

Revenge On My First Love Chapter 263

Sophia walked over with water, "Aria, have a rest!"

Aria took a sip of the water. The teacher had left, leaving them alone.

"It seems that you are learning well. The shooting is going to start. Is it okay for you?"

Aria screwed the bottle lid and said, "Honestly, I'm a little nervous."

"It's okay. You're a newcomer. It's natural that you're nervous, but over time, you'll get better. Besides, you have some experience in acting. And the director I chose is Mr. Wilson. He is easygoing."

"To be honest, I think working with a strict director is not necessarily a bad thing. If he's strict with me, I'll improve faster."

Sophia smiled, feeling relieved to know Aria's thought.

"Sophia, I finally found you!" Roman walked in.

Aria threw the water bottle at him. "Roman, who allowed you to be here?"

Roman subconsciously dodged, "That was close! Aria, I've just gotten out of prison. Were you trying to send me to hell?"

"What do you want from Sophia? How dare you come to Sophia?" Aria and Roman had a good relationship before. Roman was her younger brother. She had always been very protective of him.

But now, she felt herself a joke.

Roman walked over and said, "I'm here for Sophia. It's none of your concern. Who do you think you are?"

"I'm warning you, stay away from her." Then Aria held Sophia tightly, not allowing Roman to approach her.

Roman ignored Aria. He looked at Sophia. "Sophia, I heard you came to visit me once but because of my mother, you didn't get in."

Aria looked at Sophia in confusion. Why did Sophia visit Roman? Did she really like him?

"I know that you wanted to visit me again later, but you never had the chance. It doesn't matter. Anyway, I am free now. You don't need to visit me. I can visit you often."

Sophia smiled faintly. "Roman, you may have misunderstood some things. I went there just to tell you that what I'd said to you and what Drake had done to you were to get you to tell the truth."

"After all, there was no surveillance camera. Nor did anyone film it. Your confession was the only useful thing to me. So, we had no other way but to set a trap for you."
