

## Revenge On My First Love Chapter 246

"Does this woman get something on you?"

"It's none of your concern!" Mr. Smith rolled his eyes as if implying that he would have nothing to do with Abby from now on.

"You will regret it, Mr. Smith!" With a glare at Sophia, Abby turned around and left.

Sophia smiled. "Mr. Smith, you will never regret working with me!"

Mr. Smith had known Abby for many years, so he was well aware that Abby was no match for Sophia. That was why Mr. Smith chose to take Sophia's side.

"Then I'll go back tomorrow morning, Ms. Lawson. I'll appreciate your kind consideration in the cooperation!"

"That's what I want to say, Mr. Smith."

"See you!"

Then, Mr. Smith left in a good mood.

Very soon, Chloe knew the whole story and gave a thumbs up to Sophia.

"Sophia, to be honest, I didn't expect you to deal with them this way. You did such a good job."

"No, I didn't get even with Abby, and she'll find a way to avenge me."

"Don't worry. We will teach her a lesson. Although it is truly hard to merge her company, we'll manage it sooner or later."

Sophia had thought about it before. Even if she had merged Garmmy, there was still a long way to go before she could merge Abby's company.

If Sophia could do it, she would enjoy higher status in Sealand.
