price secretly.

When Mrs. Price woke up, she felt her scalp was numb and chills sent all over her body. As she noticed some snakes were coming towards her, she screamed.

However, her scream attracted those snakes which all came at her at once.

Unlike Sophia, Mrs. Price could not keep calm in such a situation but screamed non-stop and dodged.

But she failed to dodge the snakes' attacks. Not long after, she fainted. It was not sure if she was scared or bitten.

Edwin grunted. "Just a few snakes can scare her like this. Why didn't she put herself in Sophia's shoes when she got so many snakes to deal with Sophia before?"

"Let's call the ambulance!"

"I really don't want to do it. How nice it would be if she could die here."

Helena coldly looked at Mrs. Price. "How meaningless it would be if she died so simply. Once dead, she won't suffer any pain. But she can suffer more if she's still alive."
