

## Revenge On My First Love Chapter 207

"Why follow me?" Sophia frowned, unhappy about his behavior.

"Now everyone knows you are mine and that you will marry me sooner or later," said Drake.

Sophia bit her lip. Yes, Drake's announcement had made everyone sure they were destined to be together.

"But that's not a reason for you to go in with me!"

Drake said, "You can refuse, but I won't take it as a refusal."

Sophia was out of words.

She glared at him.

However, he suddenly kissed her on her eye with a complacent smile. "Sophia, you look beautiful when you glare at me."

"It's so cheesy!"

"I have cheesier lines. Do you want to hear them?"

Sophia didn't know what to say to him.

However, in the end, she had no choice but to let him follow her in.

Drake's appearance instantly attracted every woman's eyes. It was really Drake Riley!

If it weren't for Sophia being here today, they might never get a chance to see Drake.

But when Drake appeared, Sophia's three brothers asked in surprise, "Sophia, why is he here? You've only been out for a few minutes."

"I ran into him, unfortunately."

The director smiled. "What a coincidence. Mr. Riley, welcome."

This might be another potential investor!

It would be perfect if they could work together someday.
