

Revenge On My First Love Chapter 130

Whether the Price family did wrong or not, Drake should know that the Price family was home-grown in Sealand and Sophia was just a stranger in Sealand. However, he was now helping a stranger to deal with the local people.

"Mr. Riley, if I hadn't heard it from my son myself, I wouldn't have come to you. Drake really made a mistake this time."

The Old Riley looked at him, "Don't worry, I'll help you."

"Thank you, Mr. Riley."

"You're welcome."

With the Old Riley's help, Marley had nothing to fear.

Drake was quickly called home.

"Drake, tell me, did you step in the case of Sophia and Mrs. Price?"

Drake understood what the Old Riley meant.

"Yes!" He didn't deny it.

"How ridiculous!" Old Riley stretched out his hand, which was trembling as he pointed at him, "How could you do such a foolish thing? I can pretend you've never done those stupid things for Sophia before, but now, you made a stupid mistake for her again! Aren't you afraid she will get you killed?"

Drake had a sarcastic smile on his lips, "Grandpa, Sophia was revenged on by the Price family because of me. If it wasn't for me, the Price family would not have gotten her into trouble."

"She asked for it!"

"Cecelia picked on Sophia from time to time. Sophia had reason to fight back. Then Cecelia and her mother used this way to deal with Sophia. Grandpa, how confused you are! You even think that they are right!"

"How dare you accuse me!"

"No, I'm just making a statement of fact!"

"You are really crazy. Since Sophia appeared, you ... you become ridiculous. I don't think you are suitable for your current position. Your brother Roman will take the position for now!"
