

## Revenge On My First Love Chapter 211

"Miss Lawson, you are wise not to reconcile with him. You are single and free. Why don't you consider me?"

"I wonder if you are free tonight. Shall we have dinner together?"

Sophia kept silent all the time. Finally, she answered, "Mr. Riley, I did receive your flowers, but I've asked the cleaner to toss them into the trash can."

"Thank you for your kindness. I don't think I have the honor to dine with you tonight. I'm too busy. Bye."

She ended the call directly.

On the other end of the line, Roman was so furious that he almost smashed his phone.

"Bitch! If Drake hadn't liked you, or you hadn't been the daughter of the Lawson family, think I would have pursued you? I'll gain your heart and dump you. Let's wait and see!"

Sophia put away her phone with a sneer. Before she sat down and continued to work, a man stood before her.

"What's the..."

When she raised her head, she saw Drake.

They locked eyes.

Sophia was too surprised to utter a word, wondering if he had seen what had happened.

Somehow, she felt guilty.

Drake stared at her with a smile. Sophia was obsessed with his charming face.

"You accepted the bouquet upon hearing it was from Mr. Riley. After learning it wasn't from me, you dumped it. Sophia, do you look forward to a bouquet from me?"

'Without doubt, he saw what had happened.'

"What are you talking about? I would also throw the flowers into the trash bin without hesitation if they were from you."

"Really? Would you?" Drake asked as if he was confident that she would not.

"Why not?"
