

Revenge On My First Love Chapter 239

Baron had a headache. He didn't expect the divorce to be so complicated.

"Alright, I'll... do as you say!"

"Okay! Mr. Riley, I got to go. I have something up here."

"Okay!"

Sophia hung up the phone, and Emma came back after paying the bill.

She glanced at Sophia. "Sophia, I don't want you to get involved in the matters between Aria's dad and me. "

"I know, Ms. Glass."

Emma sighed. "Let's go have lunch, my treat!"

During the meal, while Emma went to the bathroom, Sophia asked, "Aria, do you want Mr. Riley and Ms. Glass to be together again?"

"To be honest, as the child, I certainly hope they can get back together, but I don't think she wants that. I understand what she's feeling. After all that happens, she has reasons, so I will support her in what she wants to do!"

Sophia got it.

After the meal, Sophia said goodbye to them.

After work, before Sophia went out, Drake walked up to her office.

"Why are you up here?"

Drake said with a faint smile. "I can't wait for you outside all the time. So, I come up and have a look."

"Is that all?"

"What else do you think?"

Sophia pretended not to know. "How can I know?"

Drake's smile deepened. "I'd like to thank you for what you did for my family."

Drake went over and approached her. "I think you are making yourself a good
