

## Revenge On My First Love Chapter 250

Laura knew Sophia was set up.

"Come on. I..." Sophia told the whole story to Laura.

"No wonder! I see, Sophia. You must be careful in the future."

"Got it, Mom!"

Not saying anything else, Laura hung up the phone. She was confident that Sophia could handle this herself.

After the investigation, Mia called Sophia.

"Ms. Lawson, it was Ms. Pearce who did it! And I got the evidence. It is a video!"

Sophia was indeed surprised.

Sophia heard from Drake that Abby had slept with Roman, but she didn't expect Abby and Roman to get involved with each other. Obviously, they teamed up to go against her to achieve their own ends.

"In that case, I'll give them a taste of their own medicine!"

"Okay, I'm on it!"

On the way to Sophia's company, Drake sent a video to Sophia. Walking into her office and sitting down, Sophia was curious and watched it, only to find it was a video where Roman was making love with Abby. They were both naked!

Only then did Sophia know why Drake sent it to her. He had expected she would need it.

Thus, Sophia posted the video Mia found on Twitter so that the netizens could know that she was set up.

Then it dawned on everyone who watched it that Sophia was set up!

Very soon, Sophia posted the sex video of Abby and Roman without any caption.

Watching this video, everyone knew that it was Abby who was hooking up with Roman.

"My goodness! Abby is so shameless!"
