

Revenge On My First Love Chapter 150

"I'm hungry!"

Sophia sighed. "Fine. I will treat you to lunch. But can you leave after that?"

"No!"

Sophia was driven crazy. "Why? What do you want?"

"I want you to be responsible for me!"

Sophia was rendered speechless.

Fine. Forget it. Just see what happens next.

"What do you want to eat? I will take you."

"I want to have the food you cook. Steak is fine." Drake seemed afraid she might change her mind.

Sophia didn't want to be seen in public with him. She just wanted to get rid of him as soon as possible to avoid any more trouble.

"Let's go."

Drake smiled. She wanted to buy birth control pills? No way!

After getting home, seeing Drake behind Sophia, Edwin and Bard gritted their teeth.

"Sophia, why is he here?"

Sophia walked in and said, "Don't worry. I'll handle him."

Bard and Edwin knew Sophia well and had doubts.

"No, let him go!" Edwin was resolute.

Drake looked pitifully at Sophia.

Sophia was out of words.
