

Revenge On My First Love Chapter 208

Chloe grabbed Helena's hand, "Helena, let's go back together!"

"No, I'd better go back by myself!"

"I'll drive you!" Charles walked up to Helena.

Helena nodded.

Chloe had to let go of Helena, then she ran to Bailey and hugged him.

Edwin felt a bit jealous. "I didn't expect that Chloe would be the first to be in a relationship. I had thought she would be the last among us."

"Edwin, you have to work harder."

Edwin said with a sad look, "How? It's not that easy to find a proper one in show business."

Although the fans didn't mind their idols found someone and got married, few of the marriages in show business could last.

Their marriages were destined to end someday since they began.

"You can marry someone not working in the show business."

Edwin shook his head. "Maybe."

After Charles sent Helena home, he came to Sophia.

"Charles, why are you here?"

Sophia had thought he would go to bed after coming back.

Charles had wanted to live with Sophia, but Edwin and Bard both disagreed since they didn't.

"Sophia, let's talk."

It was rare that Charles would offer to talk. Sophia said with a smile, "Of course. Let me get us some tea."

"It's okay. You shouldn't have tea. Let's just drink some water."

"Fine!"
