

Revenge On My First Love Chapter 247

Sophia shook her head. "This will only anger her more. I don't want her to know what I want so quickly. We can't predict what will happen if she is further angered."

Chloe knew that Sophia was not afraid of Abby, that Sophia just didn't want to go too far now, and that Sophia wanted Abby to accept the final defeat.

Chloe knew she could never be as clever and thoughtful as Sophia.

Hardly had Roman recovered from his injuries when he drove to Sophia's company.

Chloe walked in and said, "Roman's here for you again!"

"I don't want to see him!"

Before the words were finished, Roman barged in.

Chloe glanced at Sophia, who gestured for her to go out.

Chloe was not worried at all. After all, Roman couldn't do anything to Sophia.

Roman approached Sophia and asked, "Sophia, I haven't come to see you recently. You must miss me very much."

Sophia didn't say anything, ignored him, and continued to work.

"Your silence means you miss me. You don't have to be so shy. I also miss you, so I come over to you as soon as my face is healed."

Sophia finally looked up at him.

Roman smiled, knowing Sophia couldn't remain cold to him.

"Roman, I am always thinking about you!"

The smile on Roman's turned wider and more confident.

"I am thinking when the hell you are going to leave me alone!"

The next second, he thought of something and
