

## Revenge On My First Love Chapter 233

"Mrs. Riley, you should be regretting making me an enemy now, right? I can see that you hate me to the core, but because of my identity, you have to try and make me your ally. After all, if I got back together with Drake, it will make you at a disadvantage, won't it?"

The Old Riley looked suspiciously at Olivia.

Olivia hurriedly said, "What are you talking about? Sophia, that's nonsense. I admit that I did think of you as an enemy because of your past relationship with Drake. I had given it a lot of thoughts before I made the decision to set you up with my son. After all, my son really likes you..."

Sophia felt it funny. "But, Mrs. Riley, supposing I really marry your son, do you think you and I will get along well?"

"I am a mother, so I can compromise with you for my son."

Compromise? To put it bluntly, Olivia just did this for interests. No matter who Sophia used to be, she was the daughter of the Lawson family. If she became Olivia's ally, she could help the latter deal with Drake.

What a brilliant plan!

"What if I disagree?"

Olivia threatened her, "If you don't agree, I'll give the video of you beating my son to the police. We will see how they will handle it."

Sophia suddenly burst into laughter

Olivia squinted her eyes. After so many fights with Sophia, she was very clear that Sophia was a tough cookie.

"Video? Well, give it to the police! If there's nothing else, I need to leave now."

The Old Riley suddenly said, "Since you have come, you can't leave without saying yes. Guards!"

Then, several guards stopped in front of Sophia.

Sophia sneered. "So, you want to force me into saying yes and you won't let me leave until I do so?"

Olivia approached her again with a sinister smile.

"Sophia, in fact, the Riley family is the perfect choice for you. Although you won't be marrying Drake, Roman is also a good choice. He's younger than you and he will listen to everything you say. Don't you think it perfect?"

How could she say
