

## Revenge On My First Love Chapter 136

As soon as Drake came, he saw Sophia whispering something to Noah intimately. Drake was disgruntled, but he didn't show it.

After all, Sophia had abandoned him.

"Mr. Riley!" Someone said.

When the others followed his gaze, they remembered that Sophia was Drake's first love.

Seeing Sophia, Cecelia clenched her fists. Why was Sophia here?

She spent a month making Drake accept her. Why did Sophia show up all of a sudden? How annoying Sophia was!

Drake turned back and pretended as if he hadn't seen Sophia.

Sophia knew Noah was going to do business with the others, so she walked away. However, she knew few people here.

When Cecelia was ready to go over, Paula walked in front of Sophia, so Cecelia stopped and looked towards them.

"Miss Lawson!" Paula said in a low and cold voice.

Sophia, holding a goblet of champagne, gracefully turned her head and looked Paula in the eye. "What can I do for you, Miss Frost?"

"You approached Noah because Mr. Riley dumped you, right? But do you think Noah really likes you? No, he is not serious."

Sophia said with an enchanting smile.

"Miss Frost, even if Mr. Greenspan doesn't like you, you shouldn't blame it on me."

Paula was lost for words. She put on a long face and said, "What are you talking about? I'm just trying to remind you that you are not good enough for Noah at all."

Sophia elegantly took a sip of champagne. "It's none of your business, Miss Frost. You'd better try to make yourself charming enough to catch Mr. Greenspan's eye. After all, you don't deserve him!"
