

## Revenge On My First Love Chapter 141

Sophia was eating. She didn't expect anyone to come. She looked up.

"Sophia, you should know your identity and background. You don't deserve Noah. If I were you, I would leave him as soon as possible and never approach him again. His family will never accept you."

Sophia said calmly, "I decide who I date. And it has nothing to do with you!"

"But I like Noah."

Sophia picked up the towel and wiped her mouth gracefully, "Miss Frost, if you like Noah, pursue him. If you can't, don't meddle in his private affairs. Who do you think you are to make decisions for him?"

"Sophia!" Paula clenched her fists. "I'm helping you. Do you think the Greenspan family would accept you once they know about you? If you don't want to humiliate yourself, leave Noah as soon as you can. You won't want to offend the Greenspan family!"

Sophia smiled. "Miss Frost, I suppose you don't know but I have met Mrs. Greenspan a long time ago, and she likes me very much. She said she wished Noah and me to be together. If you don't believe me, ask Mrs. Greenspan, she will give you the answer."

Paula was dumbfounded. "No, you must be lying! Mrs. Greenspan wouldn't like you! Why would she?"

Noah came back, but Paula didn't know it.

He said with an unpleasant look on his face, "Paula, why can't my mother like Sophia? Sophia has many companies. She is good-looking and sweet. She is much better than you. "

Everybody would be sad hearing such words from their crush.

"Noah, are you saying that I am terrible?"

"No! I just wanted to tell you to stop thinking about others' opinions based on your own cognition. Sophia is much better than you. "

Paula lost control of her expression at that time.

She stood up and looked indignant. "She is no better than me. I am so much better than her even just in terms of family background. She does have some fucking companies, so what? Noah, believe it or not, I can make her a beggar at any time."

Noah looked at her coldly without saying anything.

Only then did Paula realize that she had said something he didn't like.

"Get lost!" Noah had run out of patience.
