

Revenge On My First Love Chapter 172

Sophia tried to disengage herself from Drake's arms, but he trapped her in his arms with a bit of strength.

"It's alright. You may leave," he said to the secretary.

"Yes, Mr. Riley."

When the secretary left the office and closed the door, she thought Ms. Lawson was indeed competent.

No wonder she was Mr. Riley's first love.

Also, the secretary decided to be more respectful to her in the future.

Baron looked at them, feeling awkward when he saw Sophia.

However, he bit the bullet and walked to them. "Hi, Sophia. This is our first time meeting officially."

Last time, he met Sophia at Mr. Rangel's birthday banquet, but he concentrated entirely on Emma.

Sophia greeted him politely, "Nice to see you, Mr. Riley."

"Nice to see you, too," Baron responded. Then he looked at Drake. "May I have a word with her?"

"You can talk to her here." Drake looked cold.

"Think I'll bully her?"

Drake replied without taking care of Baron's dignity, "Except my mother, everyone around me has bullied her repeatedly."

Sophia's body shook.

"I didn't, Drake. Sophia can prove."

"Talk to her here," Drake insisted.
