

Revenge On My First Love Chapter 240

Olivia believed this. Abby was one of the best female entrepreneurs.

Olivia had been frustrated not having the right person to separate Drake and Sophia, but now, Abby showed up. And Olivia wouldn't miss the chance.

"Well, I can help you, but you should remember what you said today."

"Don't worry, I will."

"Well, come to my house this weekend!"

Abby smiled. She knew this was the most efficient way.

Drake received a phone call from the Old Riley, asking him to go back for dinner at the weekend. Drake did not doubt anything, so he agreed.

When he saw Sophia, he said, "Come home with me this weekend!"

"Which home?"

"Riley manor."

"To visit your grandfather?"

"Yup!"

Sophia looked at him speechlessly. "Do you think he wants to see me now?"

"Why not? He is not really under Olivia's control. You know that."

"No! I think it'd be better for me to visit him after all the things are solved."

Drake couldn't help laughing. "You are just worried that my family won't like you! I know it!"

Sophia glared at him. "Why would I? Am I unlikeable?"

"Of course not, you are gorgeous."
