

Revenge On My First Love Chapter 205

Sophia said resignedly, "All right. Let's have dinner tonight together."

In the evening, when they arrived, most of the crew members had been waiting.

They all stood up to greet them as soon as they saw them come in.

Sophia didn't want to come because everyone might not have fun with her here. It was a rare opportunity for them to get together.

So, she smiled and said, "Everyone, take your seat. This is a celebration dinner, I want you all to enjoy yourselves. Don't mind us here. Just have fun."

Although she had said so, they wouldn't ignore her.

The director sat down at the same table with Sophia.

After all, she was the major sponsor. The director raised his glass and said to her, "Ms. Lawson, I'd like to thank you for all your support for the movie. If it weren't for you, it wouldn't have been finished so smoothly. I'd like to propose a toast!"

Sophia raised the glass and was about to drink the wine when Bard picked up his glass and said, "Let me drink for my sister."

Sophia stopped him. "What are you doing? This is a toast for me."

Bard kept winking at her.

Sophia did not quite understand.

The director also didn't know what was going on.

It wasn't until Bard whispered something in her ear that Sophia remembered that she was having a period.

Bard didn't want her to drink during her period.
