

## Revenge On My First Love Chapter 253

While holding the fork, Julia deliberately showed her bracelet to Sophia and Chloe. Although she didn't say anything, obviously she was flaunting it.

Sophia said cooperatively, "Julia, this bracelet looks very nice!"

Julia smiled. "Isn't it? The necklace was worth tens of thousands of dollars, and it was more expensive than my bag, so I didn't even think about buying it. But I did not expect my Darling gave me this bracelet on my birthday. You do not know how touched I was then!"

"Darling, thank you!"

Saying that, Julia also looked at him with deep affection.

"You're welcome, sweetie!"

Julia rubbed her nose with his, then feigned an embarrassed look and said, "Sorry. My boyfriend and I usually act like this. I hope this doesn't bother you."

"You two are pretty close. Remember to send me an invitation when you get married," Sophia said as if nothing had happened.

Chloe really wanted to give Sophia a thumbs up. Sophia was really sophisticated to deal with this kind of situation! Anyway, she could hardly bear it.

"Sure. But you can't make excuses saying you can't make it by then!"

"How come? We'll definitely be there!"

Julia and Graeme were clingy. Perhaps because it was boring to talk about her relationship with Graeme all the time, Julia turned to Bailey and Drake. "By the way, I don't even know what they do!"

Drake said casually, "I'm jobless."

Bailey wanted to ignore her. If it was not because of Chloe, he might not even talk to Julia.

"I'm also jobless."

Julia finally drew a conclusion that Sophia and Chloe were just interested in the looks of them. But looks weren't as good as money anyway.
