

Revenge On My First Love Chapter 249

The Old Riley looked around, knowing that Drake had lived here for some days.

He asked with a long face, "Miss Lawson, I would love to know what you are going to do. You are dating Drake, but why did you hook up with Roman?"

Before Drake could say something, Sophia stopped him and said, "Mr. Riley, I don't think you have no idea about the truth!"

"I've never had any feelings for Roman. If you believe the picture on the Internet, all I can say is, Mr. Riley, you're really old and confused!"

The Old Riley slapped the table heavily. "Nonsense! How dare you say so! Because of you, the Riley family is disgraced. You should be responsible."

Sophia, however, laughed. "Mr. Riley, what you said is funny! In fact, I also want to hold you responsible. Drake and I love each other, but Olivia, your daughter-in-law, separated us for the sake of herself."

"We finally get back together now, but Roman, your grandson, got envious and tries his best to break us up. Don't you think they are going too far?"

The Old Riley's face turned cold. "According to you, you didn't willingly hook up with Roman, right?"

Hearing this, Sophia laughed out loud. "Mr. Riley, again, I have nothing to do with Roman. He plotted against me so that he can force me to marry him. You are a shrewd man, so you must know what he wants!"

"Anyway, the Riley family is at the center of a noisy dispute. You have to make a choice, either quickly getting married to Roman and breaking up with Drake or staying away from them!"

Sophia looked over at Drake.

Drake looked straight at the Old Riley. "Grandpa, I'll deal with this!"

The Old Riley didn't listen to Drake. "You move out of here as soon as possible, and if you don't, I'll get some people to do it for you! Don't try to irritate me, Drake!"
