# Revenge On My First Love Chapter 145

"It's okay. I know you guys are busy. Especially you guys, Sophia, you all live in Pinkerton, you don't have to come here for me."

Sophia felt that Drake was looking at her, but she just ignored his gaze and said, "Okay."

Emma felt a little sad. However, things had changed. She had to make choices.

During the meal, Flynn kept pouring wine for Noah.

Noah didn't refuse.

They drank a lot. Sophia whispered, "Noah, don't drink so much."

Drake should be the one being irritated, but Flynn said, "Sophia, are you kidding? It's just a couple of drinks."

Before Sophia spoke, Noah said, "It's alright, let's go on!"

Sophia had a headache.

Everyone was drinking. Chloe came to Sophia and whispered, "Sophia, Drake was already here when we came. If we knew he would have come, we wouldn't let you come here."

"It's okay. Everything is fine now. I'll find out that he is Emma's son sooner or later. I'll know how to get along with him in the future."

"You see what happened today... Are you sure you will get along well with him in the future?"

Sophia smiled. "I told Emma just now. I won't come to her birthday in the future. Perhaps I won't even come back to Sealand again."

Chloe kept looking at her.

Sophia glanced at her. "Why are you looking at me like that?"

"Tell me honestly, when you knew Drake was Emma's son, did you regret it for a second?"

Sophia's eyes changed. "No!"

"Sure?"

"Yeah."
