

## Revenge On My First Love Chapter 209

Roman wanted to come close to her again, but Charles stopped him.

Roman tried several times but in vain.

Roman had to give up. "Sophia, I can give you another chance now. You can still make the right choice now, but if you didn't, I won't accept you even if you beg me someday."

Charles suddenly reached out his hand and sprayed something at Roman.

"Ah!"

Roman subconsciously covered his neck. At first, he could still speak, but soon, he couldn't anymore.

"Fuck off, don't let me see your face!"

Charles had been wearing a long face.

Roman pointed at him, trying to speak but failed. He could only turn around and leave.

Sophia asked curiously, "Charles, what did you do to him?"

Charles showed her the small bottle of spray in his hand, "I made this myself. If you don't want to listen to someone, spray it on him and he wouldn't be able to talk for three days. But it's won't do any harm to human's health."

"But it's just something I made casually. Don't let others know it."

Sophia took it and looked at it carefully, "It's incredible!"

"Well, don't spray it on yourself. I haven't made the antidote."

"Is this for me?"

"Yes."

Sophia smiled. "Thank you, Charles. Will you send me some after you made something interesting again?"

"Of course."

Charles had always spoiled his sister.
