

Revenge On My First Love Chapter 178

Chloe suddenly realized it didn't seem to be a proper time to treat them. It was awkward enough for Sophia and Drake to have dinner together, and what would happen later was unpredictable.

Now even Noah would join them. Chloe suddenly had a bad hunch.

"Shall we gather another day?" she whispered to Sophia.

Suddenly, Drake appeared from nowhere and squeezed in. "Why not today? Isn't it a good day today?"

As he spoke, he sat next to Sophia consciously.

Noah didn't want to show weakness, so he sat on the other side of Sophia. "I agree. Chloe, please forgive my rudeness. I saw you guys in the corridor earlier, so I wanted to join you."

Chloe couldn't refuse him at all. After all, Noah was a childhood playmate for her, Sophia, and Helena. "It's alright. Bailey, this is Noah Greenspan, my childhood playmate."

"Nice to meet you, Mr. Greenspan."

Noah looked like Chloe's best male friend, which upset Bailey.

Besides, he knew Noah was Drake's rival in love, so Bailey looked cold.

Chloe felt slightly embarrassed but had to continue the introduction, "Noah, this is my boyfriend, Bailey Duncan."

"Nice to meet you, too, Mr. Duncan," Noah replied indifferently.

Noah and Drake were love rivals. Bailey was Drake's buddy. Because of the complicated connections, Noah and Bailey were unlikely to be close friends.

Bard and Edwin tried to squeeze Noah and Drake away, so they could guard Sophia on either side. However, under Drake's deadly gaze, they gave up.

They could only let Sophia take care of her own business.

Sophia, however, utterly ignored them and behaved gracefully.

Since Chloe and Bailey organized the gathering, they wanted to enliven the atmosphere. "Here are the menus. Order whatever you like. Help yourselves."
