

## Revenge On My First Love Chapter 225

"Shall I take some home?" Paul asked.

"Unnecessary. Leave them here." Drake randomly picked up a few to take a look. "Why all of them are different?"

Paul immediately answered in excitement, "Let me explain, Mr. Riley. There are all kinds of fragrances and styles. They will give you different feelings. By the way, this one is the thinnest to make you feel nothing. Mr. Riley, try them."

"Ahem. Ahem..." Drake asked awkwardly, "Have you tried any?"

Paul wanted to cry but couldn't shed tears. "Mr. Riley, I'm still single."

"All right. You'll have a few days off. Go find one."

Paul grinned. "Thanks, Mr. Riley. You treat me so well. I'll be headed up then."

He gotta leave ASAP, or Drake might change his mind.

Therefore, Paul ran away like a frightened bunny.

Watching Paul's back, Drake shook his head helplessly.

When Drake put the box of condoms in front of Sophia, he chuckled. "As you requested, I bought them."

"I'm going to sleep." With those words, Sophia fell asleep immediately.

Drake was disappointed as she didn't give him a chance.

However, it wasn't a big deal. After all, he had moved into Sophia's house and would have plenty of opportunities in the future.

In the early morning, Sophia's doorbell rang.

Drake walked to open the door. Before Chloe pounced at him, Drake reached out to push her away.

"Drake?"

Chloe glared at him with reddened eyes.

"Why are you here?"

Drake asked leisurely, "Why can't I be here?"
