

Revenge On My First Love Chapter 187

"What the hell is going on?"

The Old Riley was in fury, hitting the floor with his cane.

"I almost approved of your relationship with Sophia, but have you read the news about her? She is a wanton woman. You can't date such a woman!"

"Grandpa, that is a smear. You always have a prejudice against Sophia and believe what people around you said, but you never took the initiative to know her. It's unfair."

Olivia looked at Drake unsatisfactorily. "Drake, what do you mean? Are you saying that I said something to your grandfather?"

"It's obvious."

"Yes, I did say Sophia doesn't deserve you."

"Whether she deserves me or not has nothing to do with you. It's none of your business."

The Old Riley banged on the table. "Drake, you can't talk to your mother that way."

"She's not my mother. Grandpa, you don't have to hide it anymore. I've known who my mother is." Drake didn't want to pretend he knew nothing about it.

He was tired of playing dumb.

"It seems your mother is back, right? Since she came back, she has seduced your father and ruined his relationship with your stepmother. Anyway, if your father proposes to divorce your stepmother, I will never agree to it."

Drake looked at the Old Riley with narrowed eyes. "Grandpa, what is wrong with you? I remember you liked my mom very much before."

"But she left you and Aria behind. It was your stepmother who brought you up. You must keep this in mind! So, don't even try to bring that woman back. I will never agree to it."
