

Revenge On My First Love Chapter 202

"Sophia!"

Drake kissed her again.

Perhaps because they were in the car, he went crazier.

Sophia didn't want to make out in a car, although it sounded exciting.

When Drake was enjoying the moment, his phone rang and he stopped.

Sophia was disappointed. She had been turned on by him.

Not to mention Drake, even Sophia, an adult woman, couldn't control herself once she got sexually excited.

"Okay, I got it."

Hanging up the phone, Drake looked at Sophia.

At this time, Sophia's face was red, her eyes were misty, and she looked so charming that he wished to have sex with her right away.

But...

"Sophia, there is something urgent for me to handle. I'll take you back first. How about next time!"

Next time...

Even Sophia's ears were getting hot. "There won't be a next time?"

Drake pinched her cheek. "Your body needs me so much. Are you sure you don't want to continue doing it with me next time?"

"Go to hell!"

Sophia didn't want to talk about this kind of topic.

"Don't be so shy, I know you can be hornier than I am. All right, let's go! "

The thing was urgent. Otherwise, he wouldn't pass on such a perfect chance to have sex with Sophia.

Sophia returned to the office, feeling that she was going crazy.

Drake flirted with her without much effort, and yet she lost control of herself.

When Chloe came in to report her work, she noticed Sophia's burning cheeks.

So, she said jokingly, "Has he failed to please you?"
