

Revenge On My First Love Chapter 248

"You can't doubt my love for you. I was stunned by your beauty at first sight. I thought you were a typical noble lady, but a closer look makes me find that you aren't."

"At first, I am attracted to you. And now, I'm stuck with you. You should know it, right?"

Roman said with great affection in his eyes, proud of his acting skills.

But...

"No!"

Sophia vetoed it outright.

"I just want to teach you a lesson!"

With that, she tried to flip him over her shoulder again.

Roman had predicted in advance that she would do so. Thus, he leaned over to her and nearly kiss her on the forehead.

"Sophia, think about it carefully. I'm really good for you!"

"Get out!"

Without any hesitation, Sophia stepped hard on the back of his feet with her high heels.

It hurt so much that Roman was completely at a loss as to what to do.

Sophia said coldly before leaving, "The next time you come close, I will beat you up!"

Roman's feet hurt. Nevertheless, seeing the "OK" sign from a person in the dark, he thought it was all worth it.

At night, a picture in which Roman almost kissed Sophia against the wall was posted on the Internet with the caption, "Sophia Lawson, who was Drake Riley's first love, secretly met with Roman Riley, who was Drake Riley's younger brother, in a nightclub. According to the photo, they were so intimate that they almost kissed each other. It seems Sophia is blatantly cheating on Drake!"

Helena, who hadn't slept, read this. After confirming the picture wasn't false, she called Sophia at once.

"Sophia, you're still sleeping! Do you know what's going on?"
