

## Revenge On My First Love Chapter 226

Sophia returned to her senses, faking as if nothing had happened.

"If you want me, I can satisfy you anytime."

Sophia clenched her fists.

Right then, the elevator arrived. She took the lead to enter.

Drake suddenly thought of something, chasing after her immediately. "Wait a minute, Sophia."

Unfortunately, the elevator doors slid close. He watched it go downstairs.

The next second, he thought of something.

...

When Sophia arrived on the first floor, Drake had been in the lobby.

He greeted her calmly, "What a coincidence to meet you here!"

A woman leaving the elevator with Sophia smiled brightly. "Whoa! Sexy, what a coincidence to meet you here, too. May I have your phone number?"

"Get lost!" Drake refused her rudely.

The woman glared at Sophia and left in dismay.

Sophia cast him a glance, walking ahead.

Following her, Drake asked, "Isn't it fun?"

"Did you get your kicks?"

"I did."

"It doesn't seem fun to me."

"Don't be so cold-hearted. You don't think it's fun because I like it. Am I right?"

Sophia suddenly stopped in her tracks. "I noticed an advantage of you. You have clear self-estimation."

Drake stared at her in silence.
