

Revenge On My First Love Chapter 228

"So, you mean, you deserve me?"

"Of course," Abby said with a confident smile. Then, she approached Drake and wanted to hug him. "I have been focusing on my career over the years, and I haven't been in a relationship. I am still a virgin. Mr. Riley, I'm sure you can see that I am right for you."

Drake thought and said, "Seems you're a good choice to me."

Abby was excited. Did it mean she stood a chance?

"But you should ask her if she permits us."

Her?

Abby turned her head and saw Sophia.

Sophia walked over.

Different from Cecelia and Emilia, Abby was a tough woman. From what Sophia had just heard, she knew that Abby was a tricky rival in love.

"Ms. Lawson, it's good that you are here, there are some words I want to say to you."

Sophia looked aloof. "I don't think I want to talk to you."

"Ms. Lawson, is it because you are afraid Mr. Riley might not be your backup anymore after we talk?"

Sophia arched her eyebrows, "Are you saying Drake is a backup?"

"Yes, I meant what I said and I'm not afraid to say it. Ms. Lawson, with your conditions, there must be a lot of men pursuing you. Mr. Riley is your first love and he has confessed his love to you publicly but you have yet to give any response. To put it bluntly, you only see him as a backup, don't you?"

Sophia indeed had not thought about it this way before, but after being reminded by Abby, she began to think about it seriously.

"I can see that you don't like Mr. Riley so much. I think Mr. Riley is excellent. Men like him should not be hurt by women like you. If you are kind enough, set him free and let him find the right woman for him."

Upon hearing this, Sophia smiled. "The right woman for him? Ms. Pearce, do you mean that Mr. Riley is a confused man who doesn't know what he wants?"

Drake almost laughed out.
