

Revenge On My First Love

Chapter 17 Drake has his suspicions

"Yes!" Olivia intended to do as she was told.

But

Drake looked at him suspiciously, "Grandpa, is this what you used to do to her when I didn't know?"

Emilia panicked.

Some things were indeed done behind Drake's back, but everyone was so angry today that it caused them not to control it.

the Old Riley also froze for a moment, "Drake, what are you talking about?"

"Say what?" Drake sneered, "If I remember correctly, you didn't know Sophia when I was with her back then, and even if you had heard her name, you shouldn't have known what she looked like unless you had investigated her!"

the Old Riley's eyelids fluttered subconsciously.

"Or, you've met before!"

For Sophia, of course, these things did not surprise her, after all, these people did more than just one or two things behind the scenes back then.

She stood up, "I've called the police, if you don't want the police to see that it was you who broke into the house, please get out now!"

The Old Riley had lived to this age and was so socially prominent in Sealand that he would not allow a woman he could not see to speak to him in this way.

"Olivia, what are you waiting for, give her the money!"

Anyway, with the old man backing her up, Olivia was afraid of nothing and went straight to Sophia's face as she went through her purse.

But the next second, it was Drake who grabbed the wrist.

The powerful aura is suppressed little by little, almost to the pressure Olivia can not breathe.

"Aren't you all going to ask me why I'm here?"

Emilia quickly came over: "Why can you come over? Drake, just don't take sides with this woman in the first place"

"If it wasn't for you drugging me in the first place, you think I would be here?" Drake cut her words off directly.

Emilia's body took a few steps back in shock: "Drake, you, what are you talking about!"

Olivia also said, "Yes, Drake, how can you say that? Emilia did do some wrong things before, but she has been reformed long ago, and she has stayed by your side all these years, don't you know how good she is?"

Drake's eyes looked straight at Emilia : "You want to marry me that badly? Even if you can't marry me, you still want to get me at all costs?"

That kind of look is horrible!

If eyes could kill, Emilia would have died many times by now!

the Old Riley wrinkled his brow, "Drake, what the hell is going on?"

Drake glanced at Emilia with contempt : "Auntie, this good niece, asked me out to dinner last night and drugged my water based on my trust in her, if I hadn't escaped in time, where do you think I'd be now?"

Emilia responded in a panic, "No, Grandpa, listen to me, that's not what happened at all"

Drake cut her off directly: "Nothing more needs to be said. From now on, you will never be allowed to set foot in Riley manor, and if you do, you will get the hell out of Africa!"

He had a look of impatience on his face.

Emilia was so scared that she fell straight to her knees: "Drake, I know I'm wrong, please don't do this to me, I don't want to go to Africa."

With that, she even came over to hug his thighs. Drake had no mercy and kicked her right off.

"Auntie Olivia!"

Emilia called out.

Olivia didn't dare to speak for a while, after all, the Old Riley knew about it and had completely lost her good impression of Emilia.

Drake looked over at the Old Riley: "Grandpa, what are you trying to do here if you're not leaving yet?"

"She has to take her medicine!"

This is what the Old Riley insists on.

Drake sneered, "Grandpa, do you really still think your grandson is that attractive?"

What does it mean?

"Last night, I slept in a cold bathtub all night. Ah-choo!" Followed by a well-deserved sneeze.

the Old Riley was surprised that this Sophia really did not have sex with his son?

When the people were gone, the room finally subsided.

The property owner came quickly and tore down the bathroom.

You know that before the renovation of this bathroom alone spent nearly ten million, this is only a few days of work, said demolition on the demolition, said the replacement, the idea of the rich, we do not know ah!

It didn't take long for Travis to arrive.

"I heard about what happened last night, are you okay!"

The brother, who is cold to outsiders but gentle to her, makes Sophia feel better every time she encounters a grievance by just looking at him.

"Travis, I have long been trained to be invulnerable to swords and spears, so what is the fear of such a little thing!"

"Drake didn't do anything to you?"

After all, two people spent the night in this room last night, he is still very worried.

"Don't worry, your sister is awesome now!"

That kind of thing of being taken advantage of will never happen again.

Travis reached out and gently stroked her hair on her forehead, "Next time you encounter something like this, call me."

"Good!"

Travis brought her food, when there was a knock on the door.

Travis went to open the door and a staff member came up to him and said, "Is Sophia Miss Lawson in, please?"

"What's up?"

"It is like this, I am the Old Riley side sent people, the Old Riley said, the two sets of houses are not sold to Miss Lawson, breach of contract or whatever I also brought, as long as Miss Lawson signed on it, immediately the money can be re-billed to Miss Lawson's account. "

It's really the old Riley's style!

Without Sophia having to open her mouth, Travis simply closed the door.

The person outside was still shouting, "Miss Lawson, I can't leave if you don't sign, Miss Lawson, please don't make it difficult for me, a part-time worker, okay?"

"It's just a bully!" Travis said angrily.

These are the things she saw, but what if he didn't? What did the Rileys do to her?

Sophia seems to have long since stopped caring, "Travis , it's okay, isn't there a good saying? You have to thank those who have insulted you, if not for them, how could we have grown?"

Travis looked at her with distress: "Growth comes at a price, and it's too big a price!"

He will never forget when Sophia came back, if not hanging on for dear life, I'm afraid he will never see his sister in this life.

"How can I really grow without being big? Well, let's eat, and after that we'll take a trip to Riley manor!"

"Good!"

After dinner, the two drove the car and went to Riley manor.

However, Sophia did not go in, but stood outside the door, as she had said, she would not go in here again.

"Let your the Old Riley out, or don't blame me for tearing up this contract on the spot!"
