

## Revenge On My First Love Chapter 135

Travis's words confused Sophia. She asked, "Travis, what do you mean?"

"Don't you see! He likes you!"

Sophia burst out laughing. "Travis, please don't make fun of me! Noah can't like me! That's impossible!"

Travis glanced at Sophia with a shrug. Noah, Helena, Chloe, and Sophia grew up together, but only Sophia herself could not tell that Noah liked her.

"I mean, Noah is not bad. If you can disentangle yourself from the past, why not try to date him?"

Sophia froze.

Travis glanced at her.

"No, Noah won't like me!"

Hearing this, Travis fell silent.

In the evening, Noah came over to Sophia, who, dressed in a long black dress, looked very slim and beautiful.

When Noah saw her, his heart kept pounding.

"Sophia, you're so pretty."

"Can't agree more!" Sophia looked around at herself. "I think I'm very pretty."

Noah didn't say anything but reached out one hand and bowed. "This way, please!"

Sophia walked outside quite naturally.

Sophia knew few people of the upper class, so she had hardly attended such a charity dinner. On the contrary, many people knew her good relationship with Helena and Chloe.

However, both Helena and Chloe were in Sealand now.

Thus, almost everyone was shocked when Sophia appeared with Noah.
