

Revenge On My First Love Chapter 217

"All right. Call him."

Olivia hinted at Roman.

Roman seemed to realize something. He hurriedly pulled out his phone to dial Mr. Garrett's number.

The call was connected soon. "Hello, Master Roman?"

Roman snorted. He had thought Mr. Garrett would refuse to answer his call, but much to his surprise, Mr. Garrett did.

"Mr. Garrett, why did you set me up? Did Drake plan everything and send you to frame me?"

"What do you mean, Master Roman? When did I frame you? It's you who set me up. Seen your scandal? I trusted you and wanted to cooperate with you. How could you do this to me? I'll lose a lot of money on your project. You are so cruel to me!"

Roman didn't expect Mr. Garrett to shift the blame to him. "What are you talking about? Didn't you let that woman take my nude photos?"

"That woman? Cooperation should be based on our mutual trust. Master Roman, did you mean the woman I sent to you last night was a spy?"

Suddenly, Roman was rendered wordless.

Sitting next to him, Olivia overheard everything.

She grabbed Roman's phone and said snappishly, "Mr. Garrett, what do you mean by doing so? You should know what evil deeds you've done."

Mr. Garrett flared up immediately. "What have I done? To cooperate with him, I did so many things to fawn upon him. Now, he has a scandal. It has negatively impacted me, but you suspect it's my conspiracy. I thought Drake was a jerk. It turns out Roman is a more obnoxious jerk!"

"I was so blind. Anyway, I won't continue cooperating with your Riley family anymore. I wish I'll never see you again."
