

Revenge On My First Love Chapter 138

Sophia was not intimidated. "Stop, Drake. I'm tired of your nonsense!"

With that, she turned around and decided to walk out.

Somehow, Drake was angered.

He wanted to vent his anger!

Thus, he punched the glass.

This attracted others' attention. However, because of the door, no one could see what was going on.

When Sophia opened the door and walked out, Cecelia had a bad feeling.

She hurriedly ran into the door.

As expected, Cecelia saw Drake, whose hand was bleeding.

"Drake, how did you get it? Did Sophia do this?"

Drake hated it especially when Cecelia mentioned Sophia. He impatiently pushed her away. "Nothing. Just leave me alone."

With that, Drake turned and left.

Cecelia stood where she was, as still as a statue.

She was scared by Drake's coldness.

Even if Drake did not like her, he had never been so cold to her.

Cecelia blamed all this on Sophia.

Noah walked towards Sophia with a worried look. When Cecelia ran into the door, he guessed something and asked in a small voice, "Sophia, did Drake do something thing to you?"

"No," Sophia said calmly.

With a closer look, Noah heaved a sigh of relief.

The banquet soon came to end.
