

Revenge On My First Love Chapter 200

"Alright!" Then, the Old Riley glanced at Drake. "Drake, stay at home and reflect on yourself! Don't show your face to me unless you figure out what you did wrong."

Drake walked out without saying anything.

Olivia followed up. She said smugly, "Drake, if I were you, I would give up. Although people are all scared of you, you are not a god, you will meet stronger enemies, and you can't take everything into account."

"If you admit defeat now, maybe your grandfather will be less angry and live a few more years!"

Originally, Drake didn't want to talk to her, but hearing her last words, Drake turned his head away.

"Listen, do whatever you want to me, but leave my grandpa alone. Otherwise, Olivia, I will make you die very miserably."

Olivia pretended to be scared. "Oh, I'm so scared. Drake, you want to kill me? Do it! I want to see how you are going to kill me!"

Drake smiled coldly and said nothing.

"By the way, since your grandfather handed over the company to Roman, don't blame us for being rude to you. Drake, take care!"

'Take care? How arrogant she is!'

Unwilling to waste his breath on Olivia, Drake turned around and left

Roman became the head of Riley Group again.

The last time Roman took charge of it, everyone knew that he was acting as the president and would soon step aside. As expected, within a month, Drake took the position back.

But this time, people in Sealand couldn't help speculating if the heir of the Riley family had been changed.

Although Roman made some achievements last time, he couldn't mentioned in the same breath as Drake at all!

So, this time, people couldn't wait to see what Roman could achieve.

At noon, Roman had lunch with some clients. The clients have a good attitude towards him.
