Revenge On My First Love Chapter 261

Just as Sophia was about to spit again, her mouth was covered by the man's hand.

She felt so disgusted.

However, the next second, all of them were shocked by a gun shot. The man on top of Sophia lay lifelessly down after the gun shot.

The other men were dumbfounded. How could there be a gunshot?

And, their companion died!

He died!

Before the men could run away, Drake, Flynn and Bailey came in.

"You finish them. I'll go save Sophia!" Drake ordered.

Flynn hadn't fought for a long time, with his hands crossed, he was moving his wrists.

"Oh, finally, I've got someone to exercise on. Jerks, go to hell!"

Bailey thought of the anxious look on Chloe's face when she heard that Sophia was kidnapped. He got angry. How dare these scumbags make the woman he loved worry!

Drake came to Sophia, kicked away the dead man and quickly untied the ropes for her.

"Sophia!"

He carried her in his arms and noticed her red and swollen cheek. His eyes turned gloomy.
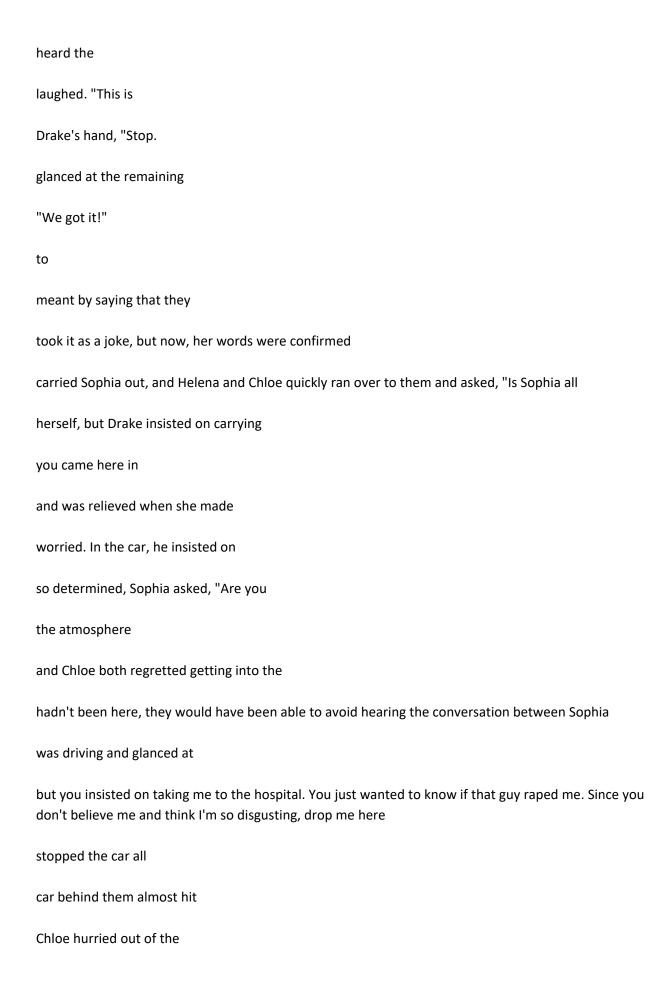

"Tell me who did this to you."

It was indeed the first time that Sophia had ever been slapped by a man, it hurt. However, she was lucky that she had only been slapped once.

"You have killed him."

This guy?

Drake took out his gun and fired several more shots at the dead man.

Flynn and Bailey were both ruthless men who weren't afraid of gunshots at all while the kidnappers were terrified.
