

Revenge On My First Love Chapter 177

Chloe swung the golf club. Probably, she was too angry. She used a lot of strength and had a long shot.

Bailey thumbed up at her. "Well done, Chloe!"

Sophia and Helena couldn't help but burst into laughter.

Bailey was indeed an idiot in love.

He wondered why they were laughing. However, he decided to obey Chloe's words. Before he played, Flynn couldn't bear it.

"Bailey, just a reminder. If you win, you'll be doomed."

Staring at him, Bailey retorted, "But Chloe said..."

"You simpleton..."

Chloe interrupted, "Bailey, can you play or not? Hurry. Or you can leave now."

Bailey pushed Flynn away, thinking the latter was making trouble for him.

Flynn shook his head helplessly. He wanted to remind Bailey and help him, but it was not appreciated.

'Good luck, buddy,' his inner voice said.

Bailey swung his golf club. It was a long shot and hole-in-one, even longer than the shots of Sophia and Drake earlier.

Bailey was overjoyed. When he turned around to check Chloe's expression, he was baffled, as she looked annoyed.

He hurriedly put down the golf club and trotted to her. "Chloe... Chloe... Why are you mad at me?"

Chloe dumped her golf club and strode away.

Bailey hurriedly followed her.

Watching them, Flynn heaved a sigh.

Suddenly, he thought of something. "Drake, I need to use the men's room."

Helena wanted to take Bard and Edwin away to leave some private space for Drake and Sophia to talk.

However, the Lawson brothers were unwilling to leave their younger sister with Drake.

Helena repeatedly winked at them. In the end, they had to leave.

When Drake and Sophia were alone, Sophia behaved gracefully, ignoring him completely.

She practiced again and again.

Drake also repeatedly played. However, he didn't entirely focus on playing golf.
