

Revenge On My First Love Chapter 238

"It was your fault at the beginning. Now you can't change it. Besides, look at all the things Olivia has done for the family and the company over the years, could an ordinary woman do that? And now you are abandoning her for Emma? I will never allow it!"

"Dad!"

"This family can work well without you, but not without Olivia. I've made up my mind."

Baron wanted to say something, but the Old Riley waved his hand, indicating that he didn't want to hear it.

Baron was helpless. Why? Why couldn't he divorce Olivia?

He decided he had to talk to the Old Riley.

In the Old Riley's room, Baron said, "Dad, there's something I have to tell you."

The Old Riley waved his hand again. "I know what you want to say, but I think you'd better not say it."

"Why not? Dad, Olivia has been around you for so many years. I don't believe you don't realize that she is trying to get the Riley family under her control."

"And what's wrong with that? She gave birth to Roman. Shouldn't she have a share of the Riley family?"

"Dad, that's not what I mean!"

"I know what you mean. But save it. In short, you can't divorce Olivia!"

The Old Riley's attitude was firm. He turned his head and didn't want to speak with Baron anymore.

Seeing that there was nothing he could do, Baron sighed and left.

Olivia smiled proudly. The Old Riley had long been under her control. Baron couldn't divorce her smoothly.
