

Revenge On My First Love Chapter 144

Sophia wanted to speak, but she heard Drake say in a commanding tone. "Get out!"

"Oh!" She turned to Emma. "Ms. Glass, I'll get one of them in."

"No, I can do it by myself." Drake refused.

Sophia kept looking at Emma, not knowing what to do.

Emma smiled. "Don't worry. We two can handle it."

Sophia could only walk out.

The kitchen fell silent.

Emma had felt there was something weird. And after seeing what Drake did just now, she was sure that it was not by accident!

"Drake, you and Sophia..."

In the living room, seeing that Sophia was injured, Noah put down the cards and walked over to her.

"Sophia, what happened?"

People all came over.

Sophia stretched out her hand, "It's okay. I cut my hand while cutting vegetables."

People looked at each other.

They understood why was Drake so anxious just now.

Noah felt upset.

Fortunately, two people came in. "Drake, Emma!"

Flynn and Bailey walked in. They were surprised to see all the familiar faces in the room, Edwin, Bard, Helena, and Chloe. Even Sophia and Noah were there.

They hurriedly checked the door. It was the right place. Why were these people there?
