

Revenge On My First Love Chapter 128

Marley froze for a moment.

"If you wanna please me, why don't you bring some gifts or something? You just came straight here, empty-handed. Why should I believe your empty promises?"

Marley subconsciously looked at his hands, at a loss for what to say.

"In that case, Mr. Price, I think you'd better hurry up and leave!"

Marley hurriedly stepped forward. "Miss Lawson, I admit, I did not handle this thing well, but I really came here with sincerity. I will meet your requests as best as I can if you let my wife go."

Sophia smiled. "I understand what you said, that is, once I put forward some unreasonable requests, you will not meet them. If so, I don't think I should waste my time on you."

"You!" Marley was furious, but couldn't say anything to retort upon Sophia.

"Mr. Price, I think you'd better hurry up and leave. There's nothing to talk about between us at all. If I were you, I wouldn't come at all."

"Miss Lawson, don't you go too far!"

Sophia snorted. "Don't you know who is the one that's gone too far?"

Bard came over. "Come on, Sophia has asked you to leave. Why are you still here?"

Chloe opened her mouth and said, "Yes, you're a pain in the ass over here. You're polluting the air."

'These people ... are simply too much!' thought Marley indignantly.

"Sophia, you gotta know you are an ordinary person. Even with Travis as your backing, you have to understand he will consider a lot before helping you and he might sit by and do nothing in the end. Now there is still room for negotiation."

"So, Mr. Price, you're threatening me again now?"

"You should know what to do clearly!"

Hehe!
