

Revenge On My First Love Chapter 254

Fear grew in her mind out of nowhere and began to overwhelm her.

However, Julia just said angrily, "That's right. Tell your woman to behave herself. She says she likes you, but she cheated on you behind your back. She clearly did not love you at all."

Chloe kept rolling her eyes. Did Julia have a death wish?

"I can give you another chance to tell the truth!" Drake looked gloomy.

"I ..." Julia felt Drake's furious rage, but she did see Graeme go for Sophia first, which made her uncomfortable. She wanted to screw Sophia even if the consequence was that she would be beaten hard. "She is trying to have sex with my boyfriend..."

In the next second, Drake directly pinched Julia 's neck.

Everyone was dumbfounded; after all, they were in a scenic spot where all kinds of people gathered.

Did Drake want to strangle Julia to death?

Graeme was not happy seeing his girlfriend being bullied like this. "What's wrong with you? Let go of Julia!"

"Get lost!"

Graeme was scared away.

He didn't know why he was so scared of a man with no strong background.

He still tried to come over, but once again was scared by Drake's warning look and could only stop there.

"Do you want to die or live?" Drake threatened bluntly.

Julia was really scared and hurriedly shouted, "I was wrong! I was wrong!"

"Why are you wrong?"

"Sophia didn't seduce my boyfriend. I made a mistake."
