

Revenge On My First Love Chapter 157

Sophia didn't listen to what was said later. She returned to her seat, biting her lip lightly with her teeth, thinking, "So, is Drake really going to call off the engagement with Cecelia and stay with me?"

The next day, Sophia got up. She saw no one but a note on the table, which said, "Sophia, I have to go. Breakfast is ready, including Bard's and Edwin's."

Sophia held the note with mixed feelings.

When she was done, she went to find Bard and Edwin with breakfast.

Bard was about to go out to buy breakfast, when he saw her coming, he noticed the breakfast in her hand again, and was surprised.

"Wow, my sister actually bought me breakfast!"

"I didn't buy it," Sophia said, and went inside.

Bard followed. "Not you? Who?"

"Drake!"

Bard walked up to her quickly. "Sophia, what's going on? Are you crazy? Didn't you say you had a plan? Is that your plan?"

"Bard, you can see that Drake is trying every means to make me stay. You know how bossy he is, don't you?"

"But it doesn't mean that I'll be shaken. As long as I remain indifferent, he will give up eventually. This time, I took the initiative to mess up with him... It's my mistake, and it takes time to correct this mistake."

Bard had a terrible headache. "What if you mess up with him again?"

"I will not make such a mistake again."

Bard looked at her resignedly.

Sophia put the breakfast in her hand on the table. "Anyway, don't waste food. Let's eat!"

"Drake came to your place last night?"

"Yes."
